To whom it may concern,

I am writing this letter on behalf of the Ramirez family who live on the 200 block of Stansbury Dr. For the past eight years my family and I have lived at 235 Cain Dr, the house directly behind the Ramirez family.

In the two years the Ramirez' have lived there they have been very good neighbors. They seem to be a very close and hard working family who are just trying to live their lives in a home they own. I have no complaints about their house or additions that were done to the house. The additions were on the house when we moved in over eight years ago, long before the Ramirez' moved in. I have never had any problems or complaints of noise or loud parties.

In conclusion, I think the Ramirez family should have the right to live in their house peacefully free from hassle from neighbors or anybody else.

Sincerely,

A handwritten signature in cursive script that reads "Dean Cooper". The signature is written in black ink and is positioned below the word "Sincerely,".

To Whom It May Concern

I am writing this on behalf of Raul and Jonita Ramirez and their family.

The Ramirez family were my next door neighbors in the 500 block of North Lincoln Street, Santa Maria, CA. for approximately 8 or 9 years.

During the period of time we were next door neighbors I gained the utmost respect for the family. They were always very courteous and respectful to me and anyone I observed around them.

I was personally

impressed and grateful that the family was considerate of the neighbors. They never interfered in anyone's business. They did not play loud music or have lots of cars parked near our residences creating a nuisance. They took pride in their home and yard. I consider the family to be highly ethical and responsible people.
