E. Changes or Amendments

Except as otherwise specifically set forth in this Section VI.E, changes to this Agreement may only be made through a written amendment to this Agreement duly executed by COUNTY and SUBRECIPIENT. COUNTY and SUBRECIPIENT may amend this Agreement at any time during the Term, provided that all such amendments make specific reference to this Agreement, are executed in writing, and duly executed by both COUNTY and SUBRECIPIENT. No amendment shall invalidate any parts of this Agreement that are not expressly changed by such amendment, nor relieve or release COUNTY or SUBRECIPIENT from party's obligations under this Agreement that are not expressly changed by such amendment. SUBRECIPIENT agrees to not unreasonably withhold its approval of any amendment(s) proposed by COUNTY that are necessary in order to conform with federal, state, or local governmental laws, regulations, ordinances, orders, rules, directives, circulars, bulletins, notices, guidelines, policies, and available funding amounts.

All amendments to this Agreement must be approved by the Board of Supervisors and executed by the Chair of the Board, except that the Director of CSD, or his designee ("Director") is authorized to approve and execute amendments to this Agreement on behalf of COUNTY to make any one or more of the following changes:

1. 2. Changes to, additions, or deletions of line items set forth in the Budget, provided that (i) such line item changes do not result in any increase in the Maximum Contract Amount beyond the limitations set forth in Section VI.E.1, above, and (ii) all line items in the Budget as so amended, and all expenditures under this Agreement, must be eligible pursuant to the ERF Program Guidelines and all other Applicable Law. In no event shall an amendment be made pursuant to this Section VI.E that will result in material change to the Scope of Services attached hereto as Exhibit A.
3. Administrative changes to the Agreement that are necessary in order to conform with federal, state, or local governmental laws, regulations, ordinances, orders, rules, directives, circulars, bulletins, notices, guidelines, policies, or available funding amounts.

F. Suspension or Termination

COUNTY may suspend or terminate this Agreement if SUBRECIPIENT fails to comply with this Agreement or with any of the terms of the Standard Agreement, the ERF Program Guidelines, or in the event of any of the following:

1. Termination by COUNTY

COUNTY may, by written notice to SUBRECIPIENT, terminate this Agreement in whole or in part at any time, whether for COUNTY's convenience, for nonappropriation of funds, or because of the failure of SUBRECIPIENT to fulfill its obligations hereunder.

- b. **For Nonappropriation of Funds.** Notwithstanding any other provision of this Agreement, in the event that no funds or insufficient funds are appropriated or budgeted by federal, state, or COUNTY governments, or funds are not otherwise available for payments during the term of this Agreement, then COUNTY will notify SUBRECIPIENT of such occurrence and COUNTY may terminate or suspend this Agreement in whole or in part, with or without a prior notice period. Subsequent to termination of this Agreement under this provision, COUNTY shall have no obligation to make payments with regard to the remainder of the Term.
- c. **For Cause.** Should SUBRECIPIENT default in the performance of this Agreement or breach any of its provisions, COUNTY may, in COUNTY's sole discretion, terminate or suspend this Agreement in whole or in part by written notice. Upon receipt of such notice, SUBRECIPIENT shall immediately discontinue all services affected (unless the notice directs otherwise) and notify COUNTY as to the status of its performance hereunder. The date of termination shall be the date such notice is given by COUNTY, unless the notice directs otherwise.

2. Termination by SUBRECIPIENT

This Agreement may be terminated by SUBRECIPIENT, upon written notification to COUNTY, setting forth the reasons for such termination, the effective termination date, and in the case of partial termination, the portion to be terminated; provided, however, that in the case of a partial termination, if COUNTY determines that the remaining portion of the Agreement will not

5. If the State of California demands reimbursement from COUNTY for COUNTY's payments to SUBRECIPIENT due to SUBRECIPIENT's failure to comply with the terms of the State's award to COUNTY, including, but not limited to, the grant agreement, assurances in applications, or notices of award, any applicable term of this Agreement, or any Applicable Law, regulation, ordinance, order, rule, directive, circular, bulletin, notice, guideline, or policy referred to herein, or as may become applicable at any time, SUBRECIPIENT shall fully and completely reimburse COUNTY in the total amount of all such disallowed payments.

