**Re: Termination of Professional Service Agreement for Environmental Consulting Services with UltraSystems Environmental Incorporated, effective January 16, 2026**

Dear Ms. Lindsay,

On December 16, 2025, the Santa Barbara County Board of Supervisors voted to terminate the above referenced Professional Services Agreement with UltraSystems Environmental Incorporated ("Agreement") for convenience, in accordance with Section 11.01A of the Agreement, effective January 16, 2026 ("Termination Date") as follows:

[INSERT VOTE HERE]

Due to shifts in funding priorities for the Orcutt Library Design Project, the County has determined that the funds allocated for the UltraSystems Environmental Incorporated Agreement, executed by the Board on November 18, 2025, must be reallocated to support a new approach to environmental services and other critical project-related needs. As a result, services under the Agreement are no longer required currently.

A Notice to Proceed was not issued for the contracted services and therefore no services were rendered under the Agreement.

Please direct any communications for the final resolution of this Agreement to myself, Kirk Lagerquist, Director, at [klagerquist@countyofsb.org](mailto:klagerquist@countyofsb.org) and Lynne Dible, Chief Financial Officer, at [ldible@countyofsb.org](mailto:ldible@countyofsb.org).

Sincerely,

Kirk Lagerquist  
Director  
General Services, County of Santa Barbara
