

FIRST AMENDMENT

TO AGREEMENT FOR SERVICES OF INDEPENDENT CONTRACTOR

This is an amendment (hereafter referred to as the "First Amended Contract") to the Agreement for Services of Independent Contractor, number **BC 10-031**, by and between the **County of Santa Barbara** (County) and **Coast Valley Substance Abuse Treatment Center** (Contractor), for the continued provision of **Substance Abuse Treatment Services**.

Whereas, this First Amended Contract incorporates the terms and conditions set forth in the contract approved by the County Board of Supervisors in June 2009, except as modified by this First Amended Contract.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, County and Contractor agree as follows:

I. Delete section "This Agreement Includes" section of the Agreement and replace with the following:

THIS AGREEMENT INCLUDES:

- A. EXHIBIT A, A-1 – Statement of Work
- B. EXHIBIT B - Payment Arrangements
- C. EXHIBIT B-1 – Schedule of Fees
- D. EXHIBIT B-2 – Budget
- E. Exhibit B-3 – Sliding Fee Scale
- F. EXHIBIT C – Standard Indemnification and Insurance Provisions
- G. EXHIBIT BAA – HIPAA Business Associate Agreement
- H. EXHIBIT E – Program Goals, Outcomes and Measures

II. Delete Section 5, CLIENTS, of Exhibit A, Statement of Work, and replace with the following:

- 5. **CLIENTS.** Contractor shall provide services as described in Section 4 to 135 clients, including juveniles, in Lompoc, and 83 clients, including juveniles, in Santa Maria, referred by sources described in Section 6.A. Contractor shall admit clients with co-occurring disorders where appropriate.

FIRST AMENDMENT

III. Add Exhibit A-1, Statement of Work Recovery Oriented System of Care:

Exhibit A-1 Statement of Work Recovery Oriented System of Care (ROSC)

1. **PROGRAM SUMMARY.** Recovery-Oriented Systems of Care (ROSC) (hereafter “the Program”) support person-centered and self-directed approaches to care that build on the personal responsibility, strengths, and resilience of individuals, families, and communities to achieve sustained health, wellness, and recovery from alcohol and drug problems¹. The establishment of peer supported self-help groups is fundamental to a ROSC. These ROSC groups are usually alternatives or additions to the current menu of 12-Step meetings that have been established throughout the community. Contractor will establish one or more of the following groups: SMART Recovery®, Double Trouble and/or Psycho-educational drug abuse intervention groups. The Program will be located at:
 - A. 2320 Thompson Street, Suite D, Santa Maria, California.
 - B. 1017 East Ocean Street, Suite B, Lompoc, California.
2. **PROGRAM GOALS.**
 - A. Introduce participants to an ongoing process of recovery designed to achieve total abstinence from abuse of AOD;
 - B. Promote self-sufficiency and empower substance abusers to become productive and responsible members of the community;
 - C. Reduce recidivism and increase community safety.
3. **DEFINITIONS.**
 - A. **Self-Management and Recovery Training (SMART) Recovery®:** SMART is a self-help program for AOD abuse issues that was established to provide an alternative to Alcoholics Anonymous, Narcotics Anonymous and other faith-based 12-Step programs. SMART is a Cognitive Behavioral Therapy (CBT) model that is offered in a small group format, supported through peer-driven meetings where participants have the opportunity to learn and refine these skills from those who have mastered them in their own recovery. SMART focuses on recognizing and changing distorted thought patterns in order to change emotions and behaviors. SMART provides an important alternative for non-believers and those alienated from 12-Step programs to participate meaningfully in recovery groups. Its focus on CBT also aligns with the Matrix treatment strategy.
 - B. **Double Trouble in Recovery (DTR):** DTR is designed to meet the needs of clients with co-occurring disorders. Traditional 12-Step groups are single-focus groups based on the

¹ Substance Abuse and Mental Health Services Administration (SAMHSA) “Working Definition of Recovery” available at http://pfr.samhsa.gov/docs/ROSCs_principles_elements_handout.pdf

FIRST AMENDMENT

"one-disease - one-recovery" model. This specialization is largely what bonds members together. However, traditional 12-Step models may not provide adequate assistance to individuals with co-occurring disorders. DTR fills a gap by customizing the 12-Steps for clients with co-occurring disorders to address their individual needs, including medication management issues.

C. **Psycho-educational drug abuse intervention groups:** Psycho-educational drug abuse intervention groups are didactic or lecture and discussion groups covering established Matrix Model Early Recovery and Relapse Prevention topics. Topics will focus on the process of recovery, including post acute withdrawal syndrome (PAWS), relapse prevention planning and skills building.

