**Recommended Actions:**

That the Board of Supervisors:

Consider Case No. 07AGP-00000-00036 for approval of an agricultural preserve replacement contract for Gainey Management LLC.

The Board of Supervisors action should include the following:

- A. Approve and direct execution and recordation by the Clerk of the Board of new contract 07AGP-00000-00036, replacing a portion of the original Agricultural Preserve 90-AP-016. The replacement contract involves Assessor's Parcel numbers 141-440-024, located approximately 3/4 of a mile southeast of the intersection of Highway 246 and Refugio Road, in the Santa Ynez area, Third Supervisorial District.

**Summary Text:**

The subject property has been in an agricultural preserve (90-AP-016) since January 1, 1991. The original preserve consisted of approximately 519 acres. The owner requested replacement contracts to run with the legal boundaries per recently approved certificates and to be consistent with the long range estate planning. The current replacement contract is for 69.17 acres that are currently used for row crops, and alfalfa.

**Background:**

Government Code §51200 (known as the California Land Conservation Act of 1965 or the Williamson Act) provides that local jurisdictions may establish an agricultural preserve program having the goal of retaining land in an agricultural use. The County of Santa Barbara has adopted such a program which is codified under the Agricultural Preserve Program Uniform Rules. Both the County's Uniform Rules and the Government Code provide that agricultural preserve contracts between the County and landowners are voluntary. Therefore, there are no state mandates associated with this program.

**Fiscal and Facilities Impacts:**

Budgeted: No

**Fiscal Analysis:**

On November 14, 2006, the Board of Supervisors approved a revised fee schedule which eliminated specific categories of agricultural preserve application fees. Fees associated with replacement contracts have been waived by the Board of Supervisors. This fee schedule went into effect on January 13, 2007 (60 days after approval).

The cost for the contract review and preparation of this report is estimated to be \$1000.00, and is budgeted in the Permitting & Compliance Program of the Development Review, North Division on Page D-305 of the adopted 2008 – 2009 fiscal year budget.
