That the Board of Supervisors:

- b) Find that the proposed action is for the establishment, modification, structuring, restructuring, or approval of rates, tolls, fares, or other charges by public agencies which the public agency finds are for the purpose of meeting operating expenses; that the proposed action is therefore exempt from California Environmental Quality Act pursuant to guidelines 14 CCR 15273(a) (1).

Summary Text:

This item is on the agenda to adopt the benefit assessment for County Service Area No. 41 (CSA 41) for Fiscal Year (FY) 2021/2022. The road maintenance and repair for CSA No. 41 is funded through a benefit assessment. The Board of Supervisors adopts the benefit assessment rates annually to assess the properties on the tax roll. Public Works requests that your Board maintain the FY 2018/2019 benefit assessment rates for FY 2021/2022, which averages \$902 per parcel, and will generate approximately \$46,000 in revenues. Input to the planned assessment comes through the homeowners' Road Committee (RC) plan.

Background:

A benefit assessment is a levy or charge by an agency on real property that is based upon the special benefit conferred upon the real property by a public improvement or service to fund the capital costs, maintenance, and/or operational expenses of the particular improvement or service. Each parcel in the

service area is assessed according to the specific benefit it receives. The Board of Supervisors manages the implementation of services funded through the benefit assessment.

CSA 41 is in unincorporated County territory. It was established in FY 1984/85 to assess property owners for road repairs, maintenance, and improvements in the Rancho Santa Rita subdivision, located outside the City of Lompoc. CSA 41 was established pursuant to Government Code § 25210, et seq. The FY 2020/2021 year-end balance was \$273,472 and the annual revenues for FY 2021/2022 will be \$46,000.
