Re: Lompoc Unified School District
General Obligation Bond Election (55%) -June 5, 2018

Dear Ms. Bischoff :

Enclosed is the resolution adopted by the Board of Trustees of the Lompoc Unified School District ordering a general obligation bond election for June 5, 2018. This election is being ordered under Proposition 39 and requires a 55% vote for passage.

In order to comply with Proposition 39 and related statutes the Board has adopted a full ballot text to be printed in the ballot pamphlet and an abbreviated form of measure (Appendix A and Appendix B - revised to the Resolution).

The Board of Trustees has requested consolidation of this election with others occurring on the same day. We are submitting this resolution to you in your capacities as the Elections Official for purposes of consolidation pursuant to Elections Code Section 10403.

Also enclosed herewith is the originally signed Tax Rate Statement to appear in the Sample Ballot, as required by Elections Code 9400 and following.

We have also enclosed a copy of each document to be date stamped and returned to us in the enclosed addressed envelope.

Please do not hesitate to contact me with any questions on the attached.

Yours very truly,

Trevor McDonald
Superintendent of Schools

RESOLUTION NO. 2836 - REVISED

**RESOLUTION OF THE BOARD OF EDUCATION OF THE LOMPOC UNIFIED
SCHOOL DISTRICT ORDERING AN ELECTION TO AUTHORIZE THE ISSUANCE
OF SCHOOL BONDS, ESTABLISHING SPECIFICATIONS OF THE ELECTION
ORDER, AND REQUESTING CONSOLIDATION WITH OTHER ELECTIONS
OCCURRING ON JUNE 5, 2018**

WHEREAS, in the judgment of the Board of Education (the "Board") of the Lompoc Unified School District (the "District"), it is advisable to call an election to submit to the electors of the District the question whether bonds of the District shall be issued and sold for the purpose of raising money for the acquisition or improvement of real property, and the furnishing and equipping of school facilities; and

WHEREAS, as a result of the approval of Proposition 39 on November 7, 2000, Article XIII A, Section 1, paragraph (b), of the California Constitution ("Article XIII A") provides an exception to the limit on *ad valorem* property taxes on real property for bonded indebtedness incurred by a school district approved by 55 percent of the voters of the district voting on the proposition; and

WHEREAS, the Board is specifically authorized, upon approval by a two-thirds vote of the Board, to pursue the authorization and issuance of bonds by a fifty-five percent (55%) vote of the electorate on the question whether bonds of the District shall be issued and sold for specified purposes, pursuant to Education Code Section 15264 *et seq.* (the "Act"); and

WHEREAS, pursuant to the California Elections Code, it is appropriate for the Board to request consolidation of the election with any and all other elections to be held on Tuesday, June 5, 2018, and to request the Santa Barbara County Registrar of Voters to perform certain election services for the District; and

WHEREAS, in connection with the calling of a bond election and in accordance with Education Code Section 15100 subparagraph (c), the Board has obtained reasonable and informed projections of assessed property valuations that take into consideration projections of assessed property valuations made by the County assessor; and

NOW, THEREFORE, BE IT RESOLVED, by the Board of Education of the Lompoc Unified School District the following:

Section 1. Call for Election. The Board hereby orders an election and submits to the electors of the District the question of whether general obligation bonds of the District shall be issued and sold in the maximum principal amount of \$79.0 million for the purpose of raising money to finance school facilities and property of the District, and paying costs incident thereto, as set forth more fully in the ballot proposition approved pursuant to Section 3. This Resolution constitutes the order of the District to call such election.

Section 2. Election Date. The date of the election shall be June 5, 2018, and the election shall be held solely within the boundaries of the District.

Section 3. Purpose of Election; Ballot Proposition. The purpose of the election shall be for the voters in the District to vote on a proposition, a full copy of which is attached hereto and marked Exhibit A, containing the question of whether the District shall issue the Bonds for the purpose stated therein, together with the accountability requirements of Article XIII A and Government Code Section 53410 and the requirements of Section 15272 of the Act. The Santa Barbara County Registrar of Voters (the "County Registrar") is requested to print the Full Text of Measure contained on Exhibit A in the sample ballot pamphlet. As required by Elections Code Section 13247, the abbreviated form of the measure to appear on the ballot is attached hereto and marked as Exhibit B. The Superintendent or designee is hereby authorized and directed to make any changes to the text of the proposition or this resolution as required to conform to any requirements of Article XIII A, the Act, or the Santa Barbara County Registrar of Voters.

