3. SCOPE OF SERVICES.

Contractor agrees to provide services to County in accordance with EXHIBITS A(s) and E(s) attached hereto and incorporated herein by reference.

4. TERM.

Contractor shall commence performance on 07/01/2025 and end performance upon completion, but no later than 06/30/2026 unless otherwise directed by County or unless earlier terminated.

5. COMPENSATION OF CONTRACTOR.

In full consideration for Contractor's services, Contractor shall be paid for performance under this Agreement in accordance with the terms of EXHIBIT B(s) attached hereto and incorporated herein by reference.

6. INDEPENDENT CONTRACTOR.

It is mutually understood and agreed that Contractor (including any and all of its officers, agents, and employees), shall perform all of its services under this Agreement as an independent Contractor as to County and not as an officer, agent, servant, employee, joint venturer, partner, or associate of County. Furthermore, County shall have no right to control, supervise, or direct the manner or method by which Contractor shall perform its work and function. However, County shall retain the right to administer this Agreement so as to verify that Contractor is performing its obligations in accordance with the terms and conditions hereof. Contractor understands and acknowledges that it shall not be entitled to any of the benefits of a County employee, including but not limited to vacation, sick leave, administrative leave, health insurance, disability insurance, retirement, unemployment insurance, workers' compensation and protection of tenure. Contractor shall be solely liable and responsible for providing to, or on behalf of, its employees all legally-required employee benefits. In addition, Contractor shall be solely responsible and save County harmless from all matters relating to payment of Contractor's employees, including compliance with Social Security withholding and all other regulations governing such matters. It is acknowledged that during the term of this Agreement, Contractor may be providing services to others unrelated to the County or to this Agreement.

7. STANDARD OF PERFORMANCE.

Contractor represents that it has the skills, expertise, and licenses/permits necessary to perform the services required under this Agreement. Accordingly, Contractor shall perform all such services in the manner and according to the standards observed by a competent practitioner of the same profession in which Contractor is engaged. All products of whatsoever nature, which Contractor delivers to County pursuant to this Agreement, shall be prepared in a first class and workmanlike manner and shall conform to the standards of quality normally observed by a person practicing in Contractor's profession. Contractor shall correct or revise any errors or omissions, at County's request without additional compensation. Permits and/or licenses shall be obtained and maintained by Contractor without additional compensation.

8. DEBARMENT AND SUSPENSION.

- A.** Contractor certifies to County that it and its employees and principals are not debarred, suspended, or otherwise excluded from or ineligible for, participation in federal, state, or county government contracts. Contractor certifies that it shall not contract with a subcontractor that is so debarred or suspended.
- B.** Contractor shall also comply with the debarment and suspension provisions set forth in EXHIBIT A-1 General Provisions: MHS to this Agreement.

9. TAXES.

Contractor shall pay all taxes, levies, duties, and assessments of every nature due in connection with any work under this Agreement and shall make any and all payroll deductions required by law. County shall not be responsible for paying any taxes on Contractor's behalf, and should County be required to do so by state, federal, or local taxing agencies, Contractor agrees to promptly reimburse County for the full value of such paid taxes plus interest and penalty, if any. These taxes shall include, but not be limited to, the following: FICA (Social Security), unemployment insurance contributions, income tax, disability insurance, and workers' compensation insurance.

10. CONFLICT OF INTEREST.

- A.** Contractor covenants that Contractor presently has no employment or interest and shall not acquire any employment or interest, direct or indirect, including any interest in any business, property, or source of income, which would conflict in any manner or degree with the performance of services required to be performed under this Agreement. Contractor further covenants that in the performance of this Agreement, no person having any such interest shall be employed by Contractor. Contractor must promptly disclose to County, in writing, any potential conflict of interest. County retains the right to waive a conflict of interest disclosed by Contractor if County determines it to be immaterial, and such waiver is only effective if provided by County to Contractor in writing.
- B.** Contractor shall also comply with the conflict of interest provisions set forth in EXHIBIT A-1 General Provisions: MHS to this Agreement.

11. OWNERSHIP OF DOCUMENTS AND INTELLECTUAL PROPERTY.

- A.** County shall be the owner of the following items incidental to this Agreement upon production, whether or not completed: all data collected, all documents of any type whatsoever, all photos, designs, sound or audiovisual recordings, software code, inventions, technologies, and other materials, and any material necessary for the practical use of such items, from the time of collection and/or production whether or not performance under this Agreement is completed or terminated prior to completion. Contractor shall not release any of such items to other parties except after prior written approval of County.
- B.** Unless otherwise specified in Exhibit A(s), Contractor hereby assigns to County all copyright, patent, and other intellectual property and proprietary rights to all data, documents, reports, photos, designs, sound or audiovisual recordings, software code, inventions, technologies, and other materials prepared or provided by Contractor pursuant to this Agreement (collectively referred to as "Copyrightable Works and Inventions"). County shall have the unrestricted authority to copy, adapt, perform, display, publish, disclose, distribute, create derivative works from, and otherwise use in whole or in part, any Copyrightable Works and Inventions. Contractor agrees to take such actions and execute and deliver such documents as may be needed to validate, protect and confirm the rights and assignments provided hereunder. Contractor warrants that any Copyrightable Works and Inventions and other items provided under this Agreement will not infringe upon any intellectual property or proprietary rights of any third party. Contractor at its own expense shall defend, indemnify, and hold harmless County against any claim that any Copyrightable Works or Inventions or other items provided by Contractor hereunder infringe upon intellectual or other