G. STATE and COUNTY Enforcement of ERF Program Requirements

Scope of Services

State of CA Encampment Resolution Funding (ERF) – Round 2

Project Title:	Interim Housing for Persons in Encampments near Waterways
Maximum Contract Amount:	\$273,500
Time of Performance:	March 1, 2024 – February 28, 2025

A. INTRODUCTION

This Scope of Services is attached to and incorporated into the Subrecipient Agreement (“Agreement”) between the County of Santa Barbara (“COUNTY”) and Good Samaritan Shelter (“SUBRECIPIENT”), as referenced in the Agreement. The purpose of this Scope of Services is to further describe the Services referenced in Section I of the Agreement.

The California Encampment Resolution Funding (“ERF”) Program will fund actionable, person-centered proposals that resolve the experience of unsheltered homelessness for people residing in encampments, specifically in dangerous and heavily impacted waterways near State rights-of-way (“ROW”).

B. PROJECT DESCRIPTION**1. Purpose**

The purpose of the Services is to provide interim housing following robust outreach and engagement with a goal of moving persons from unsheltered homelessness into shelter and permanent housing through case management and housing navigation services (the “Project”). SUBRECIPIENT’s interim housing Services shall include essential services, system navigation, and operations in south Santa Barbara county, including cities and unincorporated areas.

2. Services**a. General**

SUBRECIPIENT shall provide 10 interim housing Beds for persons moving from encampments near waterways throughout Santa Barbara County. SUBRECIPIENT’s Case Managers shall engage participants and connect them to services as well as permanent and other housing opportunities. SUBRECIPIENT shall provide meals, daily hygiene and case management services at an all-inclusive rate of **\$75 per Bed, per night.** COUNTY will compensate SUBRECIPIENT, using ERF funds, for 10 Beds during the Term, paid quarterly, such that all 10 Beds shall be reserved and used for the provision of Services hereunder at all times during the Term. SUBRECIPIENT shall provide to COUNTY, on a quarterly basis, for each quarter during the Term, a daily census report of Beds occupied in form acceptable to COUNTY, as well as a quarterly report in the form attached hereto as Exhibit C, and an ESPR for each quarter during the Term. COUNTY agrees to work with local providers to coordinate Bed occupant referrals to SUBRECIPIENT. SUBRECIPIENT shall maintain 75% occupancy, i.e., eight (8) Beds occupied, at all times during the Term.

In addition, SUBRECIPIENT shall contribute to the Homeless Management Information System (“HMIS”) for the Santa Maria / Santa Barbara County Continuum of Care.

SUBRECIPIENT shall implement and adhere to the following Best Practices. Recent successful exits from homelessness to temporary and permanent housing placements have resulted from best practices such as consistent engagement by trained providers, emphasizing case management in the field, focus on a housing and services plan, and employing best practices like progressive engagement and more accountability in the coordinated entry system for housing navigation. Some key lessons learned and Best Practices are listed below:

- Understand the population and their needs (number of persons, persons with disabilities, pets, transitional-aged youth, people living in cars);
- Collaborate with multiple stakeholders and coordinate among teams; approaches by teams should permit ample time for engagement and rapport-building; allow for individualized case management; be client-centered, trauma-informed, and voluntary; be paired with availability of housing resources; and be transparent and consistent at every point of contact;
- Provide consistent engagement by trained providers, emphasizing case management in the field and the shelter/interim housing setting, focusing on a housing and services plan, and employing best practices including progressive engagement and more accountability in the coordinated entry system for housing navigation;
- Strengthen shelter policies and services to improve the housing outcomes or people experiencing homelessness;
- Quickly connect people experiencing homelessness to housing assistance and services tailored to their unique needs and strengths to help them achieve and maintain stable housing.
- Warm handoffs (transition conducted between two members of the support team in the provision of homelessness and housing services) should occur between the homelessness side of the system (outreach worker, shelter staff, navigator) and the housing side of the system (case manager, aftercare worker, follow-up worker, housing support specialist) when entering and exiting interim housing;
- All efforts should be made to exit persons from interim housing into a permanent housing placement.

