Summary Text:

This item is on the Agenda for execution of a Seventh Amendment to the Provider Agreement between CenCal Health and the County (Attachment A). CenCal Health Systems is authorized as the local Medi-Cal fiscal intermediary for Santa Barbara and San Luis Obispo counties. This Seventh Amendment extends the current terms and conditions of the agreement effective January 1, 2018 for a period of one (1) year.

Background:

Through its network of five ambulatory care and three homeless shelter-based clinics countywide, the Public Health Department (PHD) is CenCal's largest Santa Barbara County primary care provider, with

approximately 23,700 assigned members. In addition, the clinics provide a range of specialty services to CenCal members that are not readily available in the private medical community.

The proposed Amendment extends the Agreement through December 31, 2018. The extension ensures the current terms and conditions remain in effect while the PHD and CenCal Health work together to draft a future Agreement that reflects the Federally Qualified Health Centers (FQHC) Rural Health Clinics (RHC) and Indian Health Services-Memorandum of Agreement (HIS-MOA) HIPAA code conversion implemented by the Department of Health Care Services in October 2017.
