Summary Text:

The term of office of the Directors of the Cachuma Resource Conservation District is four years. The expiration of the term of any Director does not constitute a vacancy, and the Director shall hold office until his or her successor has qualified. Pursuant to Section 9314 of the California Public Resources Code, we recommend that the Board of Supervisors appoint the five qualified applicants listed below as Directors for the Cachuma Resource Conservation District. Each of the applicants has met all qualifications for appointment to the Cachuma Resource Conservation District Board of Directors.

Background:

In 1986, Section 9314 of the California Public Resources Code was amended to allow Resource Conservation Districts to request by resolution that the Board of Supervisors appoint directors to the governing board of their district.

The Board of Directors of the Cachuma Resources Conservation District adopted a resolution requesting that the Board of Supervisors of the County of Santa Barbara appoint the District's directors as provided for in California Public Resources Code Section 9314. Pursuant to Section 9314, the resolution shall remain in effect until rescinded by the Board of Directors of the Cachuma Resource Conservation District, or until a petition requesting the rescission is received by the elections official. The resolution has not been rescinded and remains in effect.

Pursuant to Section 9314 of the California Public Resources Code, we recommend that the Board of Supervisors appoint for the specified terms the five qualified applicants listed below as Directors for the Cachuma Resource Conservation District. Copies of each Application for each of the five Directors requested to be appointed have been included for your consideration (see Attachment A):

Term Ending 11/1/2019

- Gary Cavaletto;
- Lee Bettencourt;
- Johannah Bradley; and
- William Pata

Term Ending 11/1/2017:

- Dave Hamel.

A notice of election is not required since the Directors are to be appointed; however, a notice of vacancy is required to be posted pursuant to California Government Code section 54974. Section 54974 requires that a vacancy notice be posted in the office of the Clerk of the Board of Supervisors of the County of Santa Barbara, the public library with the largest service population within the County of Santa Barbara, and in other places as directed by the Board.

Special Instructions: Please Direct the Clerk of the Board to post on October 4, 2016, a notice of vacancy of the Board of Directors of the Cachuma Resource Conservation District and send a copy of the minute order to the Cachuma Resource Conservation District, Attn: Anne Coates. Thank you.
