Are you going to consider our appeal for a new elevator at the courthouse? We have been asking for ten years and you can't afford it but you can't afford a lawsuit either. My fall into the elevator on August 31 was a very traumatic event causing me to be off work for two weeks and back to work on a walker. I am Judicial Secretary to Judges Anderle and Sterne. Please get us a new elevator while there is very small public presence there. Thank you. Marilyn Metzner
