12. EXPERIENCE: Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

For the past 12 years, I have been working closely with the Santa Barbara County APCD as an air quality consultant, helping the County's industrial organizations to operate within the parameters of the local, state and federal air regulations. I am very familiar with the APCD's current rules, policies and directives, as well as the challenges that face the District's permit holders. I feel that this knowledge and experience will enable me to bring a well-balanced perspective to the CAC. I am eager to apply my engineering skills and understanding of local air quality issues to benefit the CAC and the people of Santa Barbara County.
