18. NON-ASSIGNMENT.

Contractor shall not assign, transfer or subcontract this Agreement or any of its rights or obligations under this Agreement without the prior written consent of County and any attempt to so assign, subcontract or transfer without such consent shall be void and without legal effect and shall constitute grounds for termination.

19. TERMINATION.

A. By County. County may, by written notice to Contractor, terminate this Agreement in whole or in part at any time, whether for County's convenience, for nonappropriation of funds, or because of the failure of Contractor to fulfill the obligations herein.

1. **For Convenience.** County may terminate this Agreement in whole or in part upon thirty (30) days written notice. During the thirty (30) day period, Contractor shall, as directed by County, wind down and cease its services as quickly and efficiently as reasonably possible, without performing unnecessary services or activities and by minimizing negative effects on County from such winding down and cessation of services.

2. **For Nonappropriation of Funds.**

i. The parties acknowledge and agree that this Agreement is dependent upon the availability of County, State, and/or federal funding. If funding to make payments in accordance with the provisions of this Agreement is not

forthcoming from the County, State and/or federal governments for the Agreement, or is not allocated or allotted to County by the County, State and/or federal governments for this Agreement for periodic payment in the current or any future fiscal period, then the obligations of County to make payments after the effective date of such non-allocation or non-funding, as provided in the notice, will cease and terminate.

permit Contractor to retain. Notwithstanding any other payment provision of this Agreement, County shall pay Contractor for satisfactory services performed to the date of termination to include a prorated amount of compensation due hereunder less payments, if any, previously made. In no event shall Contractor be paid an amount in excess of the full price under this Agreement nor for profit on unperformed portions of service. Contractor shall furnish to County such financial information as in the judgment of County is necessary to determine the reasonable value of the services rendered by Contractor. 22. REMEDIES NOT EXCLUSIVE.

No remedy herein conferred upon or reserved to County is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

23. TIME IS OF THE ESSENCE.

Time is of the essence in this Agreement and each covenant and term is a condition herein.

24. NO WAIVER OF DEFAULT.

For all services provided under this Agreement, Contractor will comply with all requirements necessary for reimbursement in accordance with the regulations applicable to the funding sources identified in the Exhibit B-1 ADP, the Intergovernmental Agreement, Contract Number 18-95148, the Proposition 47 Grant Agreement between the County and the California Board of State and Community Corrections (Contract Number BSCC 506-19), and other applicable Federal, State and local laws, rules, manuals, policies, guidelines and directives.

I. PAYMENT FOR SERVICES.

- B. Drug Medi-Cal Services.** The services provided by Contractor's Program described in Exhibit A-2 through A-3 that are covered by the Drug Medi-Cal Program will be reimbursed by County from Federal Financial Participation (FFP) and State and local matching funds as specified in Exhibit B-1-ADP and subject to Paragraph F (Funding Sources) of this Exhibit B-ADP. Pursuant to Title 9 California Code of Regulations (C.C.R.) Section 9533(a) (2), Contractor shall accept proof of eligibility for Drug Medi-Cal as payment in full for treatment services rendered, and shall not collect any other fees from Drug Medi-Cal clients, except where a share of cost, defined in Title 22 C.C.R. The Behavioral Wellness Director or designee also reserves the right to reallocate between funding sources in the year end cost settlement. B. Provisional Rate. County agrees to reimburse Contractor at a Provisional Rate (the “Provisional Rate”) during the term of this Agreement. The Provisional Rate shall be established as follows:

 - b. For new contracts, the County Maximum Allowable rate will be the Provisional Rate for all new contracts.
2. For all other services, the rate or billing increment shall be as reflected in Exhibit B-1 ADP.

At any time during the term of this Agreement, the Director of the Department of Behavioral Wellness shall have the option to adjust the Provisional Rate to a rate based on allowable costs less all applicable revenues, and the volume of services provided in prior quarters. Adjustment of the Provisional Rate does not alter the Maximum Contract Amount and does not require an amendment to this Agreement.

