

NOTICE OF EXEMPTION

TO: Santa Barbara County Clerk of the Board of Supervisors

FROM: Community Services Department

The projects or activities identified below are determined to be exempt from further environmental review requirements of the California Environmental Quality Act (CEQA) of 1970, as defined in the State and County Guidelines for the implementation of CEQA.

APN(s): N/A **Case No.:** N/A

Location: St. Vincent's Institution, Santa Barbara, California

Project Title: St. Vincent's Fire Suppression Backflow Preventer Replacement

Project Description: Replacement of defective fire suppression backflow preventers.

Exempt Status: (Check one)

- Ministerial
- Statutory
- Categorical Exemption
- Emergency Project
- No Possibility of Significant Effect [§15061(b,3)]
- Other

Cite specific CEQA Guideline Section: 15301

Reasons to support exemption findings (attach additional material, if necessary):

CEQA Guideline Section 15301 Class 1 consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing use. The work entails maintenance activities to replace defective fire suppression backflow preventers, and the exemption is not limited by factors set forth in CEQA Guidelines Section 15300.2 as the maintenance activities are a Class 1 exemption, does not have a cumulative impact, significant effect on the environment due to unusual circumstances, impact on a scenic highway(s), nor impact on historical resources, and the maintenance activities are not on a hazardous waste site.
