## INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

To the Board of Supervisors  
County of Santa Barbara, California

We have performed the procedures enumerated below, which were agreed to by management and the Board of Supervisors of the County of Santa Barbara, solely to assist the specified parties in evaluating management's assertion about the County of Santa Barbara's compliance with requirements of Section 1.5 of Article XIII B of the California Constitution during the fiscal year ended June 30, 2025, included in the accompanying Appropriations Limit Worksheet. Management is responsible for the County of Santa Barbara's compliance with those requirements.

The County of Santa Barbara's management has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of assisting users in determining whether the County of Santa Barbara complied with the specified requirements. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and associated findings are as follows:

- 1) We obtained the County of Santa Barbara's completed Appropriations Limit Worksheet and determined that the limit and annual adjustment factors were adopted by resolution of the Board of Supervisors. We also determined that the population and inflation options were selected by a recorded vote of the Board of Supervisors. We noted no exceptions as a result of this procedure.
- 2) We agreed the June 30, 2025, Appropriations Limit presented in the accompanying Appropriations Limit Worksheet to the June 30, 2025, Appropriations Limit as adopted by the Board of Supervisors. We noted no exceptions as a result of this procedure.
- 3) We agreed the fiscal year 2025 information presented in the accompanying Appropriations Limit Worksheet to the supporting worksheets designed and prepared by the County of Santa Barbara. We noted no exceptions as a result of this procedure.
- 4) For the accompanying Appropriations Limit Worksheet, we added the June 30, 2024, limit to the total fiscal year 2025 annual adjustment and agreed the resulting amount to the June 30, 2025, limit. We noted no exceptions as a result of this procedure.

We were engaged by the County of Santa Barbara's management to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to, and did not, conduct an audit, the objective of which would be the expression of an opinion or conclusion, respectively, on compliance with specified requirements. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the County of Santa Barbara and to meet our other ethical responsibilities, in accordance with relevant ethical requirements related to our agreed-upon procedures engagement.