All fees paid by or on behalf of patients/clients receiving services under this Agreement shall be utilized by Contractor only for the delivery of the services specified in this Agreement.

V. ACCOUNTING FOR REVENUES.

Contractor shall comply with all County, State, and Federal requirements and procedures, including, but not limited to, those described in California Welfare and Institutions Code (WIC) Sections 5709, 5710 and 14710, relating to: (1) the determination and collection of patient/client fees for services hereunder based on Uniform Method for Determining Ability to Pay (UMDAP), (2) the eligibility of patients/clients for Drug Medi-Cal, Medicare, private insurance, or other third party revenue, and (3) the collection, reporting and deduction of all patient/client and other revenue for patients/clients receiving services hereunder. Contractor agrees that it shall be solely liable and responsible for all data and information submitted to the County and submitted by the County to the State on behalf of Contractor.

The Director or designee shall review the monthly claim(s) and invoice to confirm accuracy of the data submitted. With the exception of the final month's payment under this Agreement, County shall make provisional payment for approved claims within 30 calendar days of the receipt of said claim(s) and invoice by County subject to the contractual limitations set forth in this Agreement and all exhibits hereto.

C. Payment Limitations.

1. Payment for Drug Medi-Cal services will be based on the UOS accepted into MIS and claimed to the State on a monthly basis.
2. The Program Contract Maximums specified in Exhibit B-1 and this Exhibit B-ADP are intended to cover services during the entire term of the agreement, unless otherwise specified in Exhibit A-2 through A-3 (such as time-limited or services tied to the school year). Under no circumstances shall Contractor cease services prior to June 30 due to an accelerated draw down of funds earlier in the Fiscal Year. Failure to provide services during the entire term of the Agreement may be considered a breach of contract and subject to the Termination provisions specified in the Agreement.

D. Monthly Financial Statements. Within 15 calendar days of the end of the month in which alcohol and other drug services are delivered, Contractor shall submit monthly financial statements reflecting the previous month's and cumulative year to date direct and indirect costs and other applicable revenues for Contractor's programs described in Exhibit A-2 through A-3. Financial Statements shall be submitted electronically to adpfinance@co.santa-barbara.ca.us.

If any required MIS data, invoice or report(s) is not submitted by Contractor to County within the time limits described in this Agreement or if any such information is incomplete, incorrect, or is not completed in accordance with the requirements of this Agreement, then payment shall be withheld until County is in receipt of complete and correct data and such data has been reviewed and approved by Director or designee. Director or designee shall review such submitted service data within 60 calendar days of receipt.

F. Withholding of Payment for Unsatisfactory Clinical Work. Director or designee may deny payment for services when documentation of clinical work does not meet

minimum State and County written standards.

1. Billing Limit for Drug Medi-Cal Services: Unless otherwise determined by State or federal regulations, all original (or initial) claims for eligible individual persons under this Agreement must be received by County within 7 days from the end of the month in which services were provided to avoid possible payment reduction or denial for late billing. Late claims may be submitted in accordance with the provisions of Title 22 C.C.R. Section 51008.5 with documentation of good cause. The existence of good cause shall be determined by the State as provided in Title 22 C.C.R. Sections 51008 and 51008.5.
2. No Payment for Services Provided Following Expiration/Termination of Agreement. Contractor shall have no claim against County for payment of any funds or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

H. Claims Certification and Program Integrity. Contractor shall certify that all UOS entered by Contractor into the County's MIS System or otherwise reported to County for any payor sources covered by this Agreement are true and accurate to the best of Contractor's knowledge.

I. Overpayments. If the Contractor discovers an overpayment, Contractor must notify the County in writing of the reason for the overpayment. Any overpayments of contractual amounts must be returned via direct payment within 30 days to the County. County may withhold amounts from future payments due to Contractor under this Agreement or any subsequent agreement if Contractor fails to make direct payment within the required timeframe.

Contractor shall allocate direct and indirect costs to and between programs, cost centers, services, and funding sources in accordance with such requirements and consistent with prudent business practice. Contractor shall maintain source documentation to support the claimed costs, revenues and allocations which shall be available at any time to Director or Designee upon reasonable notice.

