Recommended Actions:

That the Board of Supervisors:

- a) Adopt the attached Resolution to establish new parking restrictions on Floradale Avenue in the Third Supervisorial District; and
- b) Find that the proposed action is for the operation and maintenance of an existing public facility, involving negligible, or no expansion of use beyond that which presently exists. That the proposed action is therefore exempt from California Environmental Quality Act pursuant to 14 CCR 15301(c), and approve and direct staff to file the attached Notice of Exemption on that basis.

Summary Text:

This item is on the agenda to establish new parking restrictions on Floradale Avenue in the Third Supervisorial District.

Pursuant to County Code 23-11 and California Vehicle Code Sections 22507, the Board of Supervisors, may, by Resolution, regulate vehicle parking on certain streets, or portions thereof, during all or certain hours of the day.

Proposed Parking Restrictions - Floradale Avenue – Third Supervisorial District

Public Works recommends your Board adopt the proposed parking restrictions on Floradale Avenue in the Third Supervisorial District (Vicinity Map 1). Floradale Avenue is a 40-foot wide, two-lane arterial road located in the unincorporated area of Lompoc. The Lompoc Federal Correctional Institution is located along this road and they have requested no parking along the road in front of their facility and along the road between their facility and the agricultural fields to the south due to safety concerns. According to the Complex Captain (acting)/Administrative Lieutenant, there have been a number of accidents in the past with vehicles parking along the road; and according to the General Foreman, inmate visitors have been parking along this high speed road causing traffic jams. The segment of

roadway north of the Santa Ynez River is within the City of Lompoc. The city has plans to post no parking at the request of the Lompoc Federal Correctional Institution. The segment south of the river is County right of way. This no parking zone would affect approximately 650 feet of Floradale Avenue. Public Works reviewed their request and determined that a “No Stopping, Standing or Parking” zone should be established. This change will not affect the agricultural operations to the south.

Public Works prepared the attached Resolution to adopt the parking restriction at the following location:

THIRD DISTRICT – Unincorporated Area of Lompoc

ADOPT

No Stopping, Standing or Parking Zone

On both sides of Floradale Avenue from a point 2,763 feet north of the centerline of Central Avenue to the Lompoc city limits to the north.

Background:

Intersection controls, speed limit zones, and parking restrictions are established based on safety, necessity, and community benefit. Public Works weighs all of these factors and presents any recommended changes to your Board for approval. These parking restrictions may include, but are not limited to “No Stopping, Standing, or Parking”, “Time Limited” parking, “Loading” zones, “Vehicle Height Restricted” parking, “Angle” parking, or any combination of restrictions.

Public Works has surveyed the proposed traffic control locations described in this Board Letter, and found it to be in the best interest of the communities and the traveling public to install the proposed traffic controls. Public Works recommends your Board’s approval of the attached Resolution to implement these traffic controls.

Fiscal and Facilities Impacts:

Budgeted: Yes

Fiscal Analysis:

<u>Funding Sources</u>	<u>Current FY Cost:</u>	<u>Total One-Time Project Cost</u>
Road Fund	\$2,600	\$2,600
Total	\$2,600	\$2,600

Narrative:

Sign installations and curb markings would require approximately \$2,600 from Fund 0015, Department 054, Program 2340, Org 0200, Account 7121.