SUBRECIPIENT shall collaborate with the County to provide targeted shelter offers to sites, with a focus on moving persons from unsheltered homelessness into shelter/permanent housing through case management and housing navigation services. SUBRECIPIENT shall provide services in southern Santa Barbara county, including cities and unincorporated areas.

COUNTY shall administer, evaluate, and monitor SUBRECIPIENT's programs to ensure compliance with the core components of Housing First. SUBRECIPIENT shall employ a progressive engagement approach and offer opportunities to clients to increase client's household's income or to help clients retain employment.

All CERF-funded activities shall operate in a manner consistent with the requirements of Welfare and Institutions Code, Division 8, Chapter 6.5, section 8255, subdivision (b), referred to as "Core Components of Housing First", including, but not limited to, use of a homelessness coordinated entry system, Housing First practices, and progressive engagement practices.

1. **Additional Insured** – COUNTY, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the CONTRACTOR'S insurance at least as broad as ISO Form CG 20 10 11 85 or both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; **and** CG 20 37 forms if later revisions used).
2. **Primary Coverage** – For any claims related to this contract, the CONTRACTOR'S insurance coverage shall be primary insurance primary coverage at least as broad as ISO CG 20 01 04 13 as respects the COUNTY, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the COUNTY, its officers, officials, employees, or volunteers shall be excess of the CONTRACTOR'S insurance and shall not contribute with it.
3. **Notice of Cancellation** – Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the COUNTY.
4. **Mutual Waiver of Workers' Compensation Subrogation Rights** – Notwithstanding anything in this Agreement to the contrary, COUNTY hereby releases and waives unto CONTRACTOR, including its officers, directors, employees and agents, and CONTRACTOR hereby releases and waives unto COUNTY, including its officers, directors, employees and agents, all rights to claim damages for any workers' compensation injury, loss, cost or damage to persons, as long as the amount of such injury, loss, cost or damage has been paid either to or by COUNTY, CONTRACTOR, or any other person, firm or corporation, under the terms of any workers' compensation policy of insurance. Each party shall have its Workers' Compensation policy endorsed with a waiver of subrogation in favor of the other party for all work performed by the either party, its officers, directors, employees and agents. **Each party shall provide the other party with the required insurance endorsement that amends the workers' compensation insurance policy.**
5. As respects all workers' compensation policies of insurance carried or maintained pursuant to this Agreement and to the extent permitted under such policies, COUNTY and CONTRACTOR, each waive the insurance carriers' rights of subrogation. For purposes of this provision, insurance proceeds paid to either party shall be deemed to include any deductible or self-insurance retention amount for which that party is responsible. A party's failure to obtain or maintain any insurance coverage required pursuant to the terms of this Agreement shall not negate the waivers and releases set forth herein, as long as the insurance that the party failed to obtain or maintain would have covered the loss or damage for which the party is waiving its claims.
6. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the COUNTY. The COUNTY may require the CONTRACTOR to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
7. **Acceptability of Insurers** – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best's Insurance Guide rating of "A- VII".
8. **Verification of Coverage** – CONTRACTOR shall furnish the COUNTY with proof of insurance, original certificates and amendatory endorsements as required by this

Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the CONTRACTOR'S obligation to provide them. The CONTRACTOR shall furnish evidence of renewal of coverage throughout the term of the Agreement. The COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

9. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by COUNTY as a material breach of contract.
10. **Subcontractors** – CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and CONTRACTOR shall ensure that COUNTY is an additional insured on insurance required from subcontractors.
11. **Claims Made Policies** – If any of the required policies provide coverage on a claims-made basis:
 - i. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
 - ii. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
 - iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the CONTRACTOR must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.
12. **Special Risks or Circumstances** – COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. CONTRACTOR agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of COUNTY.