Section 4. Authority for Election. The authority for ordering the election is contained in Section 15264 *et. seq.* of the Education Code and Section I, paragraph (b), subsection (3), of Article XIII A. The authority for the specification of this election order is contained in Section 5322 of the Education Code.

Section 5. School Facilities Projects. As required by Article XIII A, the Board hereby certifies that it has evaluated safety, class size reduction, enrollment growth, and information technology needs in developing the list of school facilities projects set forth on Exhibit A.

Section 6. Covenants of the Board upon Approval of the Bonds by the Electorate. As required by Article XIII, Section 15278 of the Act, and Government Code Section 53410, in the event 55 percent of the voters voting in the District approve of the Bonds, the Board shall:

1. conduct an annual, independent performance audit to ensure that the funds have been expended only on the projects listed in Exhibit A;
2. conduct an annual, independent financial audit of the proceeds from the sale of the Bonds until all of those proceeds have been expended for the school facilities projects listed in Exhibit A;
3. establish and appoint members to an independent citizens' oversight committee in accordance with Sections 15278, 15280, and 15282 of the Act;
4. apply the bond proceeds only to the specific purposes stated in the ballot proposition;
5. cause creation of accounts into which bond proceeds shall be deposited; and

6. cause the preparation of an annual report pursuant to Government Code Sections 53410 and 53411.

Section 7. Delivery of this Resolution. The Clerk of the Board is hereby directed to send a copy of this Resolution to the County Registrar and the Santa Barbara County Clerk of the Board of Supervisors.

Section 8. Consolidation of Election. The County Registrar and the Santa Barbara County Board of Supervisors are hereby requested to consolidate the election ordered hereby with any and all other elections to be held on June 5, 2018, within the District.

Section 9. Ballot Arguments; Tax Rate Statement. Any and all members of this Board are hereby authorized to act as an author of any ballot argument prepared in connection with the election, including a rebuttal argument. The Superintendent, President of the Board, or their designees, are hereby authorized to execute any Tax Rate Statement or other document and to perform all acts necessary to place the bond measure on the ballot.

Section 10. Elections Code. Pursuant to Section 5303 of the Education Code and Section 10002 of the Elections Code, the Board of Supervisors of Santa Barbara County, is requested to permit the Registrar of Voters to render all services specified by Section 10418 of the Elections Code relating to the election, for which services the District agrees to reimburse Santa Barbara County in full upon presentation of a bill, such services to include the mailing of the sample ballot and tax rate statement (described in Section 9401 of the Elections Code).

Section 11. Agreement. The Superintendent is authorized and directed to execute the agreements on file with Jones Hall, A Professional Law Corporation, which firm is appointed hereby to perform bond and disclosure counsel services in regard to the Bonds, and Isom Advisors, a Division of Urban Futures Inc. which firm is appointed to perform financial advisory services in regard to the Bonds.

Section 12. Effective Date. This resolution shall take effect on and after its adoption.

PASSED AND ADOPTED by the Board of Education of the Lompoc Unified School District the 26th day of September, 2017.

Signed:

Clerk

CLERK'S CERTIFICATE

I, Jeff Carlovsky, Clerk of the Board Education of the LOMPOC UNIFIED SCHOOL DISTRICT, hereby certify that the foregoing is a full, true, and correct copy of Resolution 2836 - Revised adopted at a regular meeting place thereof on the 26th of September, 2017, of which meeting all the members of said Board of Education had due notice and at which a majority thereof were present, and that at said meeting said resolution was adopted by the following vote:

(LIST NAMES OF BOARD MEMBERS IN APPROPRIATE SPACES BELOW)

REQUIRES 4 VOTES FOR ADOPTION

AYES:	4	Carlovsky, King, Barrett, Straight
NOES:	1	Heath
ABSENT:	0	
ABSTENTIONS:	0	

An agenda of said meeting was posted at least 72 hours before said meeting at Lompoc, California, a location freely accessible to members of the public, and a brief general description of said resolution appeared on said agenda.

I further certify that I have carefully compared the same with the original minutes of said meeting on file and of record in my office; that the foregoing resolution is a full, true and correct copy of the original resolution adopted at said board meeting and entered in said minutes; and that said resolution has not been amended, modified or rescinded since the date of its adoption, and the same is now in full force and effect.

