Subject: LUDC hearing 1-18-11

Dear Supervisors:

We just reviewed the Board Memorandum that was posted today regarding the LUDC, and we urge the Board of Supervisors to pursue the "third option" identified therein. We believe that further negotiations with the Coastal Commission are worthwhile and offer the only opportunity to resolve the remaining issues regarding the LUDC.

Therefore, we urge you to continue the discussion regarding this important issue. Thank you for your consideration,
Linda Krop