proprietary rights of a third party, and Contractor shall pay any damages, costs, settlement amounts, and fees (including attorneys' fees) that may be incurred by County in connection with any such claims. This Ownership of Documents and Intellectual Property provision shall survive expiration or termination of this Agreement.

12. NO PUBLICITY OR ENDORSEMENT.

Contractor shall not use County's name or logo or any variation of such name or logo in any publicity, advertising or promotional materials. Contractor shall not use County's name or logo in any manner that would give the appearance that the County is endorsing Contractor. Contractor shall not in any way contract on behalf of or in the name of County. Contractor shall not release any informational pamphlets, notices, press releases, research reports, or similar public notices concerning the County or its projects, without obtaining the prior written approval of County.

13. COUNTY PROPERTY AND INFORMATION.

All of County's property, documents, and information provided for Contractor's use in connection with the services shall remain County's property, and Contractor shall return any such items whenever requested by County and whenever required according to the Termination section of this Agreement. Contractor may use such items only in connection with providing the services. Contractor shall not disseminate any County property, documents, or information without County's prior written consent.

14. RECORDS, AUDIT, AND REVIEW.

- A. Contractor shall keep such business records pursuant to this Agreement as would be kept by a reasonably prudent practitioner of Contractor's profession and shall maintain such records for at least four (4) years following the expiration or termination of this Agreement. All accounting records shall be kept in accordance with generally accepted accounting principles. County shall have the right to audit and review all such documents and records at any time during Contractor's regular business hours or upon reasonable notice. In addition, if this Agreement exceeds ten thousand dollars (\$10,000.00), Contractor shall be subject to the examination and audit of the California State Auditor, at the request of County or as part of any audit of County, for a period of three (3) years after final payment under this Agreement. (Gov. Code, § 8546.7.)
- B. Contractor shall also comply with the records, audit, and review provisions set forth in EXHIBIT A-1 General Provisions: MHS to this Agreement.
- C. Contractor shall participate in any audit and review, whether by federal, state, or County governments, or their designees, at no charge to the auditing and reviewing entity. If federal, state, or County audit exceptions are made relating to this Agreement, Contractor shall reimburse the amount of the audit exceptions and all costs incurred by federal, state, and/or County governments associated with defending against the audit exceptions or performing any audits or follow-up audits including, but not limited to: audit fees, court costs, attorneys' fees based upon a reasonable hourly amount for attorneys in the community, travel costs, penalty assessments, and all other costs of whatever nature. Immediately upon notification from County, Contractor shall reimburse the amount of the audit exceptions and any other related costs directly to

County as specified by County in the notification. This Records, Audit, and Review provision shall survive expiration or termination of this Agreement.

15. INDEMNIFICATION AND INSURANCE.

Contractor agrees to and shall comply with the indemnification and insurance provisions as set forth in EXHIBIT C Indemnification and Insurance Requirements attached hereto and incorporated herein by reference.

16. NONDISCRIMINATION.

- A. County hereby notifies Contractor that County's Unlawful Discrimination Ordinance (Article XIII of Chapter 2 of the Santa Barbara County Code) applies to this Agreement and is incorporated herein by this reference with the same force and effect as if the ordinance were specifically set out herein and Contractor agrees to comply with said ordinance.
- B. Contractor shall also comply with the nondiscrimination provisions set forth in EXHIBIT A-1 General Provisions: MHS to this Agreement.

17. NONEXCLUSIVE AGREEMENT.

Contractor understands that this is not an exclusive Agreement and that County shall have the right to negotiate with and enter into contracts with others providing the same or similar services as those provided by Contractor as the County desires.

18. NON-ASSIGNMENT.

Contractor shall not assign, transfer or subcontract this Agreement or any of its rights or obligations under this Agreement without the prior written consent of County and any attempt to so assign, subcontract or transfer without such consent shall be void and without legal effect and shall constitute grounds for termination.