Dated: September 26, 2017

Clerk of the Board of Education of the
LOMPOC UNIFIED SCHOOL DISTRICT

EXHIBIT A

BALLOT MEASURE FULL TEXT OF MEASURE

INTRODUCTION

“To repair or replace leaky roofs; upgrade inadequate electrical systems; construct/modernize classrooms, restrooms/schools; replace outdated heating, air-conditioning systems; upgrade P.E. fields/facilities for school and community use; shall Lompoc Unified School District issue \$79,000,000 bonds *at legal rates*, levy/collect approximately \$0.06 per \$100 assessed value (estimated \$7 million annually) through approximately 2054, with citizen oversight, no money for salaries, all money staying local, without increasing current tax rates?”

BOND AUTHORIZATION

By approval of this proposition by at least 55% of the registered voters voting on the proposition, the Lompoc Unified School District (the “District”) shall be authorized to issue and sell bonds of up to \$79.0 million in aggregate principal amount to provide financing for the specific school facilities projects listed in the Bond Project List below, and in order to qualify to receive State matching grant funds, subject to all of the accountability safeguards specified below.

ACCOUNTABILITY SAFEGUARDS

The provisions in this section are specifically included in this proposition in order that the District’s voters and taxpayers may be assured that their money will be spent wisely to address specific facilities needs of the District, all in compliance with the requirements of Article XIII A, Section 1(b)(3) of the State Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following).

Evaluation of Needs. The Board of Education hereby certifies that it has evaluated safety, class size reduction and information technology needs in developing the Bond Project List.

Limitation on Use of Bond Proceeds. The State of California does not have the power to take locally approved school district bond funds for any State purposes. The Constitution allows proceeds from the sale of bonds authorized by this proposition to be used only for the construction, reconstruction, rehabilitation, or replacement of school facilities listed in this proposition, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District staff only when performing work on or necessary and incidental to the bond projects.

Independent Citizens’ Oversight Committee. The Board of Education shall establish an independent Citizens’ Oversight Committee (pursuant to Education Code Section 15278 and following), to ensure bond proceeds are spent only for the school facilities

projects listed in the Bond Project List. The committee shall be established within 60 days of the date on which the Board of Education enters the election results on its minutes.

Annual Performance Audits. The Board of Education shall conduct an annual, independent performance audit to ensure that the bond proceeds have been expended only on the school facilities projects listed in the Bond Project List.

Annual Financial Audits. The Board of Education shall conduct an annual, independent financial audit of the bond proceeds (which shall be separate from the District's regular annual financial audit) until all of those proceeds have been spent for the school facilities projects listed in the Bond Project List.

Special Bond Proceeds Account; Annual Report to Board. Upon approval of this proposition and the sale of any bonds approved, the Board of Education shall take actions necessary pursuant to Government Code Section 53410 and following to establish an account in which proceeds of the sale of bonds will be deposited. As long as any proceeds of the bonds remain unexpended, the Superintendent or the Chief Business Official of the District (or such other employee as may perform substantially similar duties) shall cause a report to be filed with the Board no later than December 31 of each year, commencing December 31 of the year in which bonds are first issued, stating (1) the amount of bond proceeds received and expended in that year, and (2) the status of any project funded or to be funded from bond proceeds. The report may relate to the calendar year, fiscal year, or other appropriate annual period as such officer shall determine, and may be incorporated into the annual budget, audit, or other appropriate routine report to the Board.

INFORMATION ABOUT ESTIMATES AND PROJECTIONS INCLUDED IN BALLOT

This measure authorizes the issuance of general obligation bonds to finance the types of projects set forth on the Bond Project List set forth below, to be repaid by tax collections for the years that bonds are outstanding. The measure presented to District voters on the Ballot, as set forth above under the heading "INTRODUCTION", includes information regarding the expected average amount of money to be raised annually to pay issued bonds, the estimated rate of the approved tax per \$100 of assessed valuation, and the year through which it is approximated the proposed tax will be levied and collected. Each of these estimates and approximations are provided as informational only. Such amounts are estimates only, and are not maximum amounts or limitations on the terms of the bonds or the tax rate or duration supporting repayment of bonds. The approximations and estimates provided depend on numerous variables which are subject to variation and change over the term of the District's overall facilities and bond financing plan, including but not limited to the amount of bonds issued and outstanding at any one time, the interest rates applicable to issued bonds, market conditions at the time of sale of the bonds, when bonds mature, timing of project needs and changes in assessed valuations in the District. As such, while such estimates and approximations have been provided based on information currently available to the District and its current expectations, such estimates and approximations are not limitations and are not binding upon the District.

