RE: County Project No. 828369 – South Coast Recycling and Transfer Station Storm Drain  
Improvements Project – Phase 3 – Sewer Improvements

Dear Mr. Curtis,

In response to Tierra Contracting's protest on July 3<sup>rd</sup>, 2018, Raminha Construction, Inc. was planning to self-perform all of the work, including the manhole sealing. Raminha Construction, Inc. has coated manholes in the past per the manufacturer's and supplier's requirements and in our opinion is qualified.

Respectfully,

A handwritten signature in black ink, appearing to read "David Raminha", is written over a large, stylized, circular flourish.
