Summary Text:

The Santa Barbara County Department of Behavioral Wellness provides a continuum of mental health and substance use disorder services to Santa Barbara County residents, including psychiatric and nursing services at its County facilities. Behavioral Wellness uses temporary staffing agencies to provide locum tenens psychiatrists, physician assistants and nurses to backfill staffing shortages in budgeted positions, ensuring client access to care in a timely manner.

Approval of the recommended actions will allow Behavioral Wellness to continue to provide mandated and greatly needed psychiatry and nursing services in the Santa Barbara, Lompoc and Santa Maria areas without disruption to services.

Background:

Behavioral Wellness currently uses locum tenens temporary physicians to fill ongoing needs for psychiatric staff at outpatient facilities. **Barton & Associates** provides temporary physician assistants and nurse practitioners while **Maxim** provides temporary nurse practitioners, occupational therapists, registered nurses, social workers, and professional coders to Behavioral Wellness clinics and at other Behavioral Wellness programs as needed.

Performance Outcomes

During FY 17-18, Behavioral Wellness has employed seven (7) professionals from **Barton Associates** and twelve (12) from **Maxim Healthcare**.

Narrative: The above referenced contracts are funded by State and Federal funds. The funding sources are included in the FY 2018-2019 Proposed Budget.

Key Contract Risks:

With any contractor providing temporary staffing services, there is a risk that temporary personnel will make errors, engage in misconduct, or be negligent in performance of assigned duties. Each of the contracts allows Behavioral Wellness to terminate individual temporary staff for cause, and requires that the agency provide Professional Liability insurance to mitigate these risks.

The agreement with Barton & Associates, Inc., varies from the County's standard terms, imposing additional risks on the County. However, the Department of Behavioral Wellness believes the benefits of the services Barton provides outweighs these risks.

Special Instructions:

Please return one (1) Minute Order and one (1) complete copy of each of the above contracts to gilopez@co.santa-barbara.ca.us.