EXHIBIT F

State Terms and Conditions

This Project is being assisted by the State of California. The following State provisions must be included in all contracts pursuant to the provisions applicable to such State assistance.

Please note that in the event of a conflict between the State laws and regulations and the federal laws and regulations, **federal laws and regulations will prevail.**

1. Commencement of Work and Completion Dates

- A. SUBRECIPIENT agrees that the Project shall not commence, nor shall any costs to be paid with ERF Program funds be incurred or obligated by any party prior to execution of this Agreement by the COUNTY, completion of all required environmental clearances, compliance with the applicable conditions of this Agreement, and not before receipt of an award notification letter from COUNTY.
- B. SUBRECIPIENT agrees that the Project shall be completed by the expiration date specified in this Agreement and that the Scope of Work shall be provided for the full term of this Agreement.

2. Sufficiency of Funds and Termination

- A. The COUNTY may, by written notice to SUBRECIPIENT, terminate this Agreement, at any time for cause. Cause shall consist of: violations of any terms and/or special conditions of this Agreement; the Federal Statutes; the Federal Regulations; the State Regulations; or withdrawal of the State's expenditure authority. Upon termination of this Agreement, unless otherwise approved in writing by the COUNTY, any unexpended funds received by the SUBRECIPIENT shall be returned to the COUNTY within thirty (30) days of the Notice of Termination.
- B. It is mutually understood between the parties that this Agreement may have been written before ascertaining the availability of Congressional appropriation of funds for the mutual benefit of both parties in order to avoid program and fiscal delays which would occur if the Agreement were executed after the determination was made.
- C. This Agreement is valid and enforceable only if sufficient funds are made available to the COUNTY by the STATE and/or United States Government for the purposes of this Program. In addition, this Agreement is subject to any additional restrictions, limitations or conditions, or statute, regulations or any other laws, whether federal or those of the State of California, or of any agency, COUNTY, or any political subdivision of the federal or the State of California governments, which may affect the provisions, terms or funding of this Agreement in any manner.
- D. It is mutually agreed that if the Congress does not appropriate sufficient funds for the Program, this Agreement shall be amended to reflect any reductions in funds.

3. Transfers

SUBRECIPIENT may not transfer by subcontract or novation, or by any other means, the rights, duties, or performance of this Agreement or any part thereof, except with the prior written approval of the COUNTY and a formal amendment to this Agreement to effect such subcontract or novation.

4. Contractors and Subcontractors

SUBRECIPIENT and its contractors or subcontractors shall not enter into any Agreement, written or oral, with any contractor without the prior written approval of the COUNTY and determination by the COUNTY and State of the contractor's eligibility. A contractor, or its subcontractor, is not eligible to receive grant funds if the contractor or subcontractor is not licensed and in good standing in California or is listed on the Federal Consolidated List of Debarred, Suspended and Ineligible Contractors.

A. The Agreement between the COUNTY and SUBRECIPIENT shall require that any contractor or subcontractor must:

- 1) Perform all services in accordance with Federal, State and local housing and building codes, as applicable.
- 2) Comply with the labor standards described in this Exhibit, Paragraph 13, as applicable. In addition to the requirements of this Exhibit, all contractors and subcontractors must comply with the provisions of the California Labor Code, as applicable.
- 3) Comply with all applicable Equal Opportunity Requirements, more fully described in this Agreement under Section VIII, PERSONNEL AND PARTICIPANT CONDITIONS.
- 4) Maintain at least the minimum COUNTY and State-required worker's compensation insurance for those employees who will perform the Project or any part of it.
- 5) Maintain, as required by law, unemployment insurance, disability insurance, and liability insurance in an amount to be determined by the State which is reasonable to compensate any person, firm, or corporation who may be injured or damaged by the contractor or any subcontractor in performing the Project or any part of it.
- 6) Agree to include all the terms of this Agreement in each subcontract, and that all requirements set forth in this Agreement apply between the SUBRECIPIENT and any contractor or subcontractor.

