SUBJECT: Agreement with Santa Barbara County Education Office for the Provision of Youth Employment and Training Services Pursuant to the Workforce Investment Act

Recommendation(s):

That the Board of Supervisors: Execute an agreement with the Santa Barbara County Education Office, a local vendor, to provide youth employment and training activities for the period July 1, 2002 through June 30, 2003, in an amount not to exceed \$797,000.

Alignment with Board Strategic Plan:

The recommendation is primarily aligned with Goal No. 7: Strengthen the Safety and Well-Being of Children and Their Families to Ensure a Strong Future for our Community.

Executive Summary and Discussion:

The Workforce Investment Act targets low-income youths who are basic-skills deficient, handicapped, in foster care or homeless, are parenting teens, and/or who have been involved in the juvenile justice system. Unlike its predecessor programs, WIA youth activities combine summer and year-round activities. The contractor is a long-time provider of youth employment and training services and was selected through a competitive proposal process by the Workforce Investment Board and its Youth Council. Program activities are subject to performance standards developed by the U.S. Department of Labor for employment outcomes, educational attainments, and skill acquisitions.

Mandates and Service Levels:

Services to be provided under this Agreement are in conformance with Section 664 of the Final Federal Regulations governing Youth Activities under the Workforce Investment Act (August 11, 2000). The 275 youth enrollments shown are for both summer and year-round activities.

Fiscal and Facilities Impacts:

Approval and execution of this one-year contract will result in direct contract expenditures of no more than \$797,000 in Fiscal Year 2002/03. Appropriations for this year's amount are included in the approved 2002/2003 Budget. Funding comes from the Workforce Investment Act (WIA) allocation received from the Employment Development Department. The revenues and the appropriations for this Contract as well as our entire WIA program are included in the Workforce Investment Act cost center of the Public Assistance Programs Division shown on page D200 of the budget. This program requires no County funds as it is 100% funded by federal funds.