- B. Cost Report to be Used for Initial Settlement.** The Cost Report shall be the financial and statistical report submitted by Contractor to County, and shall serve as the basis for initial settlement with Contractor as set forth in Section IX (Pre-audit Cost Report Settlements). Contractor shall document that costs are reasonable and allowable and directly or indirectly related to the services to be provided hereunder.
- C. Penalties.** In addition, failure of Contractor to submit accurate and complete Annual Cost Report(s) by 45 days after the due date set in Section VIII.A (Submission of Cost Report) above or the expiration or termination date of this Agreement shall result in:
1. A Late Penalty of ONE HUNDRED DOLLARS (\$100) for each day that the accurate and complete Annual Cost Report(s) is (are) not submitted. The Late Penalty shall be assessed separately on each outstanding Annual Cost Report. The Late Penalty shall commence on the forty-sixth (46th) day after the deadline or the expiration or termination date of this Agreement. County shall deduct the Late Penalty assessed against Contractor from the final month's payment due under the Agreement.
 2. In the event that Contractor does not submit accurate and complete Annual Cost Report(s) by the one-hundred and fifth (105th) day after the due date set in Section VIII.A (Submission of Cost Report) or the expiration or termination date of this Agreement, then all amounts paid by County to Contractor in the Fiscal Year for which the Annual Cost Report(s) is (are) outstanding shall be repaid by Contractor to County within 90 days. Further, County shall terminate any current contracts entered into with Contractor for programs covered by the outstanding Annual Cost Reports.

- A. Pre-audit Cost Report Settlements.** Based on the Annual Cost Report(s) submitted pursuant to this Exhibit B-ADP Section VIII (Cost Report) and State approved UOS, at the end of each Fiscal Year or portion thereof that this Agreement is in effect, the State and/or County will perform pre-audit cost report settlement(s). Such settlement will be subject to the terms and conditions of this Agreement and any other applicable State and/or federal statutes, regulations, policies and procedures, or requirements pertaining to cost reporting and settlements for applicable federal and/or State programs. Settlement shall be adjusted to the lower of:
1. Contractor's published charge(s) to the general public, as approved by the Contractor's governing board; unless the Contractor is a Nominal Charge Provider.

X. AUDITS, AUDIT APPEALS AND POST-AUDIT MEDI-CAL FINAL SETTLEMENT.

A. Audit by Responsible Auditing Party. B. Settlement. Settlement of the audit findings will be conducted according to the Responsible Auditing Party's procedures in place. In the case of a State Drug Medi-Cal audit, the State and County will perform a post-audit Drug Medi-Cal settlement that is based on State audit findings. Such settlement will take place when the State initiates its settlement action which customarily is after the issuance of the audit report by the State and before the State's audit appeal process.

C. Invoice for Amounts Due. County shall issue an invoice to Contractor for any amount due to the County after the Responsible Auditing Party issues an audit report. The amount on the County invoice is due by Contractor to County thirty (30) calendar days from the date of the invoice. However, if the Responsible Auditing Party stays its collection of any amounts due or payable because of the audit findings, County Behavioral Wellness will also stay its settlement of the same amounts due or payable until the Responsible Auditing Party initiates its settlement action with County Behavioral Wellness. If an audit adjustment is appealed then the County may, at its own discretion, notify Contractor but stay collection of amounts due until resolution of the State administrative appeals process.

D. Appeal. Contractor may appeal any such audit findings in accordance with the audit appeal process described in the Section 14171 of the WIC and 22 C.C.R. Section 51022.

Violation of this provision or use of County funds for purposes other than those described in the Exhibit A(s) shall constitute a material breach of this Agreement.

F. Funding Sources. The Behavioral Wellness Director or designee may reallocate between funding sources at with discretion, including to utilize and maximize any additional funding or FFP provided by local, State, or Federal law, regulation, policy, procedure, or program. The Behavioral Wellness Director or designee also reserves the right to reallocate between funding sources in the year end cost settlement. Reallocation of funding sources does not alter the Maximum Contract Amount and does not require an amendment to this Agreement.

