A. Authorize the Chief Probation Officer, as your lead agent, to submit the Application for Approval to the Board of State and Community Corrections (BSCC) in order to utilize thirteenth year funding in the amount of \$1,204,519 allocated to Santa Barbara County under the Juvenile Justice Crime Prevention Act (JJCPA), from July 1, 2013, through June 30, 2014.

B. Assure that the County will adhere to the BSCC's contract terms and statutory requirements, participate in the collection of the required data, and use grant funding to supplement and not supplant existing programs.

Summary Text:

The use of JJCPA funds continues to address the primary areas of concern regarding at-risk juveniles and juvenile offenders. The 2012 Comprehensive Multi-agency Juvenile Justice Plan (CMJJP) identified gangs, substance abuse, mental health issues, and gender-specific services among at-risk juveniles and juvenile offenders as priorities of the local juvenile justice system. In 2013, the needs and services for juveniles in Santa Barbara County remain the same as those identified in the 2012 CMJJP. Funds

provided through the JJCPA remain geared toward these and related issues. The current use of JJCPA funds remains consistent with past years' uses.

The Juvenile Justice Coordinating Council (JJCC), at their April 5, 2013, meeting voted to use JJCPA funds to continue to support five (5) Deputy Probation Officer (DPO) positions for the School-Based Officer (SBO) and Truancy Intervention Program and three (3) DPOs in the Early Intervention (EI) programs. Both programs operate on a countywide basis. JJCPA funds also support an Alcohol, Drug and Mental Health Services clinician to perform mental health assessments on juvenile offenders. The funding of the DPOs and clinician remains consistent with past years. Funding levels for Community-Based Organizations (CBO) providing services to juvenile offenders under JJCPA remain the same as the previous year.

Background:

Assembly Bill 1913 was signed into law on September 7, 2000, as the Schiff-Cardenas Crime Prevention Act. Subsequent legislation renamed it the JJCPA. The JJCPA is a State-funded initiative that supports local programs and services that address crime and delinquency among at-risk juveniles and juvenile offenders. The JJCPA requires the County to establish and maintain a multi-agency JJCC for the purpose of developing, reviewing, and updating a CMJJP that describes the local juvenile justice system and its efforts to address delinquency.

County funding under JJCPA was historically used for three core programs: Truancy Mediation, Initial Assessment/First Offender Intervention, and Aftercare Services. Due to reductions in annual JJCPA allocations, the original truancy component was modified and the aftercare component and one Assessor were redirected from this funding source in FY 2008-09; the two remaining Assessors were redirected in FY 2010-11. Probation utilizes funds from the Youthful Offender Block Grant (YOBG) to fund the Assessors and the Aftercare component. In addition to JJCPA, the Probation Department utilizes a variety of other funding sources to provide services to at-risk juveniles, juvenile offenders, and their families. These sources include Federal Title IV-E funds, Juvenile Camp and Probation Funding, County General Fund Support, and YOBG funds.

The five SBOs serve secondary, continuation, and community school campuses throughout the County, and work closely with school staff and administration. They coordinate their activities with law enforcement School Resource Officers (SRO) and work collaboratively with CBO's for counseling services and interventions. The SBO's presence on school campuses seeks to deter delinquent acts and foster a safe school environment. The program has enjoyed wide support from school administrators and SROs.

The three EI DPOs supervise caseloads consisting of both formal and informal cases, and coordinate closely with CBOs providing life skills education or individual counseling to juvenile offenders. These caseloads provide most of the supervision efforts geared toward younger, first-time offenders. The DPOs focus on assisting the entire family which increases parental accountability and involvement in an offender's treatment and needs.

Family Service Agency, Santa Maria Valley Youth and Family, and Council on Alcohol and Drug Abuse provide individual and family counseling countywide to offenders assigned to either the EI or SBO caseloads. The Community Action Commission provides educational and mentoring services across various social domains.

Performance Measure:

The Probation Department tracks and reports 18 performance measures related to the JJCPA. The following are representative of JJCPA outcomes:

Ensure that 85 percent of youth successfully completing the Early Intervention Program have no new arrest for a felony or misdemeanor within six months of program completion. For the 50 youth who successfully exited in FY 2011-2012, 80 percent did not commit a new felony or misdemeanor within six (6) months of program completion. Of those exits, 92 percent were not arrested for a felony offense within six (6) months of program completion.

Ensure that 90 percent of youth successfully completing the School-Based Officer Program will not be admitted to the Juvenile Hall within six months of program completion. For the 50 youth who successfully exited in FY 2011-2012, only four (4) or 5 percent were admitted to Juvenile Hall within six (6) months of program completion.

Fiscal and Facilities Impacts:

There are no anticipated facility impacts. The project will continue to use existing facilities owned or operated by the County, CBOs, or schools.

Fiscal Analysis:

<u>Expenditures</u>	<u>FY 2013-14</u>
Probation	\$ 1,414,388
ADMHS	\$ 84,549
Community Based Organization	\$ 230,067
Total Expenditures	\$ 1,729,004

<u>Funding Sources</u>	<u>FY 2013-14</u>
JJCPA State Grant (13th Year Funds)	\$ 1,204,519
JJCPA State Grant (Unused Funds From Prior Year)	\$ 265,671
Federal Title IV-E	\$ 234,102
ADMHS Medi-Cal Funds for Init. Assmnt/First Offender	\$ 24,712
Total Funding	\$ 1,729,004

Aside from the funding for services provided under the JJCPA, program services are supported by other revenue sources. These include Federal Title IV-E (\$234,102) and Medi-Cal (through ADMHS, \$24,712). Youthful Offender Block Grant (YOBG) continues to fund Aftercare and Assessors outside of the JJCPA. This funding approach should remain constant in coming years.

The JJCPA budget for FY 2013-14 does not cause the County General Fund contribution to increase.

Staffing Impacts:

None
