County Counsel Concurrence

As to form: Yes

Other Concurrence: Risk Management

As to form: Yes

Recommended Actions:

That the Board of Supervisors:

- a) Approve and authorize the Chair to execute Amendment No. 1 to the Agreement for Services of Independent Contractor with Wallace Group, 612 Clarion Court, San Luis Obispo, CA 93401 for the Lakeview/Orcutt Road/SR 135 Intersection Feasibility Study (BC24217) to extend the period of performance to June 30, 2026;
- b) Approve a Budget Revision Request No. 0010443 to establish appropriations of \$36,900 in Public Works Roads-Capital Infrastructure Fund for Services and Supplies funded by Discretionary General Fund; and
- c) Determine that the proposed action to amend a professional services agreement does not constitute a "Project" within the meaning of California Environmental Quality Act (CEQA) pursuant to CEQA Guideline Section 15378(b)(5), because it consists of an administrative activity that will not result in the direct or indirect physical change in the environment.

Summary Text:

This item is on the agenda to execute an Amendment to existing Board Contract BC24217 for Services of Independent Contractor (Agreement) with Wallace Group to perform an intersection feasibility study for

Auditor-Controller Concurrence

As to form: Yes

Lakeview Road/Orcutt Road/State Route 135 (SR 135). The Amendment would extend the period of performance from June 30, 2025 to June 30, 2026. The scope of work remains the same.

This intersection has a history of high accident rates due to the volume of traffic and the difficult left turn maneuvers caused by the proximity of adjacent legs of the intersection. The intersection is also partially in Caltrans right of way (SR 135) and the west side is within City of Santa Maria jurisdiction (Skyway Drive). This Agreement will allow Wallace Group to analyze and finalize options for improvements to the intersection. This project has been deemed a high priority due the accident history and proximity to a junior high school and school crossing (Lakeview Junior High School).

Background:

This project is located on the north end of Orcutt near the County and City of Santa Maria boundary line. Lakeview Road is an east west urban collector road that intersects State Route 135 (Broadway) to the west. Broadway is a busy Caltrans route that connects Orcutt and the City of Santa Maria as well as the City of Lompoc. Orcutt Road is a secondary urban collector road that intersects Lakeview Road immediately east of the Lakeview/SR 135 intersection. The short separation between intersections is the primary reason for the high accident rates. The feasibility study will review options for reconfiguring the intersection to address the high accident rates and potential short and long-term options.
