IX. PERSONNEL & PARTICIPANT CONDITIONS

A. ASSURANCE OF COMPLIANCE WITH TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

As a condition of receipt of federal financial assistance from the Department of the Treasury, the Subrecipient provides the assurances stated herein. The federal financial assistance may include federal grants, loans and contracts to provide assistance to the Subrecipient’s beneficiaries, the use or rent of Federal land or property at below market value, Federal training, a loan of Federal personnel, subsidies, and other arrangements with the intention of providing assistance. Federal financial assistance does not encompass contracts of guarantee or insurance, regulated programs, licenses, procurement contracts by the Federal government at market value, or programs that provide direct benefits.

The assurances apply to all federal financial assistance from or funds made available through the Department of the Treasury, including any assistance that the Subrecipient may request in the future.

The Civil Rights Restoration Act of 1987 provides that the provisions of the assurances apply to all of the Subrecipient’s program(s), and activity(ies), so long as any portion of the Subrecipient’s program(s) or activity(ies) is federally assisted in the manner prescribed above.

1. Subrecipient ensures its current and future compliance with Title VI of the Civil Rights Act of 1964, as amended, which prohibits exclusion from participation, denial of the benefits of, or subjection to discrimination under programs and activities receiving federal financial assistance, of any person in the United States on the ground of

race, color, or national origin (42 U.S.C. § 2000d *et seq.*), as implemented by the Department of Treasury Title VI regulations at 31 CFR Part 22 and other pertinent executive orders such as Executive Order 13166; directives; circulars; policies; memoranda and/or guidance documents;

2. Subrecipient acknowledges that Executive Order 13166, "Improving Access to Services for Persons with Limited English Proficiency," seeks to improve access to federally assisted programs and activities for individuals who, because of national origin, have Limited English Proficiency (LEP). Subrecipient understands that denying a person access to its programs, services, and activities because of LEP is a form of national origin discrimination prohibited under Title VI of the Civil Rights Act of 1964 and the Department of the Treasury's implementation regulations. Accordingly, Subrecipient shall initiate reasonable steps, or comply with the Department of the Treasury's directives, to ensure that LEP persons have meaningful access to its programs, services and activities. Subrecipient understands and agrees that meaningful access may entail providing language assistance services, including oral interpretation and written translation where necessary, to ensure effective communication in the Subrecipient's programs, services, and activities.
3. Subrecipient agrees to consider the need for language services for LEP persons when Subrecipient develops applicable budgets and conducts programs, services and activities. As a resource, the Department of the Treasury has published its LEP guidance at 70 FR 6067. For more information on taking reasonable steps to provide meaningful access for LEP persons, please visit <http://www.lep.gov>
4. Subrecipient acknowledges and agrees that compliance with the assurances constitutes a condition of continued receipt of federal financial assistance and is binding upon Subrecipient and Subrecipient's successors, transferees and assignees for the period in which such assistance is provided.
5. Subrecipient acknowledges and agrees that it must require any sub-grantees, contractors, subcontractors, successors, transferees, and assignees to comply with assurances 1-4 above, and agrees to incorporate the following language in every contract or agreement subject to Title VI and its regulations between the Subrecipient and the Subrecipient's sub-grantees, contractors, subcontractors, successors, transferees and assignees:

The sub-grantee, contractor, subcontractor, successor, transferee, and assignee shall comply with Title VI of the Civil Rights Act of 1964, which prohibits recipients of federal financial assistance from excluding a program or activity, denying benefits of, or otherwise discriminating against a person on the basis of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of Treasury's Title VI regulations, 31 CFR Part 22, which are herein incorporated by reference and made part of this contract (or agreement). Title VI also includes protection to persons with "Limited English Proficiency" in any program or activity receiving federal financial assistance, 42 U.S.C. § 2000d et seq., as implemented by the Department of Treasury's Title VI regulations, 31 CFR Part 22, and herein incorporated by reference and made part of this contract or agreement.

6. Subrecipient understands and agrees that if any real property or structure is provided or improved with the aid of federal financial assistance by the Department of the Treasury, this assurance obligates the Subrecipient, or in the case of a subsequent transfer, the transferee, for the period during which the real property or structure is used for a purpose for which the federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If any personal property is provided, this assurance obligates the Subrecipient for the period during which it retains ownership or possession of the property.
7. Subrecipient shall cooperate in any enforcement or compliance review activities by the Department of the Treasury of the aforementioned obligations. Enforcement may include investigation, arbitration, mediation, litigation, and monitoring of settlement agreements that may result from these actions. Subrecipient shall comply with information requests, on-site compliance reviews, and reporting requirements.

8. Subrecipient shall maintain a complaint log and inform the Department of the Treasury of any complaints of discrimination on the grounds of race, color, or national origin, and limited English proficiency covered by Title VI of the Civil Rights Act of 1964 and implementing regulations and provide, upon request, a list of all such reviews and proceedings based on the complaint, pending or completed, including outcome. Subrecipient also must inform the Department of the Treasury if Subrecipient has received no complaints under Title VI.
9. Subrecipient must provide documentation of an administrative agency's or court's findings of non-compliance of Title VI and efforts to address the non-compliance, including any voluntary or other agreements between the Subrecipient and the administrative agency that made the finding. If the Subrecipient settles a case or matter alleging such discrimination, the Subrecipient must provide documentation of the settlement. If Subrecipient has not been the subject of any court or administrative agency finding of discrimination, please so state.
10. If the Subrecipient makes sub-awards to other agencies or other entities, the Subrecipient is responsible for ensuring that sub-recipients also comply with Title VI and other applicable authorities covered in this document. State agencies that make sub-awards must have in place standard grant assurances and review procedures to demonstrate that they are effectively monitoring the civil rights compliance of sub-recipients.

