12. EXPERIENCE: Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary. As someone who grew up in Santa Barbara county, who understands its unique history and has an interest in historic preservation, I am interested in serving on the Historic Landmarks committee because I'd like to give back to the community and help preserve its history. Additionally, I work in archaeology and cultural resources management which deals directly with historic properties and places. While I am relatively entry level in the career, I have knowledge of and have studied the federal and state laws that enable the dedication of historic properties. I also understand in order for a property to be eligible as historic, it must meet certain criteria and already registered historic properties must follow rules for their exteriors to be changed. I think my experience makes me a good candidate for this position because it aligns with my career knowledge, my goal to preserve local history, and I am reasonable when making decisions.