19. TERMINATION.

- A. **By County.** County may, by written notice to Contractor, terminate this Agreement in whole or in part at any time, whether for County's convenience, for nonappropriation of funds, or because of the failure of Contractor to fulfill the obligations herein.
 - 1. **For Convenience.** County may terminate this Agreement in whole or in part upon thirty (30) days written notice. During the thirty (30) day period, Contractor shall, as directed by County, wind down and cease its services as quickly and efficiently as reasonably possible, without performing unnecessary services or activities and by minimizing negative effects on County from such winding down and cessation of services.
 - 2. **For Nonappropriation of Funds.** Notwithstanding any other provision of this Agreement, in the event that no funds or insufficient funds are appropriated or budgeted by federal, state or County governments, or funds are not otherwise available for payments in the fiscal year(s) covered by the term of this Agreement, then County will notify Contractor of such occurrence and County may terminate or suspend this Agreement in whole or in part, with or without a prior notice period. Subsequent to termination of this Agreement under this provision, County shall have no obligation to make payments with regard to the remainder of the term.

3. **For Cause.** Should Contractor default in the performance of this Agreement or materially breach any of its provisions, County may, at County's sole option, terminate or suspend this Agreement in whole or in part by written notice. Upon receipt of notice, Contractor shall immediately discontinue all services affected (unless the notice directs otherwise) and notify County as to the status of its performance. The date of termination shall be the date the notice is received by Contractor, unless the notice directs otherwise.

B. By Contractor. Should County fail to pay Contractor all or any part of the payment set forth in EXHIBIT B(s), Contractor may, at Contractor's option terminate this Agreement if such failure is not remedied by County within thirty (30) days of written notice to County of such late payment.

C. Upon Expiration or Termination. Upon expiration or termination of this Agreement, Contractor shall deliver to County all data, estimates, graphs, summaries, reports, and all other property, records, documents or papers as may have been accumulated or produced by Contractor in performing this Agreement, whether completed or in process, except such items as County may, by written permission, permit Contractor to retain. Notwithstanding any other payment provision of this Agreement, County shall pay Contractor for satisfactory services performed to the date of termination to include a prorated amount of compensation due hereunder less payments, if any, previously made. In no event shall Contractor be paid an amount in excess of the full price under this Agreement nor for profit on unperformed portions of service. Contractor shall furnish to County such financial information as in the judgment of County is necessary to determine the reasonable value of the services rendered by Contractor. In the event of a dispute as to the reasonable value of the services rendered by Contractor, the decision of County shall be final. The foregoing is cumulative and shall not affect any right or remedy which County may have in law or equity.

20. SUSPENSION FOR CONVENIENCE.

The Director of the Department of Behavioral Wellness or designee may, without cause, order Contractor in writing to suspend, delay, or interrupt the services under this Agreement in whole or in part for up to one hundred twenty (120) days. County shall incur no liability for suspension under this provision and suspension shall not constitute a breach of this Agreement.

21. SECTION HEADINGS.

The headings of the several sections, and any Table of Contents appended hereto, shall be solely for convenience of reference and shall not affect the meaning, construction or effect hereof.

22. SEVERABILITY.

If any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions hereof, and such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

23. REMEDIES NOT EXCLUSIVE.

No remedy herein conferred upon or reserved to County is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall

be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

24. TIME IS OF THE ESSENCE.

Time is of the essence in this Agreement and each covenant and term is a condition herein.

25. NO WAIVER OF DEFAULT.

No delay or omission of County to exercise any right or power arising upon the occurrence of any event of default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Agreement to County shall be exercised from time to time and as often as may be deemed expedient in the sole discretion of County.

26. ENTIRE AGREEMENT AND AMENDMENT.

In conjunction with the matters considered herein, this Agreement contains the entire understanding and agreement of the parties and there have been no promises, representations, agreements, warranties or undertakings by any of the parties, either oral or written, of any character or nature hereafter binding except as set forth herein. This Agreement may be altered, amended or modified only by an instrument in writing, executed by the parties to this Agreement and by no other means. Each party waives their future right to claim, contest or assert that this Agreement was modified, canceled, superseded, or changed by any oral agreements, course of conduct, waiver or estoppel. Requests for changes to the terms and conditions of this Agreement after April 1 of the fiscal year for which the change would be applicable shall not be considered. All requests for changes shall be in writing. Changes shall be made by an amendment pursuant to this section. Notwithstanding any other provision of this Agreement, any amendments or modifications that do not materially change the terms of this Agreement (such as changes to the Designated Representative or Contractor's address for purposes of Notice) or that are authorized by the County of Santa Barbara Board of Supervisors may be approved by the Director of the Department of Behavioral Wellness or designee in writing and shall constitute an amendment or modification of this Agreement upon execution by the Director of the Department of Behavioral Wellness or designee.

27. SUCCESSORS AND ASSIGNS.

All representations, covenants and warranties set forth in this Agreement, by or on behalf of, or for the benefit of any or all of the parties hereto, shall be binding upon and inure to the benefit of such party, its successors and assigns.

