RE: Letter of Commitment for Santa Barbara County Health 2025/26 Tobacco Grant Proposal

To Whom it May Concern,

Please accept this letter as confirmation that our agency is aware of the Tobacco Grant proposal by Santa Barbara County Health. As a partner agency on this proposed project, we affirm our commitment to perform the activities designated for our agency and its staff, including:

- 1) participating in the proposed tobacco enforcement task force for Santa Barbara County; and
- 2) continuing to coordinate undercover buy operations with County Health within County unincorporated and the cities of Goleta and Carpinteria.

Our department has worked with Santa Barbara County Health for many years on tobacco enforcement activities and believe County Health would be well-suited to work with other local enforcement agencies on their tobacco retail license programs.

Sincerely,

BILL BROWN
Sheriff - Coroner
