EXHIBIT A
STATEMENT OF WORK
January 1, 2023

HOSPITAL and COUNTY will perform all services in accordance with the California Code of Regulations, Title 22, Division 9, Chapter 7, all other sections of California law and regulations that pertain to Trauma Systems, and COUNTY Emergency Medical Services Trauma System policies and procedures.

HOSPITAL will provide payment to COUNTY as identified in Exhibit B to support COUNTY in its responsibilities under this Agreement which include: designating and providing an EMS Director, an EMS Medical Director, an EMS Trauma Manager as well as the infrastructure and overhead costs associated with the operation(s) of the COUNTY Trauma System.

HOSPITAL and COUNTY agree to assume responsibility for services as follows:

A. COUNTY RESPONSIBILITIES:

1. Provide sufficient staff and supplies to support the Trauma program.
2. Allocate EMS Agency Director's time to support COUNTY trauma system services.
3. Allocate EMS Agency Medical Director's time to support COUNTY trauma services.
4. Maintain EMS Agency Policy & Procedures to ensure a coordinated trauma system and provide opportunity for HOSPITAL to participate in the review/evaluation process related to trauma patients, prior to the implementation and updates of EMS stakeholders on new or amended policies.
5. Provide an updated Trauma System Plan (Plan) annually to the State Emergency Medical Services Authority according to current regulations and provide an opportunity for HOSPITAL to review and provide feedback through a committee process on changes in the Plan.
6. Develop and maintain a Trauma Registry Data Collection System, pursuant to California Code of Regulations; Title 22, Division 9, Chapter 7, for the purpose of evaluating and monitoring its trauma care system, and submit trauma registry data to the State Emergency Medical Services Authority in accordance with State data requirements for inclusion in the State Trauma Database System.
7. Maintain trauma data collection standards for all designated Trauma Centers. Provide a COUNTY trauma registry system for HOSPITAL registry data submission.
8. Monitor and review annually this Agreement to ensure all regulatory requirements are met and the system participants are compliant with state statute and regulations and COUNTY EMS Agency policies and procedures.

9. Maintain active participation on Regional and State Trauma Committees.
10. Provide opportunity for HOSPITAL representation on COUNTY and Regional Trauma Committees, including, but not limited to: the Emergency Medical Advisory Committee, Regional Trauma Coordinating Committee, Trauma System Committee, and Trauma Audit Committee.
11. Maintain a countywide radio repeater system for Advance Life Support (ALS) communication with Trauma Center.
12. Maintain mutual aid agreements with neighboring EMS agencies to enhance trauma transfer between jurisdictions.
13. Participate in a consultant capacity to assist HOSPITAL in carrying out the terms, conditions, and the intent of this Agreement.
14. Establish and maintain a Trauma System, provide ongoing quality improvement and performance metrics, provide data to participating hospitals and ensure industry standards are utilized to benchmark the success of the trauma system.
15. Establish and maintain agreements with an air ambulance service provider(s) to ensure readily available critical care transport services are available to transfer critical patients to referral hospitals as needed.
16. Optimize the overall effectiveness of the Trauma System and its individual components through the development of performance measures for each component and for the trauma function (both process and outcome measures) and by employing continuous quality improvement strategies and collaboration with stakeholders.
17. Encourage collaboration of injury prevention programs within and outside jurisdiction to reduce traumatic injuries and deaths.
18. Develop trauma training requirements for pre-hospital EMS personnel.
19. COUNTY, will participate in the HOSPITAL's American College of Surgeons (ACS) verification review process to ensure HOSPITAL continues to maintain the requirements for Level III trauma level designation and COUNTY will provide on-going monitoring of HOSPITAL performance based on the criteria as defined in Title 22, Division 9, Chapter 7, Article 3, §100259, [View Document - California Code of Regulations \(westlaw.com\)](#)
20. With the support of HOSPITAL, and subject to County procurement requirements, secure the services of a contractor to assist COUNTY in updating the design of the Trauma System, with specific focus on pre-hospital trauma patient designation policies.

B. HOSPITAL RESPONSIBILITIES:

1. Provide and operate a Level I Adult and Level II Pediatric Trauma Center for all medical services to trauma patients, twenty-four (24) hours per day, three hundred sixty five (365) days per year with no exception; and be available to promptly accept transfer of patients when medically indicated.
2. Maintain, for the duration of the Agreement, a license to operate as a general acute care hospital.
3. Maintain compliance with all provisions of the trauma regulations (California Code of Regulations, Title 22, Division 9, Chapter 7) for Level I Adult and Level II Pediatric Trauma Care Services.
4. Include COUNTY in ACS review process and provide a written copy of the findings by the ACS verification site review.
5. Maintain continuous ACS verification and will notify COUNTY immediately if there is any lapse in verification status.
6. Provide appropriate medical staff and services required by HOSPITAL hereunder, regardless of the trauma patient's ability to pay physicians' or other fees.
7. Participate as a member on COUNTY trauma committees, to evaluate and report on the necessity, quality, and level of trauma care services.
8. Maintain designation as a Santa Barbara County EMS Base Hospital.
9. Comply with all relevant Santa Barbara County EMS Agency Policies.
10. Provide appropriate Base Hospital medical direction and control to advanced life support field providers for trauma patients, in accordance with COUNTY policies, procedures and protocols.
11. Notify COUNTY immediately of any inability to fulfill requirements set out in this Agreement.
12. Make clinical rotations available for ongoing training of prehospital personnel (EMTs, paramedics, flight nurses, and critical care nurses), as requested by the EMS Agency Medical Director as part of the EMS Quality Improvement Program.
13. Participate in the selection of the Trauma System Assessment contractor and the Trauma System Assessment process.
14. Provide trauma data in compliance with the County trauma data registry collection and submission standards in accordance with EMS Agency policies.

EXHIBIT B
PAYMENT ARRANGEMENTS
January 1, 2023

HOSPITAL shall pay to COUNTY \$188,865 upon execution of this Amendment for the period January 1, 2023 through December 31, 2023.

HOSPITAL shall pay to COUNTY up to \$25,000 upon execution of a Trauma System Assessment agreement between COUNTY and Trauma System Assessment Contractor.
