Summary Text:

The Santa Barbara County Special Education Local Plan Area submits its proposed conflict of interest code to the Board of Supervisors for approval.

Discussion:

The Board of Supervisors is designated as the code reviewing body of the conflict of interest code of any local government agency other than a city agency with jurisdiction wholly within the county. The Board of Supervisors must take one of the following actions after a local government agency submits its proposed conflict of interest code or amendments to the Board: approve the proposed code as submitted, revise the proposed code and approve of it as revised, or return the proposed code to the local government agency for revision and resubmission within 60 days.

When the Board of Supervisors approves of the local government agency's proposed conflict of interest code or amendments, the proposed code is deemed adopted, and the local government agency must promulgate the code.

Background:

The Political Reform Act of 1974 requires every agency to adopt and promulgate a conflict of interest code setting forth disclosure and disqualification requirements of designated positions, review its code for changes necessitated by changed circumstances biennially, and submit its proposed code or amendments to the code reviewing body. (Gov. Code, § 81000 et seq.)

The Santa Barbara County Special Education Local Plan Area adopted its proposed conflict of interest code on or around June 15, 2026.

Please send a copy of the minute order to the Santa Barbara County Special Education Local Plan Area and Senior Deputy County Counsel Bo Bae.