FURTHER SPECIFICATIONS

Specific Purposes. All of the purposes enumerated in this proposition shall be united and voted upon as one single proposition, pursuant to Education Code Section 15100, and shall constitute the specific purposes of the bonds, and proceeds of the bonds shall be spent only for such purposes, pursuant to Government Code Section 53410.

Joint Use. The District may enter into agreements with the County of Santa Barbara, City of Lompoc, or other public agencies or nonprofit organizations for joint use of school facilities financed with the proceeds of the bonds in accordance with Education Code Section 17077.42 (or any successor provision). The District may seek State grant funds for eligible joint-use projects as permitted by law, and this proposition hereby specifies and acknowledges that bond funds will or may be used to fund all or a portion of the local share for any eligible joint-use projects identified in the Bond Project List or as otherwise permitted by California State regulations, as the Board of Education shall determine.

Rate of Interest. The bonds shall bear interest at a rate per annum not exceeding the statutory maximum, payable at the time or times permitted by law.

Term of Bonds. The number of years the whole or any part of the bonds are to run shall not exceed the legal limit, though this shall not preclude bonds from being sold which mature prior to the legal limit.

BOND PROJECT LIST

The Bond Project List below describes the specific projects the Lompoc Unified School District proposes to finance with proceeds of the bonds. Listed projects will be completed as needed at a particular school site according to Board-established priorities, and the order in which such projects appear on the Bond Project List is not an indication of priority for funding or completion. The final cost of each project will be determined as plans are finalized, construction bids are awarded, and projects are completed. Certain construction funds expected from non-bond sources, including State grant funds for eligible projects, have not yet been secured. Until all project costs and funding sources are known, the Board of Education cannot determine the amount of bond proceeds available to be spent on each project, nor guarantee that the bonds will provide sufficient funds to allow completion of all listed projects. Completion of some projects may be subject to further government approvals or appropriation by State officials and boards, to local environmental review, and to input from the public. For these reasons, inclusion of a project on the Bond Project List is not a guarantee that the project will be funded or completed.

Unless otherwise noted, the projects in the Bond Project List are authorized to be completed at each or any of the District's sites, as shall be approved by the Board of Education:

- Repair or replace leaky roofs
- Upgrade inadequate electrical systems
- Repair or replace outdated heating, ventilation and air-conditioning systems
- Make health, safety, and handicapped accessibility improvements
- Modernize/renovate outdated classrooms, restrooms and school facilities

- Improve student access to computers and modern technology
- Upgrade campus security, including security cameras, lighting and fencing
- Replace aging portable classrooms
- Upgrade/improve playgrounds, play structures and P.E./athletic fields and facilities for school and community use
- Construct new classrooms, restrooms and school facilities
- Modernize/renovate classrooms to meet 21st century educational standards
- Federal and State-mandated Occupational Safety & Health Administration (OSHA) safety upgrades including playground equipment replacement
- Federal and State-mandated Americans with Disabilities Act (ADA) accessibility upgrades including site access, parking, staff and student restrooms, relocation of some existing electrical devices, drinking fountains, playground equipment, etc.
- Upgrade school site parking, roadways, utilities and grounds
- Abate and remove hazardous materials identified prior or during construction
- Repair, replace and/or upgrade paved surfaces, turf, and other grounds to eliminate safety hazards and improve outside instructional areas

