RE: Your July 15, 2008 Agenda, Item #11
AB 2686: Myths and Facts: **Correction to Earlier Letter**

Dear Chair Carbajal and Members of the Board of Supervisors:

I am writing to correct one statement in my July 11 letter.

I have learned that the LAFCO board voted unanimously on May 1 to conceptually support AB 2686 in a motion made by Supervisor Wolf and seconded by Commissioner Orach. On July 3, the item was removed from the agenda and continued to a future meeting on a motion made by Supervisor Firestone and seconded by Commissioner Orach.

Thank you.

Sincerely,

Steven A. Amerikaner