28. COMPLIANCE WITH LAW.

Contractor shall, at its sole cost and expense, comply with all federal, state, and local ordinances; statutes; regulations; orders including, but not limited to, executive orders, court orders, and health officer orders; policies; guidance; bulletins; information notices; and letters including, but not limited to, those issued by the California Department of Health Care Services (DHCS) now in force or which may hereafter be in force with regard to this Agreement. The judgment of any court of competent jurisdiction, or the admission of Contractor in any action or proceeding against Contractor, whether County is a party thereto or not, that Contractor has violated any such ordinance, statute, regulation, order, policy, guidance, bulletin, information notice, and/or letter shall be conclusive of that fact as between Contractor and County.

29. CALIFORNIA LAW AND JURISDICTION.

This Agreement shall be governed by the laws of the State of California. Any litigation regarding this Agreement or its contents shall be filed in the County of Santa Barbara, if in state court, or in the federal district court nearest to Santa Barbara County, if in federal court.

30. EXECUTION OF COUNTERPARTS.

This Agreement may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original; and all such counterparts, or as many of them as the parties shall preserve undestroyed, shall together constitute one and the same instrument.

31. AUTHORITY.

All signatories and parties to this Agreement warrant and represent that they have the power and authority to enter into this Agreement in the names, titles and capacities herein stated and on behalf of any entities, persons, or firms represented or purported to be represented by such entity(ies), person(s), or firm(s) and that all formal requirements necessary or required by any state and/or federal law in order to enter into this Agreement have been fully complied with. Furthermore, by entering into this Agreement, Contractor hereby warrants that it shall not have breached the terms or conditions of any other contract or agreement to which Contractor is obligated, which breach would have a material effect hereon.

32. SURVIVAL.

All provisions of this Agreement which by their nature are intended to survive the termination or expiration of this Agreement shall survive such termination or expiration.

33. PRECEDENCE.

In the event of conflict between the provisions contained in the numbered sections of this Agreement and the provisions contained in the Exhibits, the provisions of the Exhibits shall prevail over those in the numbered sections.

34. UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS FOR FEDERAL AWARDS.

- A. Contractor shall comply with the requirements of 2 Code of Federal Regulations (C.F.R.) parts 200 and 300 and 45 Code of Federal Regulations part 75, which are incorporated herein by reference.

35. MANDATORY DISCLOSURES.

SOUTH COMMUNITY
FULL SERVICE PARTNERSHIP (FSP)

1. **PROGRAM SUMMARY.** The South Community Full Service Partnership (FSP) Services Program (hereafter Program) shall provide individuals who are 18 years of age or older and in mental health crisis 24 hours, 7 days a week, 365 days a year response outpatient mental health service. The Program shall deliver treatment, rehabilitative and supportive services to members "in vivo" in regular community settings (e.g., home, apartment, job site) through a full-service partnership (FSP) model. Program members have significant personal difficulties functioning in major life domains such as maintaining affordable safe and stable housing, meaningful daily pursuits such as employment and job placement as well as satisfying interpersonal relationships. The role of the FSP Team, is to address the rehabilitation needs of members in these key domain areas so as to stabilize their housing and enhance the wellbeing of the members. This Program requires a flexible approach to program delivery using a whatever-it- takes principle. The Program will be headquartered at.
 - A. 901 Olive Street, Santa Barbara California.
2. **PROGRAM GOALS.**
 - A. Build relationships with members based on mutual trust and respect.
 - B. Offer individualized assistance to members, emphasizing a comprehensive bio- psychosocial process of assessment, gathered and documented over time through listening to and learning about each member's subjective experiences.
 - C. Adopt a no-reject approach to members. Members are not terminated from Program services if they express anger and frustration with current or past services, or if they do not "follow the rules," if they do not "fit in." Instead, such statements or actions offer an opportunity for staff to learn more about each member and his or her experiences with services, with the effects of mental illness and with general life circumstances.
 - D. Meet members at their stage of treatment readiness. While members are asked to commit to actively working with the team, they are not required to be abstinent from alcohol or other drugs. Housing placements are made in both alcohol and drug free community settings and in settings that do not require abstinence. In working with people who continue to use alcohol or drugs, an emphasis is placed on harm reduction and encouraging the adoption of lifestyle changes that will not jeopardize their housing.
 - E. Understand and use the strengths of the local culture in service delivery to members. The FSP Team's assessment, treatment planning and service delivery should be consistent with the resources and practices of each member's racial and ethnic community.
 - F. Provide continuity of member support across time. The frequency and type of supports can readily be adjusted in response to members' changing needs or life situations. As a member's goals and preferences change, Contractor's staff follows along as the member "sets the pace."