5. Liability Insurance

Unless otherwise approved in writing, SUBRECIPIENT shall have and maintain in full force and effect during the term of this Agreement liability insurance in an amount of not less than \$1,000,000.00 per occurrence with the COUNTY named as an additionally insured. Prior to drawdown of funds, SUBRECIPIENT shall provide a valid certificate of insurance to the COUNTY Designated Representative for review and approval.

6. Inspections

- A. SUBRECIPIENT shall inspect all services performed hereunder to ensure that the services are being and have been performed in accordance with the applicable Federal, State and/or local requirements, and this Agreement.
- B. The COUNTY and State reserves the right to inspect all services performed hereunder to ensure that the services are being and have been performed in accordance with the applicable Federal, State and/or local requirements, and this Agreement.
- C. SUBRECIPIENT agrees to require that all work that is determined based on such inspections not to conform to the applicable requirements shall be corrected by SUBRECIPIENT and that COUNTY shall withhold payments to the SUBRECIPIENT until it is corrected.

7. Audit/Retention and Inspection of Records

- A. SUBRECIPIENT agrees to maintain accounting books and records in accordance with Generally Accepted Government Auditing Standards (GAGAS). SUBRECIPIENT agrees that the COUNTY, the STATE Department of General Services, the Bureau of State Audits, or their designated representatives, shall have the right to review and copy any records and supporting documentation pertaining to the performance of this Agreement. SUBRECIPIENT agrees to maintain such records for possible audit for minimum of five (5) years from the expiration date of this Agreement. SUBRECIPIENT agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of employees who might reasonably have information related to such records. Further, SUBRECIPIENT agrees to include a similar right of the COUNTY and State to audit records and interview staff in any subcontract related to performance of this Agreement.
- B. The audit shall be performed by a qualified State, local, or independent auditor. SUBRECIPIENT shall notify the COUNTY of the auditor's name and address immediately after the selection has been made. The contract for audit shall include a clause which permits access by the COUNTY and State to the independent auditor's working papers.
- C. SUBRECIPIENT shall comply with the audit requirements contained in 2 CFR Part 200 Subpart F.

8. Monitoring Grant Activities

- A. COUNTY shall monitor the SUBRECIPIENT activities to ensure compliance with federal and State ERF Requirements. An onsite monitoring visit of SUBRECIPIENT may occur whenever determined necessary by the COUNTY, but at least once during the grant period.
- B. The COUNTY shall monitor the performance of the SUBRECIPIENT based on a risk assessment and according to the terms of this Agreement.
- C. The COUNTY shall monitor the performance of SUBRECIPIENT and the Project based on the performance measures used by the ERF program. In the event that project-level or system-wide performance consistently remains low, the COUNTY shall work collaboratively with the

SUBRECIPIENT to develop performance improvement plans which shall be incorporated into this Agreement and other agreements required.

- D. If it is determined that a SUBRECIPIENT falsified any certification, application information, financial, or contract report, the SUBRECIPIENT shall be required to reimburse to COUNTY the full amount of the funds provided by this Agreement, and may be prohibited from any further participation in the ERF program.
- E. As requested by the COUNTY, the SUBRECIPIENT shall submit to the COUNTY all ERF monitoring documentation necessary to ensure that SUBRECIPIENT is in continued compliance with State ERF requirements. Such documentation requirements and the submission deadline shall be provided by the COUNTY at the time such information is requested from the SUBRECIPIENT.

9. Waivers

No waiver of any breach of this Agreement shall be held to be a waiver of any prior or subsequent breach. Failure of the COUNTY to enforce the provisions of this Agreement or required performance by the SUBRECIPIENT of these provisions, at any time, shall in no way be construed to be a waiver of such provisions, nor affect the validity of this Agreement, or the right of the COUNTY, to enforce these provisions.

