

NOTICE OF EXEMPTION

TO: Santa Barbara County Clerk of the Board of Supervisors

FROM: Community Services Department, Parks Division

The project or activity identified below is determined to be exempt from further environmental review requirements of the California Environmental Quality Act (CEQA) of 1970, as defined in the State and County Guidelines for the implementation of CEQA.

APN(s): 145-160-073 Case No.: N/A

Location: Cachuma Lake Recreation Area, 2225 Highway 154, Santa Barbara, CA, 93105

Project Title: Lake Cachuma Vacation Rental Cabins

Project Description: This project involves fabrication and installation of four trailered rental facilities (cabins) approximately 475 square feet each (1,867 square feet total) and connections to the existing water, sewer and electric utilities. The cabins replace cabins of the same size and type that were recently removed, and are located in the same footprint as the previous cabins. Minor grading and trenching will occur to appropriately accommodate the replacement cabins. Existing mature landscaping will be protected in-place.

Exempt Status: (Check one)

- Ministerial
- Statutory
- Categorical Exemption
- Emergency Project
- No Possibility of Significant Effect [Sec. ( )]

**Cite specific CEQA Guideline Section:**

§15302

**Discussion in support of exemption findings (attach additional material, if necessary):**

Installation of the new four trailered rental facilities is exempt under §15302, *Replacement or Reconstruction*, because the new facilities replace facilities that were located on the same site and will have the same purpose and capacity as the facilities replaced. The area around the new/replacement facilities is already disturbed, utilities already exist underground in the area and the project limits will contain the new ground disturbance.
