Cite specific CEQA Guideline Section: 15301 Existing Facilities

Reasons to support exemption findings: The proposed action is to extend an existing lease agreement for the continued use of leased space for the County's Probation Report and Resource Center, which involves no alterations or significant physical changes to the structure, and therefore, has no potential effect on the environment. As defined in the California Environmental Quality Act (CEQA) guidelines, Section 15301 consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination. All of the activities contemplated in the Second Amendment are consistent with the current activities, involving no expansion of the existing use. Therefore, the categorical exemption stated above is applicable for the proposed action and satisfies the requirements of CEQA.
