Recommended Actions:

That the Board of Supervisors:

- A. Approve and authorize the Chair to execute a Third Amendment to the Agreement for Services of Independent Contractor with **Crestwood Behavioral Health, Inc.**, a Delaware corporation (not a local vendor), for the provision of adult crisis residential mental health services in south Santa Barbara County, to extend the contract through February 28, 2021 and increase the contract amount by \$231,814.00 for Fiscal Year (FY) 20-21 for a maximum contract amount not to exceed \$2,546,619.00 for the period of May 28, 2019 through February 28, 2021, inclusive of \$228,479.00 for FY 18-19, \$1,390,884.00 for FY 19-20, and \$927,256.00 for FY 20-21;
- B. Approve and authorize the Chair to execute a Third Amendment to the Agreement for Services of Independent Contractor with **Telecare Corporation**, a California Corporation (not a local vendor), for the provision of adult crisis residential mental health services in north Santa Barbara County, to extend the contract through February 28, 2021 and increase the contract amount by \$512,228.00 for FY 20-21, for a maximum contract amount not to exceed \$5,123,053.00 for the period of May 28, 2019 through February 28, 2021, inclusive of \$168,894 for FY 18-19, \$2,905,248 for FY 19-20, and \$2,048,911.00 for FY 20-21;

- C. Delegate to the Director of Behavioral Wellness or designee the authority to reallocate funds between funding sources at her discretion during the term of the agreement without altering the Maximum Contract Amount; adjust or waive the County Maximum Allowable rate based on operating needs; amend the program goals, outcomes, and measures in Exhibit E of the agreement; or make immaterial changes to the agreement, all without requiring a formal amendment, subject to the Board's ability to rescind this delegated authority at any time; and
- D. Determine that the above actions are government fiscal activities, which do not involve any commitment to any specific project that may result in a potentially significant physical impact on the environment and are therefore not a project under the California Environmental Quality Act (CEQA) pursuant to section 15378(b)(4) of the CEQA Guidelines.

Summary Text:

These items are on the agenda to request approval to extend the contract end dates with existing crisis residential treatment (CRT) service providers, Crestwood Behavioral Health, Inc. and Telecare Corporation, from June 30, 2020 through February 28, 2021. This extension will allow time to complete a competitive request for proposal (RFP) process for the selection of CRT service providers. Due to the current COVID-19 public health emergency, issuance of the CRT RFP was delayed. Approval of the recommended contract extensions will allow the time needed for Behavioral Wellness (BeWell) to negotiate contracts with the successful bidders and return to the Board with the final contracts recommended for approval.

Background:

A Crisis Residential Treatment (CRT) facility is a safe and therapeutic environment where residents are assisted to stabilize the symptoms of mental illness and co-occurring conditions; gain skills to manage the client's condition more effectively; make progress on the path to personal recovery; and engage community supports that will enable the client to leave the facility, participate fully in necessary follow-up treatment, and improve networks of support for community life; including linkage to community services. Typically, these services are provided to clients upon discharge from a Psychiatric Health Facility (PHF).

On May 1, 2019, Anka Behavioral Health Inc., the County's former CRT provider, unexpectedly filed for bankruptcy and announced on May 8, 2019 that it would no longer provide services to County's clients after May 31, 2019. On May 28, 2019, the Board authorized the Chair to execute agreements with experienced and qualified crisis residential service providers, Crestwood Behavioral Health, Inc. (Crestwood) and Telecare Corporation (Telecare) in order to provide a seamless transition from Anka to the new providers. Contracts were executed with Telecare and Crestwood for the time period May 28, 2019 through June 30, 2020.

Federal law allows for the procurement by noncompetitive proposals when a public exigency or emergency will not permit a delay resulting from competitive selection. (2 CFR 200.320, subdiv. (f).) BeWell was in the process of releasing a CRT RFP, but that process was delayed due to the current COVID-19 public health emergency and BeWell's need to respond to such. The RFP was issued in September 2020 and the Notice of Intent to Award was issued on November 23, 2020. Approval of the above amendments will allow BeWell clients to continue to receive necessary adult crisis residential mental health services without a gap in services while BeWell negotiates contracts with the successful bidders. BeWell will return to the Board with the final contracts recommended for approval.

Performance Outcomes:

Crestwood Behavioral Health, Inc.

After taking over Anka Behavioral Health Inc.’s CRT contract in South County on May 28, 2019, BeWell is satisfied with Crestwood’s performance.

Telecare Corporation:

The Telecare Corporation provides an array of mental health services to adults in the Santa Maria area. One of these services is the North County Crisis Residential Treatment (CRT), which provides short-term crisis residential services. This program has a forensic component, and will allow for a longer length of stay (up to 90 days). The second CRT is Agnes Avenue CRT, which is a traditional CRT providing short-term crisis residential services for up to 30 days. Both are recovery-focused, learning environments to improve symptom management, community living and interpersonal skills needed to function well in the community. Below is a summary of the second two quarters of this current FY for each of the programs:

Carmen Lane Forensic CRT: During Q2 and Q3, they Telecare met and exceeded all goals. During Q3, Carmen Lane CRT maintained 84% bed days during this quarter. This is a small decrease from last quarter. Their collaboration with Justice Alliance, PHF, and CSU helps to ensure they receive consistent and appropriate referrals. During this quarter, Carmen Lane CRT referred 6 clients who were not currently connected to a BeWell MH program to NCCS or Homeless Services for aftercare support which includes housing placement. All other clients were referred to follow up with their current BeWell treatment providers.

Agnes Ave CRT opened its doors in Nov. 2019. They have currently met all outcome goals set for them. In Q3, they were able to discharge clients back to the community at a lower level of care at a 96% success rate.

Fiscal and Facilities Impacts:

Budgeted: Yes

Fiscal Analysis:

<u>Funding Sources</u>	<u>FY 18-19 Cost:</u>	<u>FY 19-20 Cost:</u>	<u>FY 20-21 Cost</u>	<u>FY 18-21 Overall Total</u>
General Fund				
State/Realignment	\$ 198,687	\$ 2,148,066	\$ 1,488,083.50	
Federal	\$ 198,687	\$ 2,148,066	\$ 1,488,083.50	
Fees				
Total	\$ 397,373	\$ 4,296,132	\$ 2,976,167.00	\$ 7,669,672

Narrative: The above-referenced contracts are funded by a combination of State and Federal funds.

Key Contract Risks:

As with any contract funded by State and Federal sources, there is a risk of future audit disallowances and repayments. Behavioral Wellness contracts include language requiring contractors to repay any amounts disallowed in audit findings, minimizing financial risks to County.
