Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

I am interested in serving on the Commission for Women because it is a place where issues confronted by our county can be addressed through the lens of women. As a woman in a leadership position I would like to uplift voices of all women on issues including childcare, education, food insecurity, workforce development and more. I would like to see more women in leadership positions and by participating in this space I'd advocate for these opportunities. The commission should serve as a space for open and collaborative conversation and I would hope my experience would add to it.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

I have served in various board roles in both my professional role as publisher of the Independent as well as a volunteer. I currently serve on the Hope Elementary PTA, am the board chair for AAN Publishers, and participate on the South Coast Chamber of Commerce legislative committee. I have also volunteered with the Scholarship Foundation for many years.
