\*A revision to FY 2022-23 has been made to include payments for liability self-insurance premiums made to PRISM. This revision affects the amount reported as paid to PRISM from the County Executive Office County Liability-Self Insurance Fund.

**Analysis:** The charts above display the total payments made to the top 10 vendors with payments greater than \$200,000 in the current and prior FY for comparison. Significant changes were primarily due to the following:

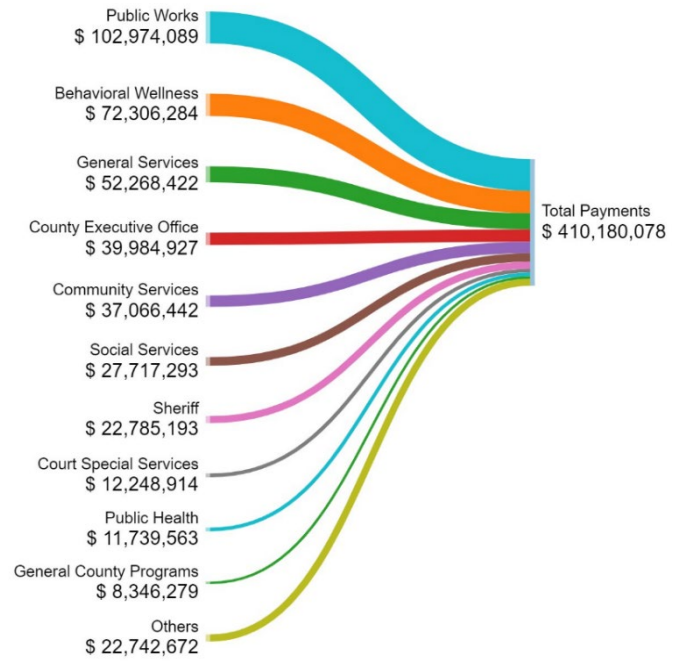

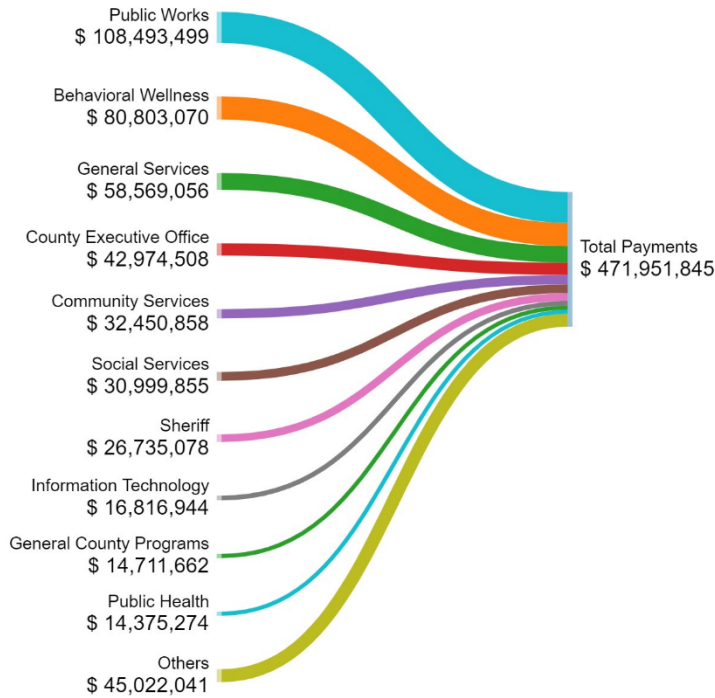

- Payments to the California Department of Health Care Services increased by 2,426% primarily due to a newly ratified intergovernmental transfer agreement for the organized delivery of substance use disorder treatment services to eligible Medi-Cal members. Also known as Drug Medi-Cal Organized Delivery System (DMC-ODS) and Specialty Mental Services (SMHS).
- Payments to Edwards Construction Group Inc increased 1,931% due to construction of the Emergency Operations & Regional Fire Communications Center on Cathedral Oaks Rd (Board Contract (BC) 22244).
- Payments to W.M. Lyles Co decreased by 57% due to a decrease in spending towards a plant upgrade for Laguna County Sanitation District (BC20122).
- Payments to Good Samaritan Shelter Inc increased 37% due to an increase for alcohol, drug and mental health treatment services for the County's unhoused population (BC21031).
- Payments to California Forensic Medical Group Inc increased by 17% due to increased expenditures related to healthcare for inmates and detainees (BC17237).

\*A revision to FY 2022-23 has been made to include payments for liability self-insurance premiums made to PRISM. This revision affects the amount reported as paid to PRISM from the County Executive Office County Liability-Self Insurance Fund.

**Analysis:** The charts above display the top 10 departments with vendor payments greater than \$200,000 in the current and prior FY for comparison. Differences were primarily due to the following:

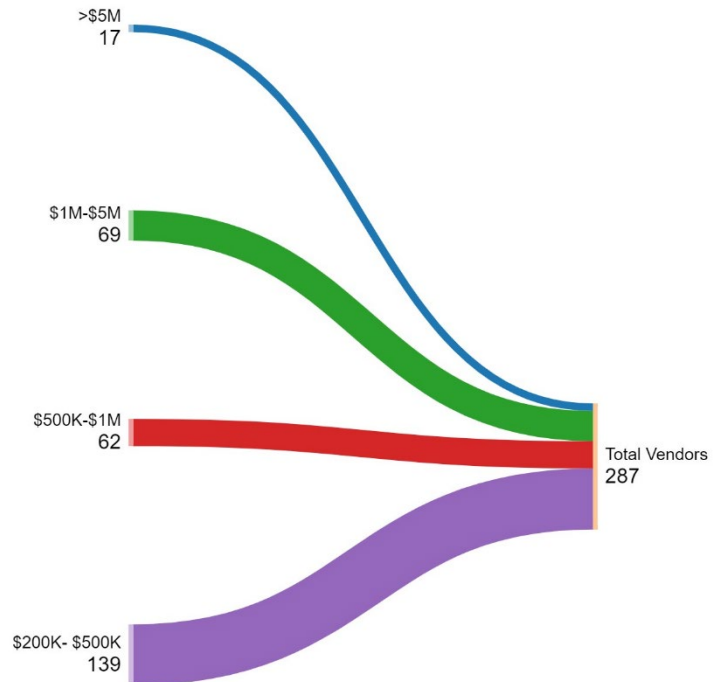

- General County Programs expenditures increased 76% for the construction of the Emergency Operations & Regional Fire Communications Center on Cathedral Oaks Road (BC22244).
- Public Health expenditures increased 22% primarily due to an increase in expenditures for pharmaceuticals from Amerisourcebergen Drug Corp.
- Sheriff expenditures increased 17% primarily due to an increase in expenditures to:
  - Enterprise Fleet Management (BC21197).
  - Healthcare & meals for inmates in jail & detainees in custody (BC17237, BC19226, BC21205).
- Community Services expenditures decreased 12% primarily due to the near completion of three contracts with United Way for emergency rental assistance under the Federal American Rescue Plan Act (BC20243, BC21118 & BC21266).
- Information Technology, which was previously in General Services, became a standalone department on July 1, 2023.