The United States of America has the right to seek judicial enforcement of the terms of this assurances document and nothing in this document alters or limits the federal enforcement measures that the United States may take in order to address violations of this document or applicable federal law.

Under penalty of perjury, the undersigned official(s) certifies that official(s) has read and understood the Subrecipient's obligations as herein described, that any information submitted in conjunction with this assurance document is accurate and complete, and that the Subrecipient is in compliance with the aforementioned nondiscrimination requirements.

Ideas + Action for a Thriving Central Coast

Initiating a Vision of Economic Vitality Comprehensive Economic Development Strategy & Industry Diversification Initiative

Objective

Support the economic planning and action of Santa Barbara County to build capacity and guide the economic prosperity and resiliency of the county by developing a Comprehensive Economic Development Strategic Plan for the region. At the conclusion of the two-year period, a strategic plan will be delivered to the County that will help leverage federal funding for economic vitality.

Description

A Comprehensive Economic Development Strategy (CEDS) regional strategic plan is being developed in partnership with regional stakeholders and organizations to address the COVID impact on businesses and the workforce in Santa Barbara County. Completing a CEDS opens the doors to additional state and federal funding opportunities to address economic development in the region. A CEDS will further identify the industry gaps and ultimately provide solutions to address the workforce shortage, as well as identify funding opportunities for economic development purposes. The REACH Fellowship was recently approved for an EDA grant that will allow for a deep dive analysis of four target industries, the establishment of workgroups, and the development of workforce education and training opportunities for these industries, culminating in the creation of a two-county CEDS (Comprehensive Economic Development Strategy). The CEDS will allow for regional level planning down to the county and city level, and the CEDS will provide the region with a foundation needed to access additional federal funding. This use of ARPA funds is for the provision of government services.

This will be achieved over a two-year grant period by:

- (1) Broadening the REACH 2030 plan into a Comprehensive Economic Development Strategy (CEDS) to address the needs of all of Santa Barbara County in the context of a two-county regional plan.
 - a. The REACH 2030 plan was initially created to address the impact of the Diablo Canyon Power Plant closure, and focused on the job shed which spans across San Luis Obispo County and Northern Santa Barbara County. In developing the REACH 2030 plan, it became apparent that a comprehensive approach would be necessary to address the challenges and opportunities in the two-county region in their entirety. An expanded CEDS will be developed during this project using the action plans and other input developed from the work with industry consortia.
- (2) Cultivate industry diversification in target industries identified in the REACH 2030 plan (AgriTech, Clean Tech and Renewable Energy, Aerospace, Defense and Precision Manufacturing, and Technology). By advancing these four industry sectors, the local economy will become less reliant upon any one industry sector and thus more resilient to any downturns that impact a particular sector.

- a. Conducting an impact analysis for each of the four selected industries identified in this analysis will assess existing industry presence in the affected region. The analysis will focus on identifying strengths, weaknesses, opportunities and threats affecting infrastructure, housing, workforce, industry investment/critical mass and potential for growth for each industry segment. The analysis will also assess and map any relevant industry assets (e.g. Workforce talent, training, infrastructure, housing, high speed internet, existing industry ecosystem, etc.). This will allow local jurisdictions to understand where potential exists to maximize investment, partner and mitigate weaknesses, and collectively take advantage of opportunities as an economic region. Such an approach, with effective planning, will allow the Central Coast to build toward a more diverse and resilient economy with greater opportunity for residents utilizing workforce development, aiding economic recovery and construction of a more-resilient business ecosystem.
- (3) Partnering with industry to produce action plans for creation of high-wage jobs across these four industry sectors:
- a. Rather than initiating local economic development efforts to support what might be presumed to solve the problems of companies in each industry sector, the strategy of this program will be to convene the industry in each sector. Economic development efforts in each of these target areas will be designed by bringing consortium members and key local stakeholders together to discuss the challenges and aspirations of industry leaders. These discussions will drive toward supporting job creation in the sector for the two-county region.

Total Project Cost: \$900,000

Payments may be contingent upon certification of REACH's financial management system in accordance with the standards specified in 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

B. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured** – COUNTY, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the CONTRACTOR'S insurance at least as broad as ISO Form CG 20 10 11 85 or both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; **and** CG 20 37 forms if later revisions used).
2. **Primary Coverage** – For any claims related to this contract, the CONTRACTOR'S insurance coverage shall be primary insurance primary coverage at least as broad as ISO CG 20 01 04 13 as respects the COUNTY, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the COUNTY, its officers, officials, employees, or volunteers shall be excess of the CONTRACTOR'S insurance and shall not contribute with it.
3. **Notice of Cancellation** – Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the COUNTY.
4. **Waiver of Subrogation Rights** – CONTRACTOR hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said CONTRACTOR may acquire against the COUNTY by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the COUNTY has received a waiver of subrogation endorsement from the insurer.
5. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the COUNTY. The COUNTY may require the CONTRACTOR to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
6. **Acceptability of Insurers** – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best's Insurance Guide rating of "A- VII".
7. **Verification of Coverage** – CONTRACTOR shall furnish the COUNTY with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the CONTRACTOR'S obligation to provide them. The CONTRACTOR shall furnish evidence of renewal of coverage throughout the term of the Agreement. The COUNTY reserves the right to require complete, certified copies of all required

insurance policies, including endorsements required by these specifications, at any time.

8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by COUNTY as a material breach of contract.
9. **Subcontractors** – CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and CONTRACTOR shall ensure that COUNTY is an additional insured on insurance required from subcontractors.
10. **Claims Made Policies** – If any of the required policies provide coverage on a claims-made basis:
 - i. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
 - ii. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
 - iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the CONTRACTOR must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.
11. **Special Risks or Circumstances** – COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. CONTRACTOR agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of COUNTY.