G. Beneficiary Liability for Payment.

1. Contractor shall not submit a claim to, or demand or otherwise collect reimbursement from, the beneficiary or persons acting on behalf of the beneficiary for any specialty mental health or related administrative services provided under this Agreement, except to collect other health insurance coverage, share of cost, and co-payments. (Cal. Code Regs., tit. 9, § 1810.365 (a).)
2. Contractor shall not hold beneficiaries liable for debts in the event that County becomes insolvent; for costs of covered services for which the State does not pay County; for costs of covered services for which the State or County does not pay to Contractor; for costs of covered services provided under a contract, referral or other arrangement rather than from the County; or for payment of subsequent screening and treatment needed to diagnose the specific condition of or stabilize a beneficiary. (42 C.F.R. § 438.106 and Cal. Code Regs. tit 9, § 1810.365(c).)
3. Contractor shall not bill beneficiaries, for covered services, any amount greater than would be owed if the Contractor provided the services directly. (42 C.F.R. § 483.106(c).)

H. DHCS assumes no responsibility for the payment to Contractor for services used in the performance of this Agreement. County accepts sole responsibility for the payment of Contractors in the performance of this Agreement per the terms of this Agreement.

II. MAXIMUM CONTRACT AMOUNT.

The Maximum Contract Amount of this Agreement shall not exceed **\$6,262,724**, inclusive of **\$5,647,554** in Mental Health funding, inclusive of \$1,882,518 for FY 21-22; \$1,882,518 for FY 22-23; and \$1,882,518 for FY 23-24, and shall consist of County, State, and/or Federal funds as shown in Exhibit B-1–MHS and subject to the provisions in Section I (Payment for Services). Notwithstanding any other provision of this Agreement, in no event shall County pay Contractor more than this Maximum Contract Amount for Contractor's performance hereunder without a properly executed amendment.

III. OPERATING BUDGET AND PROVISIONAL RATE.

A. Operating Budget. Prior to the Effective Date of this Agreement, Contractor shall

provide County with an Operating Budget on a format acceptable to, or provided by County, based on costs of net of revenues as described in this Exhibit B-MHS, Section IV (Accounting for Revenues). The approved Operating Budget shall be attached to this Agreement as Exhibit B-2. County may disallow any expenses in excess of the adopted operating budget. Contractor shall request, in advance, approval from County for any budgetary changes. Indirect costs are limited to 15% of direct costs for each program and must be allocated in accordance with a cost allocation plan that adheres with OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

- B. Provisional Rate.** County agrees to reimburse Contractor at a Provisional Rate (the “Provisional Rate”) during the term of this Agreement. For recurring contracts, the Provisional Rate shall be established by using the historical data from prior fiscal periods. The Provisional Rate for all new contracts will be based on actual cost or the County Maximum Allowable rate. Quarterly, or at any time during the term of this Agreement, Behavioral Wellness Director or designee shall have the option to adjust the Provisional Rate to a rate based on allowable costs less all applicable revenues and the volume of services provided in prior quarters. Adjustment of the Provisional Rate does not alter the Maximum Contract Amount and does not require an amendment to this Agreement.

IV. ACCOUNTING FOR REVENUES.

- A. Accounting for Revenues.** Contractor shall comply with all County, State, and Federal requirements and procedures, including, but not limited to, those described in California Welfare and Institutions Code (WIC) Sections 5709, 5710 and 14710, relating to: (1) the determination and collection of patient/client fees for services hereunder based on Uniform Method for Determining Ability to Pay (UMDAP), (2) the eligibility of patients/clients for Medi-Cal, Medicare, private insurance, or other third party revenue, and (3) the collection, reporting and deduction of all patient/client and other revenue for patients/clients receiving services hereunder. Grants, and any other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor shall also be accounted for in the Operating Budget. Contributions designated in Exhibit B-1-MHS shall be offset from invoices and the annual cost report, unless otherwise negotiated with the County and approved in writing.
- B. Internal Procedures.** Contractor shall maintain internal financial controls which adequately ensure proper billing and collection procedures. Contractor shall pursue payment from all potential sources in sequential order, with Medi-Cal as payor of last resort. All fees paid by or on behalf of patients/clients receiving services under this Agreement shall be utilized by Contractor only for the delivery of service units specified in Exhibit A-5 through A-8 to this Agreement.