- G. Use a flexible approach to member service delivery. Program staff shall spend most of their time with members in the community, offering side by side, “hands on” support to members who may need help to gain greater control and management of their lives. Adhering to the principle of “whatever-it- takes,” the FSP Team helps prevent mental illness from being the driving force in members’ lives. Service delivery in office or clinic settings should be minimized.
 - H. Operate as a cohesive team responsible for delivery of most services required by members with minimal referral to a variety of different programs, though County Psychiatrists will have overall accountability for the psychiatric treatment of Program members. Whenever a provider outside the Program is needed (e.g., physical health care), the Program is responsible for making certain that members receive the required services.
 - I. Consistent with each member’s preferences and wishes, support family members and others with whom the member has significant relationships and assure special consideration to the needs of members who are parents and to the needs of their minor children.
 - J. Provide services as long as they are medically needed, not based on predetermined timelines.
3. **SERVICES.** The Program shall provide an appropriate combination of services to meet each member’s specific needs and preferences, and to assist each member in achieving and sustaining recovery. Services may include:
- A. **Care Management.** Care Management is a core function provided within the Program. Care management activities are led by one FSP Team member, known as the “primary care manager”. The primary care manager coordinates and monitors the activities of the Program staff who have shared ongoing responsibility to assess, plan, and deliver treatment, rehabilitation and support services to each member. This will include consulting and collaborating with other team members who may be providing support to a member (i.e., a substance abuse specialist may provide services in addition to the primary care manager). The primary care manager:

Services may be provided in collaboration with Mobile Crisis, as appropriate. However, Mobile Crisis shall augment, not substitute for, Contractor on-call telephone and face-to-face responsibility.
- C. Supportive Community Services.** The Program shall provide housing services and support to help members obtain and keep housing consistent with their recovery objectives. The FSP Team shall be familiar with the availability and workings of affordable housing programs. These activities may include:

2. Education of the member regarding his or her illness and the effects and side effects of prescribed medication, where appropriate;

These may include specific cognitive behavioral strategies directed at fostering feelings of self-control;

5. Generous psychological support to each member, provided both on a planned and as-needed basis, to help the member accomplish personal goals and cope with the stress of everyday living.

 - iii. For day programs, Contractor shall implement procedures to monitor bed occupancy including the submission of monthly reports on bed vacancies and reasons for vacancies. Reports shall detail the dates of member discharges and the date the notifications were provided to the County. Reports will be due within 30 calendar days following the end of the reporting month.
- 3. For Medi-Cal Full Service Partnership Programs, County will provide Contractor with an incentive payment at fiscal year-end should the following deliverables be achieved. The incentive payment will be equal to an additional 6% of total approved Medi-Cal claims (6% FSP QA claim) and will be payable upon proof of completion of deliverables and conclusion of regular Medi-Cal claiming for the fiscal period. The incentive payment will not be applied to unclaimed and/or denied services. Documentation must be maintained to substantiate completion of the deliverables.
 - i. FSP QA deliverables include:
 - a. Contractor will report quarterly on additional member outcomes concerning specific, measurable outcomes for members engaged in purposeful activities. Exact additional outcomes will be determined by Contractor and BWell director or designee.
 - b. Contractor will create annual report that measures growth in member's engagement in purposeful activity.
 - c. Contractor will attend monthly meetings in which Contractor and County will conduct a consistent review of members who have been in the programs for two years or longer and do a case review to see which level of care they need.
 - d. Contractor will report the results of the monthly utilization reviews on a quarterly basis to County.
- 1. The Behavioral Wellness Director or designee may reallocate between the contract allocations on the Exhibit B-1 MHS at his/her discretion to increase or decrease the incentive payment. Reallocation of the contract allocations does not alter the Maximum Contract Amount and does not require an amendment to this Agreement.

VI. ACCOUNTING FOR REVENUES.

- A. Accounting for Revenues.** Contractor shall comply with all County, State, and Federal requirements and procedures, including, but not limited to, those described in California Welfare and Institutions Code (WIC) Sections 5709, 5710 and 14710, relating to: (1) the determination and collection of patient/member fees for services hereunder based on Uniform Method for Determining Ability to Pay (UMDAP), (2) the eligibility of patients/members for Medi-Cal, Medicare, private insurance, or other third party revenue, and (3) the collection, reporting and deduction of all patient/member and other revenue for patients/members receiving services hereunder. For Non-Medi-Cal programs, grants, and any other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor shall also be accounted for in the Operating Budget.
- B. Internal Procedures.** Contractor shall maintain internal financial controls which adequately ensure proper billing and collection procedures. Contractor shall pursue payment from all potential sources in sequential order, with Medi-Cal as payor of last resort. All fees paid by or on behalf of patients/members receiving services under this Agreement shall be utilized by Contractor only for the delivery of service units specified in the Exhibit A(s) to this Agreement.

VII. REALLOCATION OF PROGRAM FUNDING.

Funding is limited by program to the amount specified in Exhibit B-1-MHS. Contractor cannot move funding between programs without explicit approval by Behavioral Wellness Director or designee. Contractor shall make written application to Behavioral Wellness Director or designee, in advance and no later than April 1 of each Fiscal Year, to reallocate funds as outlined in Exhibit B-1-MHS between programs, for the purpose of meeting specific program needs or for providing continuity of care to its members. Contractor's application shall include a narrative specifying the purpose of the request, the amount of said funds to be reallocated, and the sustaining impact of the reallocation as may be applicable to future years. The Behavioral Wellness Director's or designee decision of whether to allow the reallocation of funds shall be in writing to Contractor prior to implementation by Contractor. The Behavioral Wellness Director or designee also reserves the right to reallocate between programs in the year-end settlement and will notify Contractor of any reallocation during the settlement process.

