## CONTINUUM OF CARE PROGRAM GRANT AGREEMENT

This Grant Agreement (“this Agreement”) is made by and between the United States Department of Housing and Urban Development (“HUD”) and County of Santa Barbara (the “Recipient”).

This Agreement is governed by title IV of the McKinney-Vento Homeless Assistance Act 42 U.S.C. 11301 et seq. (the “Act”) and the Continuum of Care Program rule (the “Rule”).

The terms “Grant “ or “Grant Funds” represents the funds that are provided under this Agreement. The term “Application” means the application submissions on the basis of which the Grant was approved by HUD, including the certifications, assurances, and any information or documentation required to meet any grant award condition. All other terms shall have the meanings given in the Rule.

The Application is incorporated herein as part of this Agreement, except that only those project listed, and only in the amount listed on the Scope of Work exhibit, are funded by this Agreement. In the event of any conflict between any application provision and any provision contained in this Agreement, this Agreement shall control.

Exhibit 1, the FY2016 Scope of Work, is attached hereto and made a part hereof. If in the future appropriations are made available for Continuum of Care grants; if the Recipient applies under a Notice of Funds Availability published by HUD; and, if pursuant to the selection criteria in the Notice of Funds Availability, HUD selects Recipient and one or more projects listed on Exhibit 1 for renewal, then additional Scope of Work exhibits may be attached to this Agreement. Those additional exhibits, when attached, will also become a part hereof.

The effective date of the Agreement shall be the date of execution by HUD and it is the date the usage of funds under this Agreement may begin. Each project will have a performance period that will be listed on the Scope of Work exhibit(s) to this Agreement. For renewal projects, the period of performance shall begin at the end of the Recipient’s final operating year for the project being renewed and eligible costs incurred for a project between the end of the Recipient’s final operating year under the grant being renewed and the execution of this Agreement may be paid with funds from the first operating year of this Agreement. For each new project funded under this Agreement, the Recipient and HUD will set an operating start date in eLOCCS, which will be used to track expenditures, to establish the project performance period and to determine when a project is eligible for renewal. The Recipient hereby authorizes HUD to insert the project performance period for new projects into the exhibit without the Recipient’s signature, after the operating start date is established in eLOCCS.

This Agreement shall remain in effect until termination either: 1) by agreement of the parties; 2) by HUD alone, acting under the authority of 24 CFR 578.107; 3) upon expiration of the final performance period for all projects funded under this Agreement; or 4) upon the expiration of the period of availability of funds for all projects funded under this Agreement.