The listed projects will be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, and similar planning costs, program/project management, staff training expenses and a customary contingency for unforeseen design and construction costs. In addition to the listed projects stated above, the list also includes the acquisition of a variety of instructional, maintenance and operational equipment, including the reduction or retirement of outstanding lease obligations and interim funding incurred to advance fund projects from the list; installation of signage and fencing; payment of the costs of preparation of all facility planning, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, and temporary housing of dislocated District activities caused by construction projects. In addition to the projects listed above, the repair and renovation of each of the existing school facilities may include, but not be limited to, some or all of the following: renovation of student and staff restrooms; repair and replacement of heating and ventilation systems; upgrade of facilities for energy efficiencies; repair and replacement of worn-out and leaky roofs, windows, walls, doors and drinking fountains; installation wiring and electrical systems to safely accommodate computers, technology and other electrical devices and needs; upgrades or construction of support facilities, including administrative, physical education/athletic facilities and performing arts buildings and maintenance yards; repair and replacement of fire alarms, emergency communications and security systems; resurfacing or replacing of hard courts, turf and irrigation systems and campus landscaping and play fields; expand parking; install interior and exterior painting and floor covering; demolition; and construction of various forms of storage and support spaces, upgrade classrooms, bleachers, kitchens, repair, upgrade and install interior and exterior lighting systems; replace outdated security fences and security systems. The upgrading of technology infrastructure includes, but is not limited to, computers, LCD projectors, portable interface devices, servers, switches, routers, modules, sound projection systems, laser printers, digital white boards, document projectors, upgrade voice-over-IP, call manager and network security/firewall, wireless technology systems and other miscellaneous equipment and

software. The allocation of bond proceeds will be affected by the District's receipt of State matching funds and the final costs of each project. In the absence of State matching funds, which the District will aggressively pursue to reduce the District's share of the costs of the projects, the District will not be able to complete some of the projects listed above. The budget for each project is an estimate and may be affected by factors beyond the District's control. Some projects throughout the District, such as gyms, fields and performing arts facilities, may be undertaken as joint use projects in cooperation with other local public or non-profit agencies. The final cost of each project will be determined as plans and construction documents are finalized, construction bids are received, construction contracts are awarded and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Demolition of existing facilities and reconstruction of facilities scheduled for repair and upgrade may occur, if the Board determines that such an approach would be more cost-effective in creating more enhanced and operationally efficient campuses. Necessary site preparation/restoration may occur in connection with new construction, renovation or remodeling, or installation or removal of relocatable classrooms, including ingress and egress, removing, replacing, or installing irrigation, utility lines, trees and landscaping, relocating fire access roads, and acquiring any necessary easements, licenses, or rights of way to the property. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District staff when performing work on or necessary and incidental to bond projects and the costs of issuing the bonds. Bond proceeds shall only be expended for the specific purposes identified herein. The District shall create an account into which proceeds of the bonds shall be deposited and comply with the reporting requirements of Government Code § 53410.

The Bond Project List shall be considered a part of this ballot proposition, and shall be reproduced in any official document required to contain the full statement of the bond proposition.

EXHIBIT B

BALLOT MEASURE (ABBREVIATED FORM)

“To repair or replace leaky roofs; upgrade inadequate electrical systems; construct/modernize classrooms, restrooms/schools; replace outdated heating, air-conditioning systems; upgrade P.E. fields/facilities for school and community use; shall Lompoc Unified School District issue \$79,000,000 bonds *at legal rates*, levy/collect approximately \$0.06 per \$100 assessed value (estimated \$7 million annually) through approximately 2054, with citizen oversight, no money for salaries, all money staying local, without increasing current tax rates?”

Tax Rate Statement

An election will be held in the Lompoc Unified School District (the "District") on June 5, 2018 to authorize the sale of up to \$79,000,000 in general obligation bonds. The following information is submitted in compliance with Sections 9400-9404 of the California Elections Code.

1. The best estimate of the tax rate that would be required to fund this bond issue during the first fiscal year after the sale of the first series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$.00000 per \$100 (\$00.00 per \$100,000) of assessed valuation in fiscal year 2018-19.
2. The best estimate of the tax rate that would be required to fund this bond issue during the first fiscal year after the sale of the last series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$.06000 per \$100 (\$60.00 per \$100,000) of assessed valuation in fiscal year 2024-25.
3. The best estimate of the highest tax rate that would be required to fund this bond issue, based on estimated assessed valuations available at the time of filing this statement, is \$.06000 per \$100 (\$60.00 per \$100,000) of assessed valuation. This vote is projected to apply in each fiscal year that the bonds are outstanding.
4. The best estimate from official sources of the total debt service, including the principal and interest, that would be required to be repaid if all the bonds are issued and sold will be approximately \$176,100,000.

These estimates are based on projections derived from information obtained from official sources. The actual tax rates and the years in which they will apply may vary depending on the timing of bond sales, the amount of bonds sold at each sale and actual increases in assessed valuations. The timing of the bond sales and the amount of bonds sold at any given time will be determined by the needs of the District. Actual assessed valuations will depend upon the amount and value of taxable property within the District as determined in the assessment and the equalization process.