VIII. BILLING AND PAYMENT PROCEDURES AND LIMITATIONS.

A. Submission of Claims and Invoices.

1. **Submission of Claims for Medi-Cal Services.** Services are to be entered into SmartCare based on timeframes prescribed in the Behavioral Wellness Clinical Documentation Manual. Late service data and claims may only be submitted in accordance with State and federal regulations. Behavioral Wellness shall provide to Contractor a report that: i) summarizes the Medi-Cal services approved to be claimed for the month, multiplied by the negotiated fee in effect at the time of service, ii) states the amount owed by County, and iii) includes the Agreement number.

Contractor agrees that it shall be solely liable and responsible for all data and information submitted to the County and submitted by the County to the State on behalf of Contractor.

If any services in the monthly Medi-Cal claim for the Contractor are denied by DHCS then these will be deducted from the subsequent monthly claim at the same value for which they were originally claimed. In the event that the State denies payment for services provided under this contract and such denial is later determined to be the result of inappropriate adjudication by the State, the County reserves the right to issue a credit to the Contractor for the denied services at the rates identified in Exhibit B-1 and B-3 MHS.

2. Submission of Claims for Medicare Services.

- i. **Provider Enrollment.** Contractors that provide service to members that are eligible for both Medicare and Medi-Cal (AKA Medi-Medi) shall have Medicare eligible practitioner types enrolled in the Medicare program. The following are Medicare eligible licensed practitioners that provide service to County programs in this Agreement and must be enrolled in the Medicare program: Marriage and Family Therapist, Clinical Psychologist, Clinical Social Worker, Professional Clinical Counselor, Nurse Practitioner, Physician Assistant, and Medical Doctor. If any of the Contractor's eligible licensed practitioners have submitted a Medicare "Opt-Out" affidavit and are therefore opted-out of Medicare, these practitioners' services cannot be billed to Medicare and are not billable to Medi-Cal. *Opted-Out Medicare eligible practitioners are therefore ineligible service providers for Medi-Medi members.*
- ii. **Medi-Medi.** The County won't assume financial responsibility or reimburse for services provided to Medi-Medi members by ineligible service providers due to opting out of Medicare.
- iii. **Member Medicare Eligibility.** Contractor is responsible for identifying Medicare as a payor in the SmartCare EHR system. County only assumes financial responsibility for members that are dual eligible for Medicare and Medi-Cal. Services provided to members who have only Medicare, but not Medi-Cal are not eligible for reimbursement under this Agreement.
- iv. **Claims Adjudication.** For Medi-Medi member services, Contractor has the option to claim services to the Medicare fiscal intermediary directly or have the County process dual eligible claims on their behalf. If Contractor chooses to bill Medicare directly, Contractor is solely responsible to ensure proper Medicare registration and maintenance of such. Contractor shall notify Behavioral Wellness Fiscal within 30 days of the beginning of the contract term whether they want County to bill Medicare on their behalf. If the Contractor opts to bill the Medicare fiscal intermediary directly then they shall provide the County with Medicare claim(s) adjudication data which would allow the County to submit a crossover claim to the State Department of Health Care Services for the Medi-Cal adjudication and payment. If Contractor opts to bill Medicare directly then the claims adjudication data would be due monthly to Behavioral Wellness within 15 days following the close of each month.
- v. **Submission of Claims for Medicare Services.** For Medi-Medi member services, services are to be entered into the SmartCare EHR system based on timeframes prescribed in the Behavioral Wellness Clinical Documentation

Manual. Late service data and claims may only be submitted in accordance with State and federal regulations. Contractor agrees that it shall be solely liable and responsible for all data and information submitted to the County and submitted by the County to the State on behalf of Contractor.

- vi. **Claims Processing and Payment.** Services provided to members who are eligible for Medicare and Medi-Cal (Medi-Medi) will be claimed based on the guidelines outlined in the DHCS Billing Manual and Centers for Medicare & Medicaid Services (CMS) guidance. Contractor will be reimbursed for dual eligible members at the Medi-Cal fee-for-service rates in the Exhibit B-3 consistent with the payment terms for Medi-Cal approved services. The Medicare payment received by the County will be reported to DHCS within the subsequent Medi-Cal claim, thereby reducing the charge to Medi-Cal by the paid Medicare amount. County will issue a single payment for the service, at the fee-for-service rate in Exhibit B-3. Alternatively, if Contractor bills Medicare directly, then the Medicare payment received by the contractor must be offset from the fee-for-service rates paid by the County or remitted to the County. Services for members with Medicare coverage only (not Medi-Medi) shall not be entered into SmartCare EHR, nor processed or paid by County. The fee schedule in Exhibit B-3 is therefore not applicable for Medicare only members. The Contractor is therefore solely responsible to follow all CMS regulations and provisions that govern Medicare member deductibles, co-pays and payments for services.

