Re: Joint Request for Continuance;
Grassini Single-Family Dwelling Addition; 1775 Fernald Point Lane, Montecito

Dear Chair Centeno and Members of the Board:

Counsel for appellants and the applicant in the captioned appeal jointly request that the appeal hearing, now calendared for July 7, 2009, be continued to August 25, 2009.

The appellants, the applicant, and we, their representatives, all appreciate the time you devoted to the full hearing of the captioned appeal on June 23, 2009; and we appreciate your encouraging us to endeavor, again, to resolve the appeal by mutual agreement. With the invaluable assistance of Bill Dillon, we have made great progress and are optimistic that we will be able to resolve the issues on terms that will obviate the necessity of a Board decision on the merits.

The requested continuance will afford us ample time to finalize and document terms of agreement, assuming we are able to satisfactorily resolve and document the terms under discussion.

Thank you again for your assistance.

Sincerely,

Derek A. Westen, Esq., Attorney for
Appellants John and Patricia Klink
