(1) MHS Assessment and MHS Therapy services may only be provided by licensed, registered or waived Mental Health clinicians, or graduate student interns under direct supervision of a licensed, registered or waived Mental Health clinician. Interns/trainees who have graduated and are in the 90-day period prior to obtaining their associate number are eligible to provide assessment and therapy services if a Livescan is provided by the Contractor for the intern/trainee.

(2) The Director may reallocate between funding sources at his/her discretion during the term of the contract, including to utilize and maximize any additional funding or FFP provided by local, State, or Federal law, regulation, policy, procedure, or program. The Director also reserves the right to reallocate between funding sources in the year end cost settlement. Reallocation of funding sources does not alter the Maximum Contract Amount and does not require an amendment to the contract.

(3) Non-Medi-Cal funding may be offset by additional Medi-Cal funding.