10. Litigation

- A. If any provision of this Agreement, or any underlying obligation, is held invalid by a court of competent jurisdiction, such invalidity, at the sole discretion of the COUNTY, shall not affect any other provisions of this Agreement and the remainder of this Agreement shall remain in full force and effect. Therefore, the provisions of this Agreement are, and shall be, deemed severable.
- B. SUBRECIPIENT shall notify the COUNTY immediately of any claim or action undertaken by or against it, which affects or may affect this Agreement of the COUNTY and shall take such action with respect to the claim or action as is consistent with the terms of this Agreement and the interests of the COUNTY.

11. Compliance with State Law and Regulations

SUBRECIPIENT agrees to comply with all State laws and regulations that pertain to construction, health and safety, labor, fair employment practices, equal opportunity, and all others matters applicable to the SUBRECIPIENT and the Project.

12. Environmental Requirements

This Agreement is subject to the provisions of the California Environmental Quality Act (CEQA). SUBRECIPIENT assumes responsibility to fully comply with CEQA's requirements regarding the Agreement. The obligation of funds and incurring of costs is hereby conditioned upon compliance with CEQA, and completion by the COUNTY and the State of all applicable review and approval requirements.

13. Prevailing Wages

- A. Where funds provided through this Agreement are used for construction work, or in support of construction work, SUBRECIPIENT shall ensure that the requirements of Chapter 1 (commencing with Section 1720) of Part 7 of the Labor Code (pertaining to the payment of prevailing wages and administered by the California Department of Industrial Relations) are met.
- B. For the purposes of this requirement "construction work" includes but is not limited to rehabilitation, alteration, demolition, installation, or repair done under contract and paid for, in whole or in part, through this Agreement. All construction work shall be done through the use of a written contract with a properly licensed building contractor incorporating these requirements (the "construction contract"). Where the construction contract will be between the SUBRECIPIENT and a licensed building contractor, SUBRECIPIENT shall serve as the "awarding body" as defined in the Labor Code. Where the SUBRECIPIENT will provide funds to a third party that will enter into the construction contract with a licensed building contractor, the third party shall serve as the "awarding body".
- C. The construction contract and any amendments thereto shall be subject to the prior written approval of the COUNTY. Prior to any disbursement of funds, including but not limited to release of any final payment, the COUNTY may require a certificate from SUBRECIPIENT that prevailing wages have been or will be paid when required by Section 1720 et. seq. of the Labor Code.

14. Eligible Activities

- A. State ERF funds awarded by the COUNTY shall be used for the eligible activities set forth in Exhibits A and B as permitted under the State regulations.

15. Core Practices

All ERF-funded activities shall operate in a manner consistent with the requirements of Health and Safety Code, Div. 31, Part 1, Ch. 7, Sec. 50254 et seq., including, but not limited to, use of a homeless coordinated entry system, housing first practices, and progressive engagement practices.

16. Core Components of Housing First

All ERF-funded activities shall operate in a manner consistent with the requirements of Welfare and Institutions Code, Division 8, Chapter 6.5, section 8255, subdivision (b), referred to as "Core Components of Housing First", including but not limited to, use of a homelessness coordinated entry system, Housing First practices, and progressive engagement practices.

- B. No less than once per month, SUBRECIPIENT shall deliver to COUNTY an ERF Program Financial Report, in the form attached hereto as Exhibit C, on or before the 20th day following the close of the previous month, setting forth its activities for the previous month. Further, should the State require additional reports, SUBRECIPIENT agrees to submit such reports in a timely fashion

in a manner and format approved by the COUNTY and State. A close-out-of-grant report shall be submitted within fifteen (15) days after the end of the reporting period.

SUBRECIPIENT shall collect all program data elements using the HMIS and comply with all reporting requirements.
