Re: 2022 CSAC Challenge Awards

To whom it may concern:

The County of Santa Barbara is submitting six applications for consideration by the Challenge Award judging panel. The entries are as follows:

County Executive Office: Renew 22
County Executive Office: Health and Human Services Plan
Public Works: The Montecito Community Trails Partnership
Emergency Management: Radio Ready Program
Community Services Department: Encampment Response Strategy Program
Sheriff: Law Enforcement Collaborative on Mental Health

I am authorizing these entries into the Challenge Awards competition and enclosed is an entry fee check totaling \$600.00. I look forward to seeing the innovative initiatives from other counties. Thank you for this opportunity.

Sincerely,

Mona Miyasato
