WHEREAS, in November 2004, California voters passed Proposition 63, which imposed a 1% tax on adjusted annual income over \$1,000,000 and was enacted into law in 2005 as the Mental Health Services Act (MHSA) whose purpose is to reduce the long-term adverse impact on individuals, families and state and local budgets resulting from untreated serious mental illness; and

WHEREAS, the County of San Bernardino Behavioral Health Department submitted to the Department of Mental Health a Regional Partnership application on behalf of the Southern Counties to request funds to implement and operate a Regional Partnership; and

WHEREAS, in July 2012, the MHSA Workforce Education and Training (WET) programs were transferred from the California Department of Mental Health to Office of Statewide Health Planning and Development (OSHPD); and

WHEREAS, Welfare and Institutions Code section 5820 requires OSHPD, in coordination with the California Mental Health Planning Council, to determine the statewide need for mental health professionals, and to develop a five-year education and training development plan targeted at meeting these needs; and

WHEREAS, Regional Partnerships are set forth in Section 5822 of the Welfare and Institutions Code as an important workforce strategy to assist the Public Mental Health system in its efforts to expand outreach to multicultural communities, increase the diversity of the workforce, reduce the stigma associated with mental illness and promote the use of web-based technologies and distance learning techniques; and

WHEREAS, the Southern Counties Regional Partnership (SCRP) application was approved by the Department of Mental Health on February 17, 2009; and

WHEREAS, the County of Santa Barbara Department of Behavioral Wellness (BeWell), formerly known as the Department of Alcohol, Drug, and Mental Health Services (ADMHS), began serving as the fiscal agent for the Regional Partnership pursuant to the terms of the Memorandum of Understanding (MOU) entered into amongst the SCRP members, the initial term of which was December 2, 2014 through September 30, 2017 and which automatically renewed on an annual basis subject to available funding; and

WHEREAS, funds have remained and BeWell has continued to serve as the fiscal agent for SCRP upon the annual appointment by the SCRP members; and

WHEREAS, in January 2019, the California Behavioral Health Planning Council (CBHPC) approved the 2020-2025 MHSA WET Five-Year Plan (WET Plan). The WET Plan reflects best practices and frames a workforce development continuum ranging from grades K-12 through clinical graduate or medical school with increased coordination at the local level. The WET Plan also serves as a guide for WET programming in Fiscal Year (FY) 2020-21 through FY 2025-26; and

WHEREAS, on May 13, 2020 the SCRP members voted in favor of BeWell submitting a grant application on behalf of the SCRP for this grant opportunity which will result in a 6-year agreement with the SCRP and OSHPD for \$15,340,829 to fund programs that oversee training and support to the Public Mental Health System (PMHS) workforce in the southern region, consisting of \$11,534,457 in grant funds and a match by the SCRP members in the amount of \$3,806,371; and

WHEREAS, this First Amendment to the MOU reaffirms the collaborative relationship between all of the Southern Counties to conduct the activities outlined in the Regional Partnership application.
