

NOTICE OF EXEMPTION

TO: Santa Barbara County Clerk of the Board of Supervisors

FROM: GENERAL SERVICES DEPARTMENT, LEAD AGENCY

Based on a review of the project and project description, the following activity is determined as indicated below. Specific findings are indicated below and environmental review requirements of the California Environmental Quality Act (CEQA) of 1970, as amended, as defined in the State and County Guidelines for the implementation of CEQA are included, if applicable.

APN(s): 141-440-002

Case No. GSD-10032022-20011-0001

(current date, project# and NOE number for this project)

LOCATION(city/unincorporated area/NA): Unincorporated area of Santa Ynez Valley

PROJECT TITLE: Santa Ynez Airport Capital Improvement Project ACIP-23

PROJECT DESCRIPTION (attach continuation page, if necessary): The focus of this project is to rehabilitate the aprons and taxiways that were re-constructed 12-15 years ago (740,000 sf), and Runway 8-26 that was rehabilitated 8 years ago. Rehabilitation strategy will include crack-fill and seal with a focus primarily on paving cold-joints (particularly on the runway), slurry, and pavement markings. There could also be some very localized removal and reconstruction of isolated, failed areas. Work areas have been grouped together into this single project due to the proposed identical pavement rehabilitation strategy throughout.

DETERMINATION:

NOT A PROJECT (§15378): A project as defined by CEQA is one in which the whole of the action has a potential for resulting in either a direct or indirect physical change in the environment, or a reasonably foreseeable indirect physical change in the environment. The action described above has been determined by the Lead Agency to not be a Project under CEQA. **No further environmental review is required.**

EXEMPT STATUS: (Check Only One)

Ministerial (§15369)

Statutory (§15260)

Categorical Exemption (§15354)

Emergency Project (§15359)

Cite specific CEQA Guideline Sub-Section(s) (§§15301(a); 15302)

FINDINGS TO SUPPORT DETERMINATION: (attach additional material, if necessary):

The project consists of repair, maintenance, minor improvements and alterations of the existing public structures, facilities and topographical features involving negligible expansion of existing use. The project is categorically exempt from the provisions of CEQA pursuant to Sections 15301, subdivisions (a) (minor alterations to existing facilities) of Title 14 of the California Code of Regulations, and Section 15302 (replacement and reconstruction). The rehabilitation of the aprons and taxiways is an alteration that involves negligible or no expansion of use. The exceptions to this Categorical Exemption do not apply because there are no mapped resources in the project area, no

cumulative impact, no significant effect due to unusual circumstances, no visible scenic highway, the site is not listed on list compiled to Section 65962.5 of the Government Code, and the airport is not a historical resource.

NOTICE

Each project applicant shall remit to the county clerk the environmental filing fee before or at the time of filing a Notice of Determination (Pub. Resources Code, § 21152; Fish & G. Code, § 711.4, subdivision (d); Cal. Code Regs., tit. 14, § 753.5). Without the appropriate fee, statutory or categorical exemption, or a valid No Effect Determination issued by the California Department of Fish and Wildlife (CDFW), the Notice of Determination is not operative, vested, or final, and shall not be accepted by the county clerk.

COUNTY DOCUMENTARY HANDLING FEE

The county clerk may charge a documentary handling fee of fifty dollars (\$50) per filing in addition to the environmental filing fee (Fish & G. Code, § 711.4, subd. (e); Cal. Code Regs., tit. 14, § 753.5, subd. (g)(1)). A county board of supervisors shall have the authority to increase or decrease the fee or charge, that is otherwise authorized to be levied by another provision of law, in the amount reasonably necessary to recover the cost of providing any product or service or the cost of enforcing any regulation for which the fee or charge is levied (Gov. Code, § 54985, subd. (a)).

COLLECTION PROCEDURES FOR COUNTY GOVERNMENTS

Filing Notice of Determination (NOD):

- Collect environmental filing fee or copy of previously issued cash receipt. *(Do not collect fee if project applicant presents a No Effect Determination signed by CDFW. An additional fee is required for each separate environmental document. An addendum is not considered a separate environmental document. Checks should be made payable to the county.)*
- Issue cash receipt to project applicant.
- Attach copy of cash receipt and, if applicable, previously issued cash receipt, to NOD.
- Mail filing fees for CRP document to CDFW prior to filing the NOD or equivalent final approval (Cal. Code Regs. Tit. 14, § 753.5 (b)(5)). The CRP should request receipt from CDFW to show proof of payment for filing the NOD or equivalent approval. Please mail payment to address below made attention to the Cash Receipts Unit of the Accounting Services Branch.

If the project applicant presents a **No Effect Determination** signed by CDFW, also:

- Attach No Effect Determination to NOD *(no environmental filing fee is due)*.

Filing Notice of Exemption (NOE) (Statutorily or categorically exempt project (Cal. Code Regs., tit. 14, §§ 15260-15285, 15300-15333))

- Issue cash receipt to project applicant.
- Attach copy of cash receipt to NOE *(no environmental filing fee is due)*.

Within 30 days after the end of each month in which the environmental filing fees are collected, each county shall summarize and record the amount collected on the monthly State of California Form No. CA25 (TC31) and remit the amount collected to the State Treasurer. Identify the remittance on Form No. CA25 as "Environmental Document Filing Fees" per Fish and Game Code section 711.4.

The county clerk shall mail the following documents to CDFW on a monthly basis:

- ✓ A photocopy of the monthly State of California Form No. CA25 (TC31)
- ✓ CDFW/ASB copies of all cash receipts (including all voided receipts)
- ✓ A copy of all CDFW No Effect Determinations filed in lieu of fee payment
- ✓ A copy of all NODs filed with the county during the preceding month
- ✓ A list of the name, address and telephone number of all project applicants for which an NOD has been filed. If this information is contained on the cash receipt filed with CDFW under California Code of Regulations, title 14, section 753.5, subdivision (e)(6), no additional information is required.

DOCUMENT RETENTION

The county shall retain two copies of the cash receipt (for lead agency and county clerk) and a copy of all documents described above for at least 12 months.

RECEIPT NUMBER

- # The first two digits automatically populate by making the appropriate selection in the County/State Agency of Filing drop down menu.
- # The next eight digits automatically populate when a date is entered.
- # The last three digits correspond with the sequential order of issuance for each calendar year. For example, the first receipt number issued on January 1 should end in 001. If a county issued 252 receipts for the year ending on December 31, the last receipt number should end in 252. CDFW recommends that counties and state agencies 1) save a local copy of this form, and 2) track receipt numbers on a spreadsheet tabbed by month to ensure accuracy.

DO NOT COMBINE THE ENVIRONMENTAL FEES WITH THE STATE SHARE OF FISH AND WILDLIFE FEES.
