### **ICE ACCESS INFORMATION - 2023**

- Note on Data Collection: Historically, the Sheriff's Office has not maintained public records on aggregate ICE "access" data. All data provided herein resulted from manual staff research on individual booking packets. In order to automate capturing this data in the future, SBSO is currently in development with ATIMS, the Sheriff's Office Jail Management System (JMS) vendor, to upgrade the current JMS system. ATIMS has indicated that data– captures integrated with ICE databases are a future option.
- In 2018, the Values Act (SB 54) became law and changed certain aspects of the Truth Act.
