RE: Easement Revocation for APN 004-004-037
Recording Reference 2007-0018033

To Whom it May Concern,

In 2007 we granted an Easement to the County for the purposes of placing fill soil from debris basins and channel clearing activities on our property addressed 5134 Foothill Road, APN 007-007-037. The easement covers the majority of the property. I've enclosed a copy of the easement, Document 2007-0018033 for your review.

We have decided that we would like to use portion(s) of the property for other purposes.

Therefore, pursuant to Condition 3 of the subject recorded easement, we are by this letter notifying the County of termination of the Easement.

As described in Condition 3, we request the County prepare and execute a quitclaim deed for recordation to remove the easement at its earliest convenience so as not to interfere with our desired use of the property.

Please call with any questions. I can be reached at (805) 896-1646

Sincerely,