V. REALLOCATION OF PROGRAM FUNDING.

Funding is limited by program to the amount specified in Exhibit B-1-MHS. Contractor cannot move funding between programs without explicit approval by Behavioral Wellness Director or designee. Contractor shall make written application to Behavioral Wellness Director or designee, in advance and no later than April 1 of each Fiscal Year, to reallocate funds as outlined in Exhibit B-1-MHS between programs, for the purpose of meeting specific

program needs or for providing continuity of care to its clients. Contractor's application shall include a narrative specifying the purpose of the request, the amount of said funds to be reallocated, and the sustaining impact of the reallocation as may be applicable to future years. The Behavioral Wellness Director's or designee decision of whether to allow the reallocation of funds shall be in writing to Contractor prior to implementation by Contractor. The Behavioral Wellness Director or designee also reserves the right to reallocate between programs in the year end cost settlement and will notify Contractor of any reallocation during the cost settlement process.

VI. BILLING AND PAYMENT PROCEDURES AND LIMITATIONS.

A. Submission of Claims and Invoices.

1. Submission of Claims and Invoices for Medi-Cal Services. Services are to be entered into the Clinician's Gateway System based on timeframes prescribed in the Behavioral Wellness Clinical Documentation Manual. Late service data and claims may only be submitted in accordance with State and federal regulations. Behavioral Wellness shall provide to Contractor a report that: i) summarizes the Medi-Cal UOS approved to be claimed for the month, multiplied by the provisional rate in effect at the time of service, ii) states the amount owed by County, and iii) includes the Agreement number. Contractor shall review the report and indicate concurrence that the report will be the basis for Contractor's provisional payment for the month. Contractor shall indicate concurrence within two (2) business days electronically to the County designated representative or to:

financecbo@co.santa-barbara.ca.us
Santa Barbara County Department of Behavioral Wellness
ATTN: Accounts Payable
429 North San Antonio Road
Santa Barbara, CA 93110 –1316

Contractor agrees that it shall be solely liable and responsible for all data and information submitted to the County and submitted by the County to the State on behalf of Contractor.

2. Submission of Claims and Invoices for Non Medi-Cal Services. Contractor shall submit a written invoice within 15 calendar days of the end of the month in which non-Medi-Cal services are delivered that: i) depicts the actual costs of providing the services less any applicable revenues, including the provisional Medi-Cal payment as described in VI.A.1 (Submission of Claims and Invoices for Medi-Cal Services) of this Exhibit B MHS, as appropriate, ii) states the amount owed by County, and iii) includes the Agreement number and signature of Contractor's authorized representative. Invoices shall be delivered to the designated representative or address described in Section VI.A.1 (Submission of Claims and Invoices for Medi-Cal Services) of this Exhibit B MHS. Actual cost is the actual amount paid or incurred, including direct labor and costs supported by financial statements, time records, invoices, and receipts.
3. The Program Contract Maximums specified in Exhibit B-1-MHS and this Exhibit

B MHS are intended to cover services during the entire term of the Agreement, unless otherwise specified in Exhibit A-5 through A-8 to this Agreement (such as time-limited or services tied to the school year). Under no circumstances shall Contractor cease services prior to June 30 due to an accelerated draw down of funds earlier in the Fiscal Year. Failure to provide services during the entire term of the Agreement may be considered a breach of contract and subject to the Termination provisions specified in the Agreement.

The Behavioral Wellness Director or designee shall review the monthly claim(s) and invoices to confirm accuracy of the data submitted. County shall make provisional payment for approved claims within thirty (30) calendar days of the generation of said claim(s) and invoice by County subject to the contractual limitations set forth in this Agreement and all exhibits hereto.