4. SERVICES.

A. Contractor will hold two (2) of any combination of the groups listed in Section 3 per week.

- i. Contractor will offer two (2) groups during evening and/or weekend hours.
- ii. Groups will be sixty (60) to ninety (90) minutes in length each.
- iii. SMART Recovery groups shall have a maximum of twelve (12) participants. Other groups may be as large as the location allows.

B. Contractor will select group models from those listed in Section 3 that are best suited for their clients' needs.

C. Contractor will follow the curriculum and guidelines established by SMART² and DTR³, as applicable.

D. Contractor will provide staff to facilitate groups until clients / peers can facilitate groups on their own following the curriculum and guidelines established by the organizations listed in Section 3, as applicable, and the requirements of this Exhibit A-1.

5. ADDITIONAL PROGRAM REQUIREMENTS.

A. Contractor will maintain an attendance roster of all clients affiliated with any Alcohol, Drug, and Mental Health Services system of care.

B. Contractor shall enter client data, including admission, discharge, and California Outcomes Measurement System data, into the County MIS system for the following clients: SACPA clients who successfully complete the SACPA program; and are not admitted to another formal program. It is anticipated that clients who do not successfully complete the SACPA program while participating in a ROSC group will be enrolled in an Outpatient Drug Free treatment program, therefore the Contractor shall not be required to enter the client into the MIS System under the ROSC program.

6. STAFF.

- A. **TRAINING.** Contractor shall provide training to each Program staff member, within thirty (30) days of the date of hire regarding applicable programs, including the County MIS system, Drug Medi-Cal, SACPA and Drug Court.
- B. Staff hired to work directly with clients shall have competence and experience in working with clients with substance use disorders and co-occurring disorders, as required by State regulation.
- C. Contractor shall notify County of any staffing changes as part of the monthly Staffing Report. Contractor shall notify the designated County Liaison and County Alcohol and Drug Program (ADP) Staff within one business day when staff is terminated from working on this Contract.
- D. At any time prior to or during the term of this Contract, the County may require that Contractor staff performing work under this Contract undergo and pass, to the satisfaction of County, a background investigation, as a condition of beginning and continuing to work under this Contract. County shall use its discretion in determining the method of background clearance to be used. The fees associated with obtaining the background information shall be at the expense of the Contractor, regardless if the Contractor's staff passes or fails the background clearance investigation.
- E. County may request that Contractor's staff be immediately removed from working on the County Contract for good cause during the term of the Contract.
- F. County may immediately deny or terminate County facility access, including all rights to County property, computer access, and access to County software, to Contractor's staff that does not pass such investigation(s) to the satisfaction of the County whose background or conduct is incompatible with County facility access.
- G. Disqualification, if any, of Contractor staff, pursuant to this Section, shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

7. REPORTS.

- A. **FISCAL.** Contractor shall submit monthly Expenditure and Revenue Reports and Year-End Projection Reports to County. These reports shall be on a form acceptable to, or provided by, County and shall report actual costs and revenues and anticipated year-end actual costs and revenues for Contractor's program(s) or cost center(s) as described in the Services section of this Exhibit A-1. Such reports shall be received by County no later than twenty (20) calendar days following the end of the month reported.
- B. **STAFFING.** Contractor shall submit monthly Staffing Reports to County. These reports shall be on a form acceptable to, or provided by County and shall report actual staff hours worked by position, Documented Service Hours (DSH'S) provided by position, caseload by position, and shall include the employees' names, licensure status, bilingual and bicultural capabilities, budgeted monthly salary, actual salary, and hire and/or termination

Programmatic reports shall include a narrative description of Contractor's progress in implementing the provisions of this Agreement, number of active cases, number of client's admitted/discharged, details of outreach activities and their results, any pertinent facts or interim findings, staff changes, status of Licenses and/or Certifications, changes in population served and reasons for any such changes. For Perinatal programs, report shall include the number of women and children served, number of pregnant women served, and the number of births. Contractor shall state whether it is or is not progressing satisfactorily in achieving all the terms of this Agreement and if not, shall specify what steps will be taken to achieve satisfactory progress.
- D. **ADDITIONAL REPORTS.** Contractor shall maintain records and make statistical reports as required by County and the California State Department of Alcohol and Drug Programs on forms provided by either agency. Upon County's request, Contractor shall make additional reports as required by County concerning Contractor's activities as they affect the services hereunder. County will be specific as to the nature of information requested and allow thirty (30) days for Contractor to respond.
