\* Population as reported by water purveyor

\*\* M&I (Municipal, Commercial & Industrial) refers to all urban use, not including recycled water, agricultural irrigation or wholesale sales. 1 acre-foot=325,851 gallons.

\*\*\* Per Capita Use is shown as (a) total M&I water divided by population and (b) Single & Multi-Family Residential use divided by population

\*\*\*\* Service Connections for Santa Ynez are in the process of being updated.