- B. Subsidy Payments.** This section applies to providers with programs that have subsidy funding allocations. For each program with subsidy funding comprising 5% or less of the total program funding allocation set forth in Exhibit B-1-MHS, payment of subsidy will occur at cost settlement after the year end cost report has been submitted and costs are determined to be in compliance with contract terms and State and Federal regulations. For providers with more than 5% total subsidy funding in any program, the final subsidy payment, or up to a maximum of 20% of total subsidy funding allocated for the given program in Exhibit B-1-MHS, will be withheld until the year end cost report has been submitted and costs are determined to be in compliance with contract terms and State and Federal regulations.
- C. Monthly Financial Statements.** Within 15 calendar days of the end of the month in which services are delivered, Contractor shall submit monthly financial statements reflecting the previous month's and cumulative year to date direct and indirect costs and other applicable revenues for Contractor's programs described in Exhibit A-5 through A-8. If a program has both Medi-Cal billable costs and Non-Medi-Cal billable costs, Contractor shall separately identify Non-Medi-Cal billable costs on their financial statements.
- D. Withholding of Payment for Non-submission of Service Data and Other Information.** If any required service data, invoice, financial statement or report is not submitted by Contractor to County within the time limits described in this Agreement or if any such information is incomplete, incorrect, or is not completed in accordance with the requirements of this Agreement, then payment shall be withheld until County is in receipt of complete and correct data and such data has been reviewed and approved by Behavioral Wellness Director or designee. Behavioral Wellness Director or designee shall review such submitted service data within sixty (60) calendar days of receipt.
- E. Withholding of Payment for Unsatisfactory Clinical Documentation.** Behavioral Wellness Director or designee shall have the option to deny payment for services when documentation of clinical services does not meet minimum Federal, State and County written standards. County may also deny payment for services that are provided without a current client service plan.
- F. Claims Submission Restrictions.**

1. 12-Month Billing Limit. Unless otherwise determined by State or federal regulations (e.g. Medi-Medi cross-over), all original (or initial) claims for eligible individual persons under this Agreement must be received by County within 12 months from the month of service to avoid denial for late billing.
2. No Payment for Services Provided Following Expiration/ Termination of Agreement. Contractor shall have no claim against County for payment of any funds or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

G. Claims Certification and Program Integrity. Contractor shall certify that all UOS entered by Contractor into MIS for any payor sources covered by this Agreement are true and accurate to the best of Contractor's knowledge.

H. Overpayments. If the Contractor discovers an overpayment, Contractor must notify the County in writing of the reason for the overpayment. Any overpayments of contractual amounts must be returned via direct payment within 30 days to the County. County may withhold amounts from future payments due to Contractor under this Agreement or any subsequent agreement if Contractor fails to make direct payment within the required timeframe.

VII. COST REPORT

A. Submission of Cost Report. Within three weeks of the release of the cost report template by the Department of Health Care Services (DHCS) but no sooner than 30 days after the end of the fiscal year, Contractor shall provide County with an accurate and complete Annual Cost Report (original cost report) with a statement of expenses and revenue and other supporting schedules for the applicable prior fiscal year. The Annual Cost Report shall be prepared by Contractor in accordance with all applicable Federal, State and County requirements and generally accepted accounting principles. Contractor shall allocate direct and indirect costs to and between programs, cost centers, services, and funding sources in accordance with such requirements and consistent with prudent business practice. All revenues received by Contractor shall be reported in its annual Cost Report, and shall be used to offset gross cost. Contractor shall maintain source documentation to support the claimed costs, revenues and allocations which shall be available at any time to Behavioral Wellness Director or designee upon reasonable notice. A final (reconciled) cost report is also due approximately 1 to 2 years after submission of the original cost report. The specific deadline for the final cost report is determined by the State. Contractor shall submit a final (reconciled) cost report within three weeks of the County's formal request.

