Kids at the Bowl

Kids at the Bowl events are designed to engage young audiences and inspire a lifelong love of the performing arts. In partnership with the Children's Creative Project, over 3,000 local students and teachers enjoyed an educational, innovative performance this year.

The Dancing Wheels Company is a physically integrated dance company that unites the talents of dancers with and without disabilities. The company continually expands the reach of artistic possibilities while celebrating the universal spirit of dance.

Students from Santa Barbara High School's Special Education Program and Lompoc High School's Dance Company unite for an *Inclusive Dance Workshop* on the Bowl's stage.