3. **Submission of Claims for Non Medi-Cal Programs.** Contractor shall submit a written invoice within 15 calendar days of the end of the month in which non-Medi-Cal services are delivered that: i) depicts the actual costs of providing the services less any applicable revenues, ii) states the amount owed by County, and iii) includes the Agreement number and signature of Contractor's authorized representative. Invoices shall be delivered to the designated representative or address described in Section VIII.A.1 (Submission of Claims for Medi-Cal Services) of this Exhibit B MHS. Actual cost is the actual amount paid or incurred, including direct labor and costs supported by financial statements, time records, invoices, and receipts.

1. **Timing of Payment.** The Program Contract Maximums specified in Exhibit B-1-MHS and this Exhibit B MHS are intended to cover services during the entire term of the Agreement, unless otherwise specified in the Exhibit A(s) to this Agreement (such as time-limited or services tied to the school year). Under no circumstances shall Contractor cease services prior to June 30 due to an accelerated draw down of funds earlier in the Fiscal Year. Failure to provide services during the entire term of the Agreement may be considered a breach of contract and subject to the Termination provisions specified in the Agreement.

The Behavioral Wellness Director or designee shall review the monthly claim(s) and invoices to confirm accuracy of the data submitted. County shall make payment for approved Medi-Cal claims within thirty (30) calendar days of the generation of said claim(s) by County subject to the contractual limitations set forth in this Agreement and all exhibits hereto. Non-Medi-Cal programs will be paid within 30 days of the receipt of a complete invoice and all requested supporting documentation.

- B. Monthly Financial Statements.** For Non-Medi-Cal programs and costs, within 15

calendar days of the end of the month in which services are delivered, Contractor shall submit monthly financial statements reflecting the previous month's and cumulative year to date direct and indirect costs and other applicable revenues for Contractor's programs described in the Exhibit A(s).

- C. Withholding of Payment for Non-submission of Service Data and Other Information.** If any required service data, invoice, financial statement or report is not submitted by Contractor to County within the time limits described in this Agreement or if any such information is incomplete, incorrect, or is not completed in accordance with the requirements of this Agreement, then payment shall be withheld until County is in receipt of complete and correct data and such data has been reviewed and approved by Behavioral Wellness Director or designee. Behavioral Wellness Director or designee shall review such submitted service data within sixty (60) calendar days of receipt.
- D. Withholding of Payment for Unsatisfactory Clinical Documentation.** Behavioral Wellness Director or designee shall have the option to deny payment for services when documentation of clinical services does not meet minimum Federal, State and County written standards. County may also deny payment for services that are provided without a current member service plan when applicable authorities require a plan to be in place.
- E. Claims Submission Restrictions.**
1. **12-Month Billing Limit.** Unless otherwise determined by State or federal regulations (e.g. Medi-Medi cross-over), all original (or initial) claims for eligible individual persons under this Agreement must be received by County within 12 months from the month of service to avoid denial for late billing.
 2. **No Payment for Services Provided Following Expiration/ Termination of Agreement.** Contractor shall have no claim against County for payment of any funds or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.
- F. Claims Certification and Program Integrity.** Contractor shall certify that all services entered by Contractor into County's EHR for any payor sources covered by this Agreement are true and accurate to the best of Contractor's knowledge.
- G. Overpayments.** If the Contractor discovers an overpayment, Contractor must notify the County in writing of the reason for the overpayment. Any overpayments of contractual amounts must be returned via direct payment within 30 calendar days to the County after the date on which the overpayment was identified. County may withhold amounts from future payments due to Contractor under this Agreement or any subsequent agreement if Contractor fails to make direct payment within the required timeframe.

IX. REPORTS.

- A. Audited Financial Reports.** Contractor is required to obtain an annual financial statement audit and submit to County a copy of their audited annual financial statement, including management comments. This report shall be submitted within thirty (30) days

after the report is received by Contractor.

- B. Single Audit Report.** If Contractor is required to perform a single audit and/or program specific audit, per the requirements of OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards, Contractor shall submit a copy of such single audit to County within thirty (30) days of receipt.