B. Cost Report to be Used for Settlement. The Cost Report shall be the financial and statistical report submitted by Contractor to County, and shall serve as the basis for settlement with Contractor as set forth in Section VIII (Pre-audit Cost Report

Settlements) below. Contractor shall document that costs are reasonable and allowable and directly or indirectly related to the services to be provided hereunder.

C. Penalties. Failure of Contractor to submit accurate and complete Annual Cost Report(s) within 45 days after the due date set in Section VII.A (Submission of Cost Report) above or the expiration or termination date of this Agreement shall result in:

1. A Late Penalty of ONE HUNDRED DOLLARS (\$100) for each day that the accurate and complete Annual Cost Report(s) are not submitted. The Late Penalty shall be assessed separately on each outstanding Annual Cost Report. The Late Penalty shall commence on the forty-sixth (46th) day after the deadline or the expiration or termination date of this Agreement. The late fee will be invoiced separately or deducted from future payments due to Contractor under this Agreement or a subsequent agreement.
2. In the event that Contractor does not submit accurate and complete Annual Cost Report(s) by the one-hundred and fifth (105th) day after the due date set in Section VII.A (Submission of Cost Report) or the expiration or termination date of this Agreement, then all amounts paid by County to Contractor in the Fiscal Year for which the Annual Cost Report(s) are outstanding shall be repaid by Contractor to County within 90 days. Further, County may terminate any current contracts entered into with Contractor for programs covered by the outstanding Annual Cost Reports.
3. In addition, County may withhold payments of additional funds owed to Contractor until the cost report that is due has been submitted if Contractor does not submit the cost report by the reporting deadline.

D. Audited Financial Reports. Contractor is required to obtain an annual financial statement audit and submit to County a copy of their audited annual financial statement, including management comments. This report shall be submitted within thirty (30) days after the report is received by Contractor.

E. Single Audit Report. If Contractor is required to perform a single audit and/or program specific audit, per the requirements of OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards, Contractor shall submit a copy of such single audit to County within thirty (30) days of receipt.

VIII. PRE-AUDIT COST REPORT SETTLEMENTS

A. Pre-audit Cost Report Settlements. Based on the original and final/reconciled Annual Cost Report(s) submitted pursuant to this Exhibit B MHS Section VII (Cost Report) and State approved UOS, at the end of each Fiscal Year or portion thereof that this Agreement is in effect, the County will perform pre-audit cost report settlement(s). Such settlements will be subject to the terms and conditions of this Agreement and any other applicable State and/or Federal statutes, regulations, policies and procedures, or requirements pertaining to cost reporting and settlements for applicable Federal and/or State programs. In no event shall the settlement exceed the maximum amount of this Agreement. Settlement for services shall be adjusted to the lower of:

1. Contractor's published charge(s) to the general public, as approved by the

Contractor's governing board; unless the Contractor is a Nominal Fee Provider. This federal published charges rule is applicable only for the outpatient, rehabilitative, case management and 24-hour services.

2. The Contractor's actual costs.
3. The County Maximum Allowable rate, unless Director or designee approves in writing in the year end cost settlement, that use of the County Maximum Allowable rate was waived for settlement purposes.

B. Issuance of Findings. County's issuance of its pre-audit cost report settlement findings shall take place no later than one-hundred-twenty (120) calendar days after Contractor's submission of the original and final/reconciled cost reports.

C. Payment. In the event that Contractor adjustments based on any of the above methods indicate an amount due the County, Contractor shall pay County by direct payment within thirty (30) days or from deductions or withholding of future payments due to Contractor under this Agreement or a subsequent agreement, if any, at the sole discretion of the Behavioral Wellness Director or designee.

IX. AUDITS, AUDIT APPEALS AND POST-AUDIT MEDI-CAL FINAL SETTLEMENT.

A. Audit by Responsible Auditing Party. At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with State and Federal law including but not limited to WIC Section 14170 et seq., authorized representatives from the County, State or Federal governments (Responsible Auditing Party) may conduct an audit or site review of Contractor regarding the mental health services/activities provided under this Agreement.

