Summary Text:

This item is on the Agenda to authorize the Chair to execute the Ninth Amendment to the Provider Agreement between CenCal Health and the Public Health Department (Attachment A). CenCal Health Systems is authorized as the local Medi-Cal fiscal intermediary for Santa Barbara and San Luis Obispo counties. This Ninth Amendment extends the term of the agreement effective January 1, 2022 through December 31, 2024 and deletes and replaces Attachment A-3 with a summary of the re-designed Quality Care Incentive Program.

Background:

This Agreement allows the Public Health Department (PHD) to provide and be reimbursed for the services that it provides to its assigned CenCal Health Medi-Cal Managed Care Plan members which constitute approximately 70% of its patient service volume. Through its network of five ambulatory care and three homeless shelter-based clinics countywide, the PHD is CenCal's largest Santa Barbara County primary care provider, with approximately 27,600 assigned members. In addition, PHD's Health Care Centers provide a range of specialty services to CenCal members.
