SUBJECT: 04AGP-00000-00031, Signorelli Agricultural Preserve Contract

Recommendation:

That the Board of Supervisors:

Set a date to consider the request of DeWayne Holmdahl, agent for Larry and Marcella Signorelli, to consider Case No. 04AGP-00000-00031, one Agricultural Preserve Replacement Contract. The replacement contract involves Assessor's Parcel No. 083-030-054, located approximately 3 miles southwest of the intersection of Willow Avenue and San Miguelito Road, in the Lompoc area, Third Supervisorial District. (SET ON ADMINISTRATIVE AGENDA FOR JUNE 21, 2005 SECOND HEARING)

Alignment with Board Strategic Plan:

The recommendation is primarily aligned with actions required by law or by routine business necessity.

Executive Summary and Discussion:

The subject property has been in an agricultural preserve (69-AP-074) since January 1, 1970. The original agricultural preserve was non-renewed due to non-compliance with Uniform Rule #5, Transfer of Ownership. The site is approximately 224.14 acres used for cattle grazing.

Mandates and Service Levels:

Government Code §51200 (known as the California Land Conservation Act of 1965 or the Williamson Act) provides that local jurisdictions may establish an agricultural preserve program having the goal of retaining land in an agricultural use. The County of Santa Barbara has adopted such a program which is codified under the Agricultural Preserve Program Uniform Rules. Both the County's Uniform Rules and the Government Code provide that agricultural preserve contracts between the County and landowners are voluntary. Therefore, there are no state mandates associated with this program.

Fiscal and Facilities Impacts:

The costs associated with processing this replacement contract are offset by the \$1,326.00 processing fee required to be paid by the applicant per the Planning & Development adopted fee schedule.