X. AUDITS AND AUDIT APPEALS.

- A. Audit by Responsible Auditing Party.** At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with State and Federal law including but not limited to WIC Section 14170 et seq., authorized representatives from the County, State or Federal governments (Responsible Auditing Party) may conduct an audit or site review of Contractor regarding the mental health services/activities provided under this Agreement.
- B. Settlement.** Settlement of the audit findings will be conducted according to the Responsible Auditing Party's procedures in place. In the case of a State Medi-Cal audit, the State and County will perform a post-audit Medi-Cal settlement that is based on State audit findings. Such settlement will take place when the State initiates its settlement action which customarily is after the issuance of the audit report by the State and before the State's audit appeal process. However, if the Responsible Auditing Party stays its collection of any amounts due or payable because of the audit findings, County will also stay its settlement of the same amounts due or payable until the Responsible Auditing Party initiates its settlement action with County. If an audit adjustment is appealed then the County may, at its own discretion, notify Contractor but stay collection of amounts due until resolution of the State administrative appeals process.
- C. Invoice for Amounts Due.** County shall issue an invoice to Contractor for any amount due to the County after the Responsible Auditing Party issues an audit report. The amount on the County invoice is due by Contractor to County thirty (30) calendar days from the date of the invoice.
- D. Appeal.** Contractor may appeal any such audit findings in accordance with the audit appeal process established by the Responsible Auditing Party performing the audit.

XI. CONTINGENCY PAYMENT PROVISIONS

A. Contingency Invoicing Plan (CIP)

If the SmartCare EHR system causes delays or challenges to the extent that services cannot be claimed (and paid to the provider) within 45 days of the service month-end, the County will activate the Contingency Invoicing Plan (CIP) outlined below:

- 1. Notification and Submission.** Within 4 calendar days of determining that claiming will be delayed beyond the standard claiming window, the County will initiate the CIP and request the Contractor to electronically submit financial statements to FinanceCBO@sbcbswell.org.
- 2. Review and Payment.** Upon receiving the financial statements, the County will review them. If found satisfactory, payment to the Contractor will be issued within 15 days. The payment will be calculated based on the lower of actual costs less applicable revenues or 1/12th of the Maximum Contract Allocation for Medi-Cal

Patient Revenue on a cumulative year-to-date basis. If payment is based on actual costs, it will be further limited by the Medi-Cal penetration rate in the contract.

3. **Resolution and Adjustment.** If the EHR delays or challenges are resolved during the invoice processing period, payment will be based on the services claimed in the system instead of the CIP protocol. Any payments made under the CIP will be reconciled back to actual claimed services once the system claiming functionality is fully validated, and claiming issues are resolved.
4. **Monthly Determination.** The decision on whether to use CIP will be made by the Director of the Department of Behavioral Wellness or designee in his or her sole discretion on a monthly basis, considering the prevailing circumstances.

(1) Outpatient Non-Medi-Cal services are all provided to cover services provided to Non-Medi-Cal client services at the same Fee-For-Service rates as noted for Medi-Cal clients.

(2) Board and care allocation is intended to cover indigent clients at the SSI rate which is currently \$1,420.07 per month. Rate may be adjusted in January of each year to match State/Federal schedules. Contractor shall confirm client indigent status with County prior to placement in an indigent bed for costs to be reimbursable. Director or designee has the right to reallocate flexible funds between adult residential facilities and/or reallocate additional funds from other funding sources, subject to the contract maximum, should board and care costs exceed the amount estimated in the Exhibit B-1.

(3) Quality Assurance, Utilization Management, and Full Service Partnership incentive payments require the implementation of specific deliverables. If deliverables are not met then contractor is not eligible for incentive payment. Refer to Exhibit B of the agreement for required deliverables.

(4) Client flexible support costs must comply with Behavioral Wellness policy guidelines. Supporting documentation is to be maintained by the contractor with costs tracked separately and monthly financial statements submitted.

(5) The Director or designee may reallocate between funding sources at his/her discretion during the term of the contract, including to utilize and maximize any additional funding or FFP provided by local, State, or Federal law, regulation, policy, procedure, or program. Reallocation of funding sources does not alter the Maximum Contract Amount and does not require an amendment to the contract.

(6) Source of Medi-Cal match is State and Local Funds including but not limited to Realignment, MHSA, General Fund, Grants, Other Departmental Funds and SB 163.

(7) Refer to taxonomy codes in Exhibit B-3 for billable practitioner types within each provider group.

3. **Workers' Compensation:** Insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease. *(Not required if CONTRACTOR provides written verification that it has no employees)*

CONTRACTOR agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the COUNTY has received a waiver of subrogation endorsement from the insurer.

5. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the COUNTY. The COUNTY may require the CONTRACTOR to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

7. **Verification of Coverage** – CONTRACTOR shall furnish the COUNTY with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the CONTRACTOR’S obligation to provide them. The CONTRACTOR shall furnish evidence of renewal of coverage throughout the term of the Agreement. The COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by COUNTY as a material breach of contract.
9. **Subcontractors** – CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and CONTRACTOR shall ensure that COUNTY is an additional insured on insurance required from subcontractors.
10. **Claims Made Policies** – If any of the required policies provide coverage on a claims-made basis:
 - i. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
 - ii. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
 - iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the CONTRACTOR must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.

11. Special Risks or Circumstances – COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. CONTRACTOR agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of COUNTY.