B. Settlement. Settlement of the audit findings will be conducted according to the Responsible Auditing Party's procedures in place. In the case of a State Medi-Cal audit, the State and County will perform a post-audit Medi-Cal settlement that is based on State audit findings. Such settlement will take place when the State initiates its settlement action which customarily is after the issuance of the audit report by the State and before the State's audit appeal process. However, if the Responsible Auditing Party stays its collection of any amounts due or payable because of the audit findings, County will also stay its settlement of the same amounts due or payable until the Responsible Auditing Party initiates its settlement action with County. If an audit adjustment is appealed then the County may, at its own discretion, notify Contractor but stay collection of amounts due until resolution of the State administrative appeals process.

C. Invoice for Amounts Due. County shall issue an invoice to Contractor for any amount due to the County after the Responsible Auditing Party issues an audit report. The amount on the County invoice is due by Contractor to County thirty (30) calendar days from the date of the invoice.

D. Appeal. Contractor may appeal any such audit findings in accordance with the audit appeal process established by the Responsible Auditing Party performing the audit.

INDEMNIFICATION
AND
INSURANCE PROVISIONS

EXHIBIT C

Indemnification and Insurance Requirements

(For Professional Contracts version 2014 04 04)

INDEMNIFICATION

Contractor agrees to indemnify, defend (with counsel reasonably approved by County) and hold harmless County and its officers, officials, employees, agents and volunteers from and against any and all claims, actions, losses, damages, judgments and/or liabilities arising out of this Agreement from any cause whatsoever, including the acts, errors or omissions of any person or entity and for any costs or expenses (including but not limited to attorneys' fees) incurred by County on account of any claim except where such indemnification is prohibited by law. Contractor's indemnification obligation applies to County's active as well as passive negligence but does not apply to County's sole negligence or willful misconduct.

NOTIFICATION OF ACCIDENTS AND SURVIVAL OF INDEMNIFICATION PROVISIONS

Contractor shall notify County immediately in the event of any accident or injury arising out of or in connection with this Agreement. The indemnification provisions in this Agreement shall survive any expiration or termination of this Agreement.

INSURANCE

Contractor shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the Contractor, its agents, representatives, employees or subcontractors.

A. Minimum Scope of Insurance

Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including products-completed operations, personal & advertising injury, with limits no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.
2. **Automobile Liability:** ISO Form Number CA 00 01 covering any auto (Code 1), or if Contractor has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limit no less than \$1,000,000 per accident for bodily injury and property damage.
3. **Workers' Compensation:** as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.

4. **Professional Liability (Errors and Omissions):** Insurance appropriate to the Contractor's profession, with limit of no less than \$1,000,000 per occurrence or claim, \$2,000,000 aggregate.

If the Contractor maintains higher limits than the minimums shown above, the County requires and shall be entitled to coverage for the higher limits maintained by the Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the County.

B. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured** – County, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Contractor's insurance at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if a later edition is used).
2. **Primary Coverage** – For any claims related to this Agreement, the Contractor's insurance coverage shall be primary insurance as respects the County, its officers, officials, employees, agents and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees, agents or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.
3. **Notice of Cancellation** – Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the County.
4. **Waiver of Subrogation Rights** – Contractor hereby grants to County a waiver of any right to subrogation which any insurer of said Contractor may acquire against the County by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the County has received a waiver of subrogation endorsement from the insurer.
5. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the County. The County may require the Contractor to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
6. **Acceptability of Insurers** – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best's Insurance Guide rating of "A-VII".
7. **Verification of Coverage** – Contractor shall furnish the County with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the County before work commences. However, failure to obtain the required documents prior to the work

beginning shall not waive the Contractor's obligation to provide them. The Contractor shall furnish evidence of renewal of coverage throughout the term of the Agreement. The County reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, County has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by County as a material breach of contract.
9. **Subcontractors** – Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors.
10. **Claims Made Policies** – If any of the required policies provide coverage on a claims-made basis:
 - i. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
 - ii. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
 - iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Contractor must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.
11. **Special Risks or Circumstances** – County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. Contractor agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of County.
