Approve and execute the attached contract with Community Action Commission (CAC) to provide case management services for wards on Youthful Offender Block Grant (YOBG) caseloads in the Santa Barbara, Santa Maria and Lompoc geographic areas for the Fiscal Year (FY) 2009-10, with a not to exceed amount of \$158,960.
- B. Authorize the Chief Probation Officer to approve amendments to the contract provided that the amendments do not exceed ten percent (10%) of the contract dollar amount.

Summary Text:

During FY 2008-09, a purchasing contract was reached to provide case manager services to YOBG wards not to exceed \$92,728 for the period of 12/1/08 through 6/30/09. These case managers provide counseling, mentoring, and case management services for youth participating in the YOBG program and their families to address psycho-social issues that impede their ability to successfully remain in the community and can result in their detention in juvenile facilities or out-of-home placements. Executing this contract will allow the wards to continue to receive services through FY 2009-10.

Background:

Senate Bill 81 and clean up legislation under Assembly Bill 191 resulted in significant policy changes regarding commitments to the Division of Juvenile Justice (DJJ), formerly California Youth Authority (CYA), commencing September 1, 2007. The new legislation now prohibits the further incarceration of wards adjudicated for non-707(b) Welfare & Institutions Code (W&IC) offenses (excluding certain sex offenses) at DJJ facilities after September 1, 2007. It allowed for the committing court to recall some, all, or none of the commitment orders for non-707(b) W&IC offenders committed to DJJ. It requires that all non-707(b) W&IC offenders in DJJ facilities who are released to parole be returned to the county of commitment for community supervision and requires that all current non-707(b) W&IC offenders whose parole is suspended, cancelled, or revoked, be returned to the custody of the county of commitment.

The legislation included funding to offset the cost of providing services to the non-707(b) W&IC wards returning to the county, non-707(b) W&IC wards who can no longer be placed with the DJJ, and to build capacity to supervise these wards. The block grants are allocated based on county population aged 10-17 years and juvenile felony dispositions. The YOBG funds must be used in accordance with Sections 1950-1962 W&IC, and as outlined in the local Juvenile Justice Delinquency Plan (JJDP).

Performance Measure:

- A. CAC staff will meet with 100% of YOBG youth and families to design an educational and vocational plan within seven days of receiving the referral from Probation.
- B. CAC staff will conduct pre and post client and family surveys on 100% of YOBG youth and their families to measure progress relative to healthy relationships and improved positive communication techniques.
- C. CAC will refer 100% of YOBG youth to employment services within 7 days of eligibility.
