Summary Text:

This item is on the agenda in order to approve the Final Map of Tract No. 14,805 (Rice Ranch Unit 2 Meadows and Groves 14TRM-00000-00001), to set the monument deposit, to accept a waiver of abutter's access rights, and to accept easement dedications per said map.

Final Map of Tract No. 14,805 Unit 2 Meadows and Groves (County Assessor Parcel Numbers 101-390-002, 101-400-001, 002, 003) is located on the south side of Stubblefield and Rice Ranch Roads in the southeastern portion of the Orcutt Community Plan area, Fourth District. The County Surveyor has received and examined the Final Map of Tract No. 14,805 Rice Ranch Unit 2 Meadows and Groves and is satisfied that the Final Map is technically correct, is substantially the same as and conforms to the approved Tentative Map and any approved alterations thereto and complies with all applicable laws and regulations.

Marc Dakos, the Surveyor for Final Map of Tract No. 14,805 Rice Ranch Unit 2 Meadows and Groves, has informed the County Surveyor that he will be unable to have the interior property monuments in place at the time the Final Map is recorded. The monuments shall be installed to meet the requirements of Section 66496 of the State Subdivision Map Act and Section 21-16 of Chapter 21 of the Santa Barbara County Code. The County Surveyor recommends that the subdivider be required to furnish security in the amount of \$37,200 prior to the Final Map recordation to guarantee payment of the cost of installation of said monuments.

The County Surveyor has received written notice from all Departments and agencies that imposed conditions of approval on the subdivision for Tract No. 14,805 Rice Ranch Unit 2 Meadows and Groves, certifying that their requirements have been satisfied. The County Surveyor has also received written notice from the Clerk of the Board that the payment of real property taxes has been made and deposited with the Clerk of the Board.

The County Surveyor's Office is in receipt of a Final Can-and-Will Serve and Easement Acceptance Letter from Golden State Water Company and a Can-and-Will Serve Letter from Laguna County Sanitation District, the entities that will provide water and sewer services for Tract No. 14,805 Rice Ranch Unit Two Meadows and Groves, which state that all arrangements have been made for service of said Tract.

After the Clerk of the Board of Supervisors endorses its acceptance of the Final Map thereon and the Clerk of the Board of Supervisors and the Clerk of the Board of Directors endorse their acceptance of the offers of dedication noted thereon, the County Surveyor will deliver the Final Map to the County Recorder for recordation.

Consummation of the acceptance of the easement dedications to the Laguna County Sanitation District for public sewer purposes is subject to recordation of the subject Final Map.

Consummation of the acceptance of the waiver of abutter's access rights and of the easement dedications to the County of Santa Barbara for public roadway, multi-use trail, pedestrian and public utility purposes is subject to recordation of the subject Final Map.

Background:

At its regularly scheduled meeting on January 5, 2016, the Santa Barbara County Board of Supervisors met and approved Tract Map No. 14,805.

Here, no substantial changes are proposed in the project and no substantial changes will occur with respect to the circumstances under which the project is undertaken. Furthermore, no new information of substantial importance has come to light regarding environmental effects of the project or of the sufficiency or feasibility of mitigation measures. Consequently, the recommended actions are within the scope of the project covered by the environmental review documents certified and adopted by the County Board of Supervisors. Therefore, no subsequent environmental document is required.
