Subject: Law Enforcement Item on BOS Agenda

Good afternoon Mona,

Please convey the support of the City of Buellton for the item related to the law enforcement contract for the City of Buellton. The City of Buellton supports all items recommended by the Sheriff's Department in their Board Agenda Report.

Please call me if you have any questions.

RE: Phased Implementation of Updated Cost Model for Law Enforcement Service Agreements

Dear Santa Barbara County Board Members:

The City of Solvang has voted to approve the new Law Enforcement Service Agreement at its June 11, 2018 City Council meeting. We are very much in support of the staff recommendation to phase in the implementation of the updated cost model to the cities that have significant cost increases with the new model. The City of Solvang cannot absorb the large increase in contract cost in a single year. We would most likely need to eliminate our Community Services Resource Deputy if the increase is not allowed to be phased in due to the significant increase in cost of that position with the new model. This position pays a valuable role not only in Solvang but the whole Santa Ynez Valley community. It would be a significant impact to the community if the position was not funded.

We look forward to your positive vote in this matter and a continued partnership in providing law enforcement services in the Santa Ynez Valley.

Sincerely

Brad Vidro
City Manager
