Dear Supervisor Lee,

On behalf of the Mission Canyon Association (MCA), I am writing to express our sincere gratitude for your office's ongoing generous assistance in sharing the expenses for the valuable services we have established at the Tunnel Trailhead.

Over the past year, the MCA has ensured the maintenance of portable restrooms, trash and recycling services, and "Mutt Mitts" for pet waste. These services have been instrumental in helping us keep the area clean and providing a pleasant experience for both hikers and local residents who frequent the popular trailhead.

Over the last twelve months, MCA has paid \$4197.00 for these services. In the past years, your office has generously agreed to split these expenses with us. If your budget allows, please consider a contribution of \$2098.

We deeply appreciate your continued support and commitment to maintaining the beauty and cleanliness of the Mission Canyon area. Your partnership significantly contributes to our shared goal of enhancing the quality of life for our community members.

Thank you again for your valuable support.

Sincerely,

A handwritten signature in black ink, appearing to read "Maya", is placed below the word "Sincerely,".
