Please provide a brief background of your experience, training and education. Please attach a CV or resume

I was raised in the Santa Ynez Valley and graduated from Santa Ynez High School. I received my RN ADN and EMT certification from Santa Barbara City College and my CNA certification from Allan Hancock College. I've worked in the healthcare industry for over 25 years, all within Santa Barbara County. My experience includes roles as a CNA and ED Technician at Santa Ynez Cottage Hospital, EMT with AMR, and Firefighter with the Solvang Fire Department. I spent 15 years with Lompoc Valley Medical Center, where I served as an ED RN, ED Charge RN, ED Manager, and for over five years, as the ED Director. In addition to my operational roles, I've been actively involved in regional collaboration and system improvement through participation in Santa Barbara County LEMSA specialty care committees, CQI, and EMAC. I also serve on the Ad Hoc Advisory Committee for Allan Hancock College.
